My Search for Patty Hearst Steven Weed, Scott Swanton, 1976 My Search for Patty Hearst by Steven Weed with Scott Swanton Steven Weed, 1976 Patty's Got a Gun William Graebner, 2008-11 With *Patty's Got a Gun* the first substantial reconsideration of Patty Hearst's story in more than twenty five years William Graebner vividly re-creates the atmosphere of uncertainty and frustration of mid 1970s America Drawing on copious media accounts of the robbery and trial as well as cultural artifacts from glam rock to *Invasion of the Body Snatchers* Graebner paints a compelling portrait of a nation confused and frightened by the upheavals of 1960s liberalism and beginning to tip over into what would become Reagan era conservatism with its invocations of individual responsibility and the heroic Trapped in the middle of that shift the affectless zombielike brainwashed Patty Hearst was a ready made symbol of all that seemed to have gone wrong with the sixties the inevitable result some said of rampant permissiveness reckless elitism the loss of moral clarity and feminism run amok

Bestselling author Jeffrey Toobin's *American Heiress* is a thorough true crime account of the kidnapping and trial of Patty Hearst whose sensational journey gripped the nation and defined a tumultuous period in American history. On February 4, 1974, Patricia Hearst, the heiress to the Hearst family fortune, was abducted by a group of left-wing revolutionaries called the Symbionese Liberation Army (SLA). What started as a media sensation turned into a circus when a recording was released in which Patty claimed she was joining the movement and her new name was Tania. Set against the backdrop of an already turbulent era and based on hundreds of interviews and never-before-seen documents, *American Heiress* is a revelatory look at one of the most famous abductions of the twentieth century. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction. *Dark Persuasion* Joel E. Dimsdale, 2021-08-10. A harrowing account of brainwashing's pervasive role in the twentieth and twenty-first centuries. This gripping book traces the evolution of brainwashing from its beginnings in torture and religious conversion into the age of neuroscience and social media. When Pavlov introduced scientific approaches, his research was enthusiastically supported by Lenin and Stalin, setting the stage for major breakthroughs in tools for social, political, and religious control. Tracing these developments through many of the past century's major conflagrations, Dimsdale narrates how, when World War II erupted, governments secretly raced to develop drugs for interrogation. Brainwashing returned to the spotlight during the Cold War in the hands of the North Koreans and Chinese. In response, a huge Manhattan Project of the Mind was established to study memory obliteration, indoctrination during sleep, and hallucinogens. Cults used the techniques as well. Nobel laureates, university academics, intelligence operatives, criminals, and clerics all populate this shattering and dark story, one that hasn't yet ended. **The Spectacle of Skill** Robert Hughes, 2015. A selection of the best writing by the most important and thunderously outspoken art and culture critic of our time, including approximately 125 never-before-seen pages from the unfinished second volume of his memoir, which he was working on at the time of his death in 2012. With an introduction by Adam Gopnik. One God Clapping Alan Lew, 2011-09-28. From Zen Buddhist practitioner to rabbi, East meets West in this firsthand account of a spiritual journey. Rabbi Alan Lew is known as the Zen Rabbi, a leader in the Jewish meditation movement who works to bring two ancient religious traditions into our everyday lives. *One God Clapping* is the story of his roundabout yet continuously provoking spiritual odyssey. It is also the story of the meeting between East and West in America and the ways in which the encounter has transformed how all of us understand God and ourselves. Winner of the PEN Joseph E. Miles Award. Like a Zen parable or a Jewish folk tale, *One God Clapping* unfolds as a series of stories, each containing a moment of revelation or instruction that, while often unexpected, is never simple or contrived. *One God Clapping*, like the life of the remarkable Alan Lew himself, is a bold experiment in the integration of Eastern and Western ways of looking at and living in the world. Richard King,2010-12-28 *Commodified and Criminalized* examines the centrality of sport to discussions of racial ideologies and racist practices in the 21st century It disputes familiar refrains of racial progress arguing that athletes sit in a contradictory position masked by the logics of new racism and dominant white racial frames Contributors discuss athletes ranging from Tiger Woods and Serena Williams to Freddy Adu and Shani Davis Through dynamic case studies *Commodified and Criminalized* unpacks the conversation between black athletes and colorblind discourse while challenging the assumptions of contemporary sports culture The contributors in this provocative collection push the conversation beyond the playing field and beyond the racial landscape of sports culture to explore the connections between sports representations and a broader history of racialized violence
