My Purse:

I Love My Purse Belle DeMont, 2017-09-12 Charlie loves the bright red purse that his grandmother let him have One day he decides to take it to school First his father then his friends and even the crossing guard question him about his strange choice After all boys don't carry purses They point out that they too have things they like but that doesn't mean they go out in public wearing them But Charlie isn't deterred Before long his unselfconscious determination to carry a purse starts to affect those around him His father puts on his favorite though unconventional Hawaiian shirt to go to work his friend Charlotte paints her face and the crossing guard wears a pair of sparkly shoes Thanks to Charlie everyone around him realizes that it isn't always necessary to conform to societal norms It's more important to be true to yourself With its humorous energetic illustrations this book is ideal as a read aloud or as a story for emerging readers It can also be used as a starting point for a discussion about gender roles □□□□ □□□ Moshe Wallich, 1994 Reproduced pages of the original 17th century Yiddish including the woodcuts face the first English translation of the 34 fables that comprise Wallich's Sefer Mesholim A valuable resource for students of the Yiddish language and of European Jewish culture of the early modern period The fables come mostly from Aesop and medieval Hebrew and German sources Well annotated No index Annotation copyright by Book News Inc Portland OR

A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature Gordon Williams, 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden

My Red Velvet Purse Sandra D. Rhoads, 2022-12-08 Sometimes people base their opinions of a whole race of people on the horrendous acts of some on lack of knowledge or familiarity with a culture or they go along with how their peers or relatives think and act for fear of being ostracized or fear of suffering repercussions This is a true story of how a lost purse prayer faith and an act of kindness from a stranger of another race changed the life of a young African American girl in racially segregated Virginia in 1961
