

To My Niece

**My niece Khushi, a bundle of joy,
A ray of sunshine, that's hard to avoid.
With her sparkling eyes, and infectious smile,
She brings happiness, that's truly worthwhile.**

**With every hug, she melts my heart,
And brings a new beginning, a fresh start.
Her laughter, her chatter, her silly antics,
A source of joy, that's simply fantastic.**

**She's a little angel, sent from above,
To spread love, and bring joy with her love.
Her innocence, her purity, a true delight,
That fills my heart, with pure delight.**

**With every moment spent with her,
My heart fills up, with love and fervor.
She's a gift, that's beyond compare,
A true blessing, that's simply rare.**

**So, here's to my dear Khushi,
A little star, that shines so brightly.
Thank you for your love, your care, your grace,
May God bless you, and your life always embrace.**

**You're a blessing, a joy, a little wonder,
And I'm blessed to have you, as my niece forever.**

Poems of Love, Struggle, and Change Merredith F. Perkins, Ph.D., 2019-02-26 *Poems of Love Struggle and Change* By Merredith F Perkins Ph D If someone had said to her twenty five years ago that she would be living the life she's living Merredith F Perkins Ph D would have questioned his or her sanity She would have been an ardent disbeliever The fortune of writing was bestowed upon her a long time ago but she did not know that twenty five years of reflective writing and her poems would show up in a book at this stage of her life In her golden years Dr Perkins is writing and sharing her poetry with the public to show that we all have a lot in common and that we all stumble humbly through our life's journey In taking stock of her life and understanding a little bit of what her life has been for she is learning that the puzzle pieces were being laid on a path long before she arrived at that path *Poems of Love Struggle and Change* is a collection of poetic expressions on topics about love in relationships struggling with expressions of self awareness and engaging in the friction of self discovery as a way to gauge internal and external explorations as life unfolds *The Writings of John Greenleaf Whittier: Narrative and legendary poems* John Greenleaf Whittier, 1893 **First Loves** Carmela Ciuraru, 2001 Readers will be delighted by the intimate reflections on life and poetry found in *First Loves* Affording close up views of today's best poets the book also re introduces readers to the timeless poems they selected Featuring many Pulitzer Prize and National Book Award winners the book includes essays by Seamus Heaney Robert Pinsky Jorie Graham Yusef Komunyakaa and many others **Poems of Life** Timothy Wilkins, 1908 Ignorance Andrew Bennett, 2013-07-19 Andrew Bennett argues in this fascinating book that ignorance is part of the narrative and poetic force of literature and is an important aspect of its thematic focus ignorance is

what literary texts are about He sees that the dominant conception of literature since the Romantic period involves an often unacknowledged engagement with the experience of not knowing From Wordsworth and Keats to George Eliot and Charles Dickens from Henry James to Joseph Conrad from Elizabeth Bowen to Philip Roth and Seamus Heaney writers have been fascinated and compelled by the question of ignorance including their own Bennett argues that there is a politics and ethics as well as a poetics of ignorance literature's agnology its acknowledgement of the limits of what we know both of ourselves and of others engages with the possibility of democracy and the ethical and allows us to begin to conceive of what it might mean to be human This exciting approach to literary theory will be of interest to lecturers and students of literary theory and criticism

Delving Into Different Literary Terrains Subhajit Bhadra, 2023-04-01 Since the beginning of 2nd half of 20th century various critical theories came into existence and every student and teacher of literature was influenced by those theories which were basically addressing the demands of other social sciences But theoretical schools of western part of the world also inspired colonial and postcolonial reimagining The present book employs many of those theories without being obscure or ambiguous The book gets a wider value because the writer expresses his views reviews interviews and critical essays
