Postcolonial Perspectives on Policing, Security and Social Order Roxana Pessoa Cavalcanti, Peter Squires, Zoha Waseem, 2024-11-12 Postcolonial legacies continue to impact upon the Global South and this edited collection examines their influence on systems of policing security management and social ordering Expanding the Southern Criminology agenda the book critically examines social harms violence and war crimes human rights abuses environmental degradation and the criminalization of protest The book asks how current states of policing came about their consequences and whose interests they continue to serve through vivid international case studies including prison struggles in Latin America and the misuse of

military force Challenging current criminological thinking on the Global South the book considers how police and state overreach can undermine security and perpetuate racism and social conflict

American Political Music Danny O. Crew, 2005-12-01 Since the years before the Revolutionary War American composers have expressed their political passions and viewpoints in song Music inspired by political themes and politicians can reveal a great deal about significant people and events that have shaped our national political atmosphere American Political Music provides a state by state inventory of thousands of songs about American political personalities from 1756 through 2004 The book documents music for all political offices except president Within each state and the District of Columbia the names of elected politicians candidates for public office and other high profile individuals appear in alphabetical order with a detailed listing of published songs that relate to them Also included under each state where applicable is a miscellaneous section containing general political topics about that state everything from temperance Vote Our California Dry to the women s vote Rally Song for the Ohio Suffragist to the introduction of Boston s first public water system Cochituate Grand Quick Step Under each person or topic are listed related songs with title tune composer and lyricist publisher copyright year and information on where a particular song or its lyrics may be found i e broadsides sheet music songbooks songs published in newspapers wax cylinders piano rolls vinyl records CDs internet or mp3 files Also included is an appendix of parodied songs demonstrating among other things the durability of Battle Hymn of the Republic and Yankee Doodle as fertile and favored ground for the parodist The book also includes a list of publishers by city and indexes of song titles authors and composers politicians and subjects and offices

Churchill and the Anglo-American Special Relationship Alan P. Dobson, Steve Marsh, 2017-02-24 This book examines Winston Churchill s role in the creation and development of the Anglo American special relationship Drawing together world leading and emergent scholars this volume offers a critical celebration of Churchill s contribution to establishing the Anglo American special relationship Marking the seventieth anniversary of Churchill s pronouncement in 1946 of that special relationship in his famous Iron Curtain speech the book provides new insights into old debates by drawing upon approaches and disciplines that have hitherto been marginalised or neglected The book foregrounds agency culture values ideas and the construction and representation of special Anglo American relations past and present The volume covers two main themes Firstly it identifies key influences upon Churchill as he developed his political career especially processes and patterns of Anglo American convergence prior to and during World War Two Second it provides insights into how Churchill sought to promote a post war Anglo American special relationship how he discursively constructed it and how he has remained central to that narrative to the present day From this analysis emerges new understanding of the raw material from which Churchill conjured special UK US relations and of how his conceptualisation of that special relationship has been shaped and re shaped in the decades after 1946 This book will be of much interest to students of Anglo American relations Cold War Studies foreign policy international history and IR in general
