overlooked figure from the circle of Sir John Cheke at St John's College Cambridge locus of an important and influential revival of Greek scholarship A prolific translator from Greek and Italian Barker was a Catholic and spent most of his career working as secretary to Thomas Howard fourth Duke of Norfolk What little notoriety he eventually gained was as the Italianified Englishman who told of Howard's involvement in the Ridolfi plot But even here this edition shows Barker's intellectual patronage by Cheke and friends and their enduring support of him his translations and the Chekeian agenda can be discerned

Reclaiming the L-Word Alleyn Diesel, 2011-05-15 This brave and moving collection of stories by South African lesbian women from different backgrounds reminds us again that rights are never finally won in legislatures or in court rooms They are won by people exercising them The authors of the stories and poems in this book have done just that They have stood up to celebrate the dignity of lesbian women in South Africa Each contribution is different And each intensely personal And each one reminds us of the urgent need for us to stop hate crime and to create a safe society for all LGBT South Africans

The Tudor Translations, 1897 Ever After Vicki Courtney, 2013-06-01 Most every woman dreams about having a family and a building a home We grow up on a steady diet of fairytales and chick flicks that drive our dreams and leave us with a sugarcoated version of reality We want it all the prince the kiss the proposal the ring the castle and eventually the kids in smocked rompers playing cheerfully on the perfectly manicured lawn Our hopes and dreams are pinned on the world's version of happily ever after The problem is the fairytales and chick flicks end where real life begins We never see that follow up scene where the prince and princess argue at 3 a.m. over who will get up with the colicky newborn Or the princess reluctantly returns to work to help pay the bills and feels the stress of juggling work and family And you certainly won't see that part where the princess moves her last child into the dorm and realizes the bulk of her identity has been based on being a mother The truth is marriage and motherhood are hard Few of us are prepared to handle the balancing act of being a good wife and a good mother without one or the other getting the short end of the stick No matter how much we give or how hard we try we never quite feel like it's enough And heaven help us we always imagine every one else is doing a much better job In Ever After best selling author Vicki Courtney addresses the realities of marriage and motherhood the difficulties and the blessings It offers women a behind the scenes glimpse of what a fairytale really looks like on the average day for the average wife and mom Poignant funny and even cathartic Vicki shares mistakes made lessons learned and memories to keep Most of all she reflects the hope and promise that God meets us in the middle wherever we are in the journey

The History of Comines Philippe de Commynes, 1897 **Politica** Justus Lipsius, 2004-02-15 The conflict between ethics and realism in politics is as topical today as it ever was Lipsius accesses it through ancient Greek and Roman literature searching for a middle road between Machiavellian deviousness and impractical morality The edition includes newly discovered source material which explains Lipsius' struggle with the Vatican religious authorities over his ideas
