My Passion for Design Barbra Streisand, 2010-11-16 For nearly six decades Barbra Streisand has been one of the singular figures in American entertainment From the cabaret to the Broadway stage from television and film stardom to her acclaimed work as a director from the recording studio to the concert hall she has demonstrated that the extraordinary voice that launched her career was only one of her remarkable gifts Now in her first book Barbra Streisand reveals another aspect of her talent the taste and style that have inspired her beautiful homes and collections *My Passion for Design* is her account of the creation and construction of her newest home the dream refuge she has longed for since the days when she shared a small Brooklyn apartment with her mother brother and grandparents and a culmination and reflection of her love of American architecture and design from the 18th to the 20th centuries Whether she is seeking an elusive shade of blue for the paneling in a Federal lounge tracking down a contemporary woodworker who was able to recreate the exquisite Greene Greene style or choosing the roses to harmonize with both the interior and exterior of a given room Barbra's perseverance and attention to detail are remarkable and remarkably engaging She is a wonderfully witty storyteller as well as a knowledgeable and charming guide *My Passion for Design* contains not only Barbra's own photographs of the rooms she has decorated the furniture and art she has collected and the ravishing gardens she has planted on her land on the California coast but memories of her childhood and insights into the development of her own sense of style The millions of fans who have cherished her voice as a singer will find that she has an equally inimitable and compelling voice as a writer Here is a rare and intimate private tour of the world of one of our most beloved stars which will be welcomed by her fans and all lovers of the great achievements of American design

My Passion in Pursuit of God Cornel Bedward, 2024-10-28 In writing this book My Passion in Pursuit of God my focus was to bring together the importance of having God's love well ingrained in every aspect of our lives as we grow My intent was not just to write about my life but also to provide a presentation that would simplify our understanding of our relationship with God My goal and intent were to use my life as an example and to intertwine my life journey from childhood to becoming an adult I wanted to show how my relationship with God had such a profound impact on my life My great asset was having a conscious belief in the presence of a supernatural force outside myself I could sense he wanted to become a part of my life journey and I had the faith to let him This book contains biblical references and verses to help in our life to follow and for consultation In this book there is an understanding that God does not reveal every step we make or keep us from stepping outside his will and desires for our lives There is such a thing as free will and God will not override our choices in our journey However in Christ we have the Holy Spirit and he will guide us into all truth My Passion in Pursuit of God is a captivating book that offers a comprehensive guide on how to deliver a life journey with a spiritual connection to God It is also a testament to the transformative power of personal stories and a deeper connection to the divine Writing this book allows me to take an introspective look at self discovery and the way God sees us through his grace and mercy
