Purdum,2018-04-03 A revelatory portrait of the creative partnership that transformed musical theater and provided the soundtrack to the American Century They stand at the apex of the great age of

songwriting the creators of the classic Broadway musicals Oklahoma Carousel South Pacific The King and I and The Sound of Music whose songs have never lost their popularity or emotional power Even before they joined forces Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows but together they pioneered a new art form the serious musical play Their songs and dance numbers served to advance the drama and reveal character a sharp break from the past and the template on which all future musicals would be built Though different in personality and often emotionally distant from each other Rodgers and Hammerstein presented an unbroken front to the world and forged much more than a songwriting team their partnership was also one of the most profitable and powerful entertainment businesses of their era They were cultural powerhouses whose work came to define postwar America on stage screen television and radio But they also had their failures and flops and more than once they feared they had lost their touch Todd S Purdum's portrait of these two men their creative process and their groundbreaking innovations will captivate lovers of musical theater lovers of the classic American songbook and young lovers wherever they are He shows that what Rodgers and Hammerstein wrought was truly something wonderful

**Comes One with a Song** Frank Lebby Stanton, 1899 Skylark Philip Furia, 2004-12-09 Skylark is the story of the tormented but glorious life and career of Johnny Mercer and the first biography of this enormously popular and influential lyricist Raised in Savannah Mercer brought a quintessentially southern style to both his life in New York and to his lyrics which often evoked the landscapes and mood of his youth Moon River In the Cool Cool Cool of the Evening Mercer also absorbed the music of southern blacks the lullabies his nurse sang to him as a baby and the spirituals that poured out of Savannah's churches and that cool smooth lyrical style informed some of his greatest songs such as That Old Black Magic Part of a golden guild whose members included Cole Porter and Irving Berlin Mercer took Hollywood by storm in the midst of the Great Depression Putting words to some of the most famous tunes of the time he wrote one hit after another from You Must Have Been a Beautiful Baby to Jeepers Creepers and Hooray for Hollywood But it was also in Hollywood that Mercer's dark underside emerged Sober he was a kind generous and at times even noble southern gentleman when he drank Mercer tore into friends and strangers alike with vicious abuse Mercer's wife Ginger whom he'd bested Bing Crosby to win suffered the cruelest attacks Mercer would even improvise cutting lyrics about her at parties During World War II Mercer served as America's troubadour turning out such uplifting songs as My Shining Hour and Accentuate the Positive He also helped create Capitol Records the first major West Coast recording company where he discovered many talented singers including Peggy Lee and Nat King Cole During this period he also began an intense affair with Judy Garland which rekindled time and again for the rest of their lives Although they never found happiness together Garland became Mercer's muse and inspired some of his most sensuous and heartbreaking lyrics Blues in the Night One for My Baby and Come Rain or Come Shine Mercer amassed a catalog of over a thousand songs and during some years had a song in the Top Ten every week of the year the songwriting equivalent of Joe DiMaggio's hitting streak but was plagued by a sense of failure and bitterness over the big

Broadway hit that seemed forever out of reach Based on scores of interviews with friends family and colleagues and drawing extensively on Johnny Mercer s letters papers and his unpublished autobiography Skylark is an important book about one of the great and dramatic characters in 20th century popular music *The New-York Mirror, and Ladies' Literary Gazette*, 1829 Lame Jervas.
