Kinsella, 2020-03-01 John Kinsella's memoir of his rural life takes us deep into the heart of what it means to belong and unbelong. The joys and travails of childhood, adult addictions, missteps, and changing directions are acutely captured in poignant and poetic detail. While centred on Jam Tree Gully in rural Western Australia, the memoir also moves between Ohio, Schull, and Cambridge, mixing regionalism with an international sense of responsibility. What will strike the reader are the detailed observations of daily life, the engagement with topography and flora and fauna that embody the author's conviction that all is in everything and that every leaf of grass is vital. In his most intimate prose work to date, Kinsella never shies from writing about the violence and intolerance of those scared of difference and the ways in which his ethics have sometimes been met with disdain or outright hostility. But with nuance and humour, he also celebrates rural community and its willingness to lend a hand. At once tender, urgent, and intelligent, *Displaced* is ultimately a call to personal action. We all have choices to make. It argues through its vivid accounts of small acts of living for the values of pacifism, veganism, environmentalism, and justice for First Nations peoples, the principles we just might need to heal our world. Kinsella's work is magnificent, raw, the words coming together in form and shape to evoke the essence of the moment in time he is creating. **Blue Wolf Reviews**

Kinsella can see into the heart of the country, and the evidence of these taut, complex stories is that what he sees there is both ferocious and unresolved. *The Australian*

Voices in the Woods DC Fidler, 2017-05-02 In rural West Virginia's mountains, Precious Grace Reamy does not have time to worry about her aged, bed-ridden mother who has been lying in bed while she has been dying for thirty years. Precious Grace must cook and clean for her visiting CEO brother, movie starlet sister, carpenter brother, skateboarding nephew, demented uncle, and kleptomaniac aunt who gather at the Brantley Run home place to say goodbye to the dying matriarch. The dying matriarch, by the way, is upstairs playing video games. Stelazine pills prevent Precious Grace from hearing voices, so she bakes Stelazine into her famous M&M cookies to help calm herself as well as calm visitors. There is nothing better than sitting on the porch beneath an orange August moon, spinning yarns, reliving childhood memories, and drinking milk and eating Precious cookies. Before the story is finished, visitors as well as audience members and readers will learn that Precious Grace's pill-baked cookies are a necessity. **Open Turns** Hendrika de Vries, 2025-09-02 If you believe in the power of dreams and intentions, this inspirational coming-of-age memoir set in 1950s Australia, where an immigrant girl swimmer turns challenges and disappointments into opportunities for success, is for you. Henny was just a little girl when she experienced brutal violence and hunger in WWII Amsterdam, but she is now a teenage immigrant swimmer in 1950s Australia where she must learn to turn challenges into success. She is smart, she swims fast, and she has definite opinions about the kind of woman she intends to be. She hears the timeless Land speak and sees the Southern Cross as a beacon when she walks in the bush with her father. She enjoys swimming, star fame, and championship victories, and turns to the pool in her search to belong, to face fears and dashed hopes until, at every turn, she sees more clearly her unique path ahead. Intentions are like prayers; if you pay attention, they come back as destiny. Her mother has
