A Daughter's Plea Kimberly J. Sigurdson,2024-08-20 What is a woman to do when all she s ever wanted was a happy healthy family of her own but now has nothing left to screw up She has two choices she can give up completely or start choosing herself one day at a time That s exactly the choice Kimberly Sigurdson made to heal moment by moment Growing up amid dysfunction anger and emotionally unavailable parents Kimberly soon lost her voice and became a people pleaser As she grew older this led to dysfunctional relationships where she put others needs before her own and made unhealthy choices She felt stuck and unworthy and struggled with low self esteem When an autoimmune disease flare up landed her in the hospital at thirty seven Kimberly decided it was time to change her life As her healing journey progressed she found writing helped her release her thoughts and feelings and allowed her to share with the people she needed to As Kimberly healed from her past her letters changed Her growth mindset provided a path to evolution and she grew from writing from a place of self pity to writing from a place of feeling grateful and empathetic to those who had hurt her Follow Kimberly on her healing journey as she realizes it was never about not being good enough Learn alongside her as she discovers that the way people treat others reflects how they feel about themselves and what they ve been through in their own lives
