My One Life To Give:

The One Life We're Given Mark Nepo, 2017-07-25 By illuminating the art of finding and restoring what matters and by exploring the craft of awakening The One Life We're Given affirms our purpose as not just to stay alive but to stay in our aliveness Amazon.com One Life Virginia Parks Jones, 2010-07 Sitting in a meadow in the shade of a crabapple tree were two little sisters They watched as ants traveled back and forth on an exact path with loads that appeared much too heavy for their tiny backs Meeting other ants they would stop and engage in ant talk then march on to their intended destination Observing nature the sisters learned that all of life's creatures have little worlds of their own that somehow must be important to God Otherwise what was His creative purpose for their being One Life is the story of an ordinary person who watched as life progressed from being relatively simple and somewhat understood to being one in which the infinite perplexities appeared beyond understanding let alone solvable It is about a teacher's life experiences as she observed that lurking beneath the surface were interferences that would make the teaching of children much more difficult than it ought to be In its own subtle way One Life shows how biblical truth has been undermined one step at a time slowly very slowly so that society in general is taken unaware The real concern is that today it continues Virginia Parks Jones was born May 23 1922 to Hobart and Esther McBrayer Parks in the hills of Kentucky in a town called Corbin She taught school for forty years at the elementary and junior high levels having begun her career in the small coal mining community of Mary Helen She ended her career in Orange County Florida She and her husband Harry reside in Harlan Kentucky perhaps proving that the hills of Kentucky have a way of calling you back home The Last Piece of the Pie Dwindal C Toliver, 2018-12-13 The Last Piece of the Pie is introduced to provoke the potential reader to think what could this book be about Out of body experience And now one is entering into my seven soul light dreams filled with fictional events intended to provoke the reader's imagination about my unknown spirit soul and travel My vision through travel without a human state has so many variables that one needs to read each chapter to get the full meaning of my book of dreams The drama built around the four seasons winter spring summer and fall will bring tears to one's eyes while reading about the wonders of the new world what a dream The 7 dreams will also introduce one to the soul light pledge vision With the pledge vision one will be able to have one's own book Believe it or not My seven dreams are about what one should see and feel to learn how to mediate mind over matter and get away from repetitive events Go to the ocean and feel the energy from the water Go to the mountains and feel the energy Go to the desert and feel the energy that helps one to sustain life Feel the air vision thought Appreciate what old Mother Nature has provided for us One has entered into my soul light dreams of life reality Now write your book I truly believe that my 7 dreams is my conviction leading one into the big wheel of life life is like a puzzle In order to fulfill out the part one must play his own part Old Mother Earth is the big wheel of life's reality One day all our soul light dreams will be together as one big wheel of life always turning for a better way of life One Suzanne Mayernick, Gwen Oatsvall, 2015 Two mothers of thirteen children

seven of whom are adopted describe how following God's path brought them to a fulfilling journey of friendship love adventure and faith
