## **My Secret Place:**

**The Secret Place** John Chipley, 2011-03 So at about the age of twelve when most boys do what they are told NOT to do B J went into the woods From that day on his life was never the same This is more than just another book This is our son's secret journal that we found years after well years after he disappeared These are his words This is his story The following was written on the first page of his journal As I start my story I cannot tell you my name or where I live or anything that might disclose who I am I can however tell you one thing when I was a baby my grandpa called me B J When our son was growing up none of the children were allowed to go into the woods behind our house Two boys disappeared in the woods over ten years ago and were never found not a trace I think this is why B J had to go into the woods He had to see for myself what was there What he found was another world It was a world that he writes about in his journal He writes about an old lady called Mowmow He writes about his best friends LaCharles and Lizzy He writes about a pond that is deep in the woods and what he discovered on the other side of the pond He writes about love fear death and God I left the pages of this book basically untouched so you will find some misspelled words and incorrect grammar However I didn't want to change one word of what B J wrote Every word is a clue as to what happened to him or where he might be When you finish reading his journal entries maybe you will understand Maybe you can help us find B J The sketches in this book have been redrawn However the original sketches made by B J are in the cold case file in the basement of the Charlotte North Carolina courthouse I Thought There Was a Road There Lynn Assimacopoulos, 2000-11

**Of Course You May Indulge Yourself...** NOZIBUSISO, 2013-04-30 The poems carry the weight of a million poems I wrote from my heart To readers of my writing I hope that the poems take you to places that I have journeyed and beyond Places where no man would rather go places where everyone wish that they may get the opportunity to go These are places in our lives wherein we have lost loved ones places wherein we have celebrated and been celebrated Allow yourself to be taken on a journey of discovery a journey of finding your inner peace a journey that allows you to lay everything bare and not feel ashamed This book is meant to allow people to realise that we are more than we think or know we are There are times when we are going to surprise our lives by the revelation of our capabilities This book touches a little bit on who we think we are who we become and how we become And for those who are their own best friends this book is for you It is going to make you laugh and cry all at the same time It attempts to answer silly and funny questions most of us have but never ask There is no greater joy than writing because there you write what you feel and how you feel Writing is liberating it sets you free from your own cage it allows you to talk in written words thereby releasing whatever you need to in a written format it simply serves as therapy I don't know whether it is me but writing is also a way of exhaling writing gives me the freedom to let my mind go wild When I am writing I don't have to worry much about what I see but writing is more about what goes on in the inside of a person When you want to know about a person let them write about themselves as opposed to letting them say it In writing the emotions are there for an

indefinite period no one change them Therefore the poems in the book all reflect a certain season in my life These are seasons of love joy peace loss despair gratitude change encouragement and other seasons I am unable to explain The poem which one is stronger questions what most people question after they have been through a certain storm in their lives Most people have been through pain and it is important how they overcame the storm I remember when I had tuberculosis I told my mother that I wonder what is God thinking of my condition at the time I couldnt eat all my clothes did not fit me My mother just looked at me and said that God is not worried about our physical appearance he is more worried about what is inside of us and that for as long as what is inside is in good order the outside can change and God will not be moved This is the point where I realised that we all need to have a strong inside and that is the part of our being that needs nourishment and then it will manifest on the outside which is our physical body Prayer Warrior reminds of all those who pray without seizing There are people who are praying for a better world and there are those who pray for specific things and you find that you are freed from a certain situation and you are left wondering how it happened These are people that are known and most importantly that we do not know and never even get a chance to meet them This poem is for all those people Secret Place maybe I wrote this one because I have been staying by myself from the age of eighteen years To me that has been a blessing although many people use to worry how I managed somehow I was never alone I have always had somebody staying with me I do not know the name of that person but he has never leaved me nor forsaken me I still stay alone and I must confess I have never been lonely To me the secret place is that place that I only know of the place where I reflect on my life have the important talks with myself To me the secret place is the place where I go there I get naked and look at my life make important decisions about myself The Secret Place does not have human interference or human influence discussions th

*The Dwelling* Antoinette Kingsley,2014-05-12 The Dwelling place of God is a place where every believer should yearn and long for each waking day because God will lead you on the journey of love like you have never experienced before That s why his throne room is a place of abiding intimately with him holding back nothing because God is longing for a relationship with his children

**Trophemus** Neshamah Clay,2021-08-04 No one would have ever dreamed how by means of an innocent young man s discovery of his secret place at the tender age of twelve it could have affected Trophemus his family and his entire impregnable and sheltered country providentially for the rest of his two lives he would be forced to live Trophemus was appraised by everyone in the entire nation of Tatonka to be a righteous good honest adolescent of the highest moral reputation He was of unfailing morality but truly as tough as flint a virtuous young man being of pristine character well respected beyond repute being required to live in an imperfect world His father trained him from the beginning as a small boy to always listen to his God given intuition within his heart for the good of all Trophemus knew that

his intuition would never tell him to do evil and as long as he was directed to do good he should listen And listen he would Trophemus did have much difficulty making sense of and discerning God s requirement to keep his secret place hidden from all But time does have a way to envelop all our misunderstanding concerning God s direction in every decision we make Mystery always surrounds us as we live a righteous high integrity human life He knew well integrity is living the highest moral standard in our daily human life whether anyone sees us or not even when we are all alone This kind of righteous daily living brings peace into one s heart Peace has a source and Trophemus was a man on earth full of peace and goodwill to all those in Tatonka who live righteous lives But not all will live righteous lives as Trophemus gradually learns Schrum is a young man who personifies and emanates evil Thus his two lives providentially whirl around this antagonistic creature on earth named Schrum As the race begins in the first chapter by which a fourteen year old boy becomes a man Trophemus has the highest expectations and all is peaceful in the safe and secure country of Tatonka Will this man boy s becoming a man fulfill what destiny has been immaculately arranged upon him Trophemus      **Journey** Kristen Danielle Talley,2014-12-12

Ditto,2023-02-09 One thing is for certain we serve a God that wants you to succeed in relationships More importantly your singleness matters to God God wants you to discover who you are in Him while single Prayerfully if you are single God wants you to understand

your value and that you can experience victory even when you are by yourself Singleness is not a curse Your value doesn't decrease Your worth shouldn't be questioned No one should ever look over you because you are focused on your relationship with Christ If you have ever felt lonely experienced depression because you are single cried yourself to sleep because someone broke your heart this devotional is to help restore those broken pieces This is the perfect time while single to become who God has called you to be You are a royal priesthood a chosen generation and your relationship with Christ is the most important relationship that you and I have to steward over while single Desperation will encourage you to get ahead of God and settle but destiny will inspire you to wait on God's best I made a choice over twenty years ago as a teenager to pursue purity and the presence of God I made a vow to God that I would stay single until my heart lined up with God's Word I prayed that God would use my singleness to help this next generation and young adults to have a strategy to deal with singleness in a kingdom way Single Until is a resource to embrace your singleness and to walk in the confidence of the Lord

Now Is The Time Angus Buchan, 2014-08-15 Here are readings for the full calendar year with a Scripture passage for each day a meditation and a prayer Angus Buchan gave his life to Jesus on 18th February 1979 Shortly afterwards a friend commented that there was something different in him the old anger and aggression had been replaced by joy and peace The following day walking through the fields his friend gave his life to his new found Saviour He was the first person I had ever led to Jesus Christ recalls Angus I was an ambassador of Jesus Christ I was new at it but He gave me the words to say All I had to do was to be obedient and share with my friend The Holy Spirit did the rest Over the years Angus has striven hard to become an effective ambassador for his Lord A popular speaker and author he has addressed hundreds of thousands at rallies and counselled people one by one helping them to find faith and grow in spiritual stature The core of his ministry has been his daily time alone with Jesus usually in the very early morning before the demands of the day push through his door In this collection of daily devotions Angus shares the insights and convictions that have come to him as he has spent time with his Lord It will help you to live a victorious Christian life in the power of the Holy Spirit

*Once* Griselda Jackson Ohannessian, 2007 Of all my far back memories two remain most vivid as if they had just happened The first is of an incident that occurred in a few minutes time the second a matter of months The first happening surely was the key to my survival of the second So begins veiled in mystery Griselda Jackson Ohannessian's beautifully rendered childhood memoir about growing up on a farm in Bucks County Pennsylvania beneath the friendly blue bowl of the sky and the dangerous preternatural events of the summer of 1939 that changed her life forever *Once As It Was* is narrated through the lens of the author's twelve year old self Her farm home was a world of little dirt roads kerosene lamps and visiting hobos There is her dear father Bousie rhymes with Howsie her loving Ma her two sisters and brother and the Owls the Cherokee Indian farmhands who were also part of the family as well as many other friends and passers by Ohannessian's writing memory meanders intently like a bright creek through her schoolhouse where Margeret Toomer the

Vakoch, Fernando Castrillón, 2014-02-17 This book seeks to confront an apparent contradiction that while we are constantly attending to environmental issues we seem to be woefully out of touch with nature The goal of

Ecopsychology Phenomenology and the Environment is to foster an enhanced awareness of nature that can lead us to new ways of relating to the environment ultimately yielding more sustainable patterns of living This volume is different from other books in the rapidly growing field of ecopsychology in its emphasis on phenomenological approaches building on the work of phenomenological psychologists such as Maurice Merleau Ponty This focus on phenomenological methodologies for articulating our direct experience of nature serves as a critical complement to the usual methodologies of environmental and conservation psychologists who have emphasized quantitative research Moreover Ecopsychology Phenomenology and the Environment is distinctive insofar as chapters by phenomenologically sophisticated ecopsychologists are complemented by chapters written by phenomenological researchers of environmental issues with backgrounds in philosophy and geology providing a breadth and depth of perspective not found in other works written exclusively by psychologists **Walking**
