prove He was with her As a result she developed a boldness to do what she believed God was asking of her God always confirmed the decisions she made were the stepping stones leading to her destiny She learned God was pleased by her faith that she entrusted to Him alone God demonstrated two way communication with Him was not only possible but was necessary in order to turn her dreams into reality This two way conversation brought her relationship with God to a deeper level She knew He had prepared the way that would lead her to her future husband Rebecca claims God is still in the match making business and is the best dating coach any person could ask for because Father knows best All proceeds from the sale of this book will go to a mobile ministry that gives women who are facing unplanned pregnancies image clear ultrasounds free of charge When women are in crisis due to an unwanted pregnancy they need to know that God loved them at First Sight Hopefully with knowledge of this truth these women will now be willing to step out on a maybe and trust God to work out a solution that begins with them choosing life for the child within
