My People Abbâ Šelomo Even, 1968. **Sephardi and Mizrahi Jews in America** Saba Soomekh, 2016. Sephardi and Mizrahi Jews in America includes academics, artists, writers and civic and religious leaders who contributed chapters focusing on the Sephardi and Mizrahi experience in America. Topics will address language, literature, art, diaspora, identity and civic and political engagement. When discussing identity in America, one contributor will review and explore the distinct philosophy and culture of classic Sephardic Judaism and how that philosophy and culture represents a viable option for American Jews who seek a rich and meaningful medium through which to balance Jewish tradition and modernity. Another chapter will provide a historical perspective of Sephardi/Ashkenazi Diasporic tensions. Additionally, contributors will address the term Sephardi as a self-imposed collective ethnic designation that had to be learned and naturalized and its parameters defined and negotiated in the new context of the United States and in conversation with discussions about Sephardic identity across the globe. This volume also will look at the theme of literature focusing on Egyptian and Iranian writers in the United States. Continuing with the Iranian Jewish community, contributors will discuss the historical and social genesis of Iranian American Jewish participation and leadership in American civic, political and Jewish affairs. Another chapter reviews how art is used to express Iranian Diaspora identity and nostalgia. The significance of language among Sephardi and Mizrahi communities is discussed. One chapter looks at the Ladino speaking Sephardic Jewish population of Seattle while another confronts the experience of Judeo Spanish speakers in the United States and how they negotiate identity via the use of language. In addition, scholars will

explore how Judeo Spanish speakers engage in dialogue with one another from a century ago and furthermore how they use and modify their language when they find themselves in Spanish speaking areas today Underlined While Reading-2 Sezai Arli, I was born in December 1954 or January 1955 when the first snow fall as the third child of a Kurdish family living in a remote village of Eastern Turkey My father died of tuberculosis at the age of 31 when I was six years old My mother was 34 never married again dedicated her life to her children From the moment I learned how to read and write I became a passionate reader of the books books on literature books on history books on travel books on philosophy books on memoirs books on biographies books on politics This book contains some of the history excerpts that I noted while reading important books on history mostly on history of Asia Minor Mesopotamia Middle East Levant and Europe These are excerpts of knowledge excerpts of wisdom excerpts of reflection of remarkable men about history of mankind both ancient and contemporary Sezai Arli Doha November 2020 Let My People Go Jerry Grunor, 2005 As today s events unfold in the world we live in we should learn and remember and we shall overcome all of our enemies if not forgive them The people of Israel have made a commitment that no country shall ever succeed in enslaving them again The lore of revolt and the spirit of freedom will sustain the people of Israel and their children as they become their own enemies as well This is the story of one country and its people their life as a struggle their death heroism their sacrifice sacred their memory eternal Because Jewish history through the ages has a rich record of martyrs who willingly laid down their lives for the principles of right and justice Many were those who made the ultimate sacrifice in the defense of the Jewish faith and of the Jewish homeland including those in the second century BCE Let My People Go is based on actual correspondence some of which was presented by Prime Minister Menachem Begin about Dov Gruner Dov is author Jerry Grunor s cousin who fought with Mr Begin in the early 1940s for the independence of Israel My People's Prayer Book Vol 5 Rabbi Lawrence A. Let My People Go ,1972 **“My People, What Have I Done to You?”: The Good Friday Popule meus Verses in Chant and Exegesis, c. 380-880** Armin Karim, 2014-04-04 The Roman Catholic Good Friday liturgy includes a series of chants known today as the Improperia Reproaches beginning with the following text Popule meus quid feci tibi aut in quo contristavi te responde mihi Quia eduxi te de terra Egypti parasti crucem Salvatori tuo My people what have I done to you or in what have I grieved you Answer me Because I led you out of the land of Egypt you prepared a cross for your Savior The earliest witness to the chants is a Carolingian liturgical book from around 880 but it is agreed among scholars that their history extends back farther than this Employing comparative analysis of Biblical exegesis chant texts and chant melodies this study suggests that the initial chant verse Micah 6 3 4a plus a Christianizing addendum

My people you prepared originated in northwestern Italy between the end of the 4th century and the end of the 7th century and carried associations of the Last Judgment the Passion and Christian works penitence and forgiveness Although previous scholarship has sometimes pointed to the Reproaches as a key text of Christian anti Jewish history it is clear that the initial three verses the Popule meus verses originally held allegorical rather than literal meanings The fact that there are several preserved Popule meus chants across various liturgical repertoires and moreover several sets of Popule meus verses in a smaller subset of these repertoires in northern Italy southern France and the Spanish March bespeaks the pre Carolingian origins of the Popule meus verses and raises the question of why the verses appear in the Carolingian liturgy when they do This study proposes that the Popule meus verses were incorporated into the Carolingian liturgy at the Abbey of Saint Denis under the abbacy of Charles the Bald 867 77 In the Adoration of the Cross ceremony adopted from Rome paired with the Greek Trisagion and carrying Gallican melody and meaning the Carolingian Popule meus verses would have been an ecumenical declaration as they spread of the expediency of the crucified Christ and a penitent people even in the face of impending political disintegration
