beside a meandering stream For this author the place to which he returned to understand his journey was the porch that surrounded his house as he grew up Metaphorically Poole s porch represents how he either has or has not accepted changes in his life The dilemma about how and when to leave his porch goes back to his early boyhood when his mom would always say Eddie don t get too close to the edge of the porch because you might fall off *Memories of Me* Andrea

From Apocalypticism to Merkabah Mysticism Andrei Orlov, 2006-12-01 The present volume contains essays dealing with the Second Temple Jewish traditions and documents preserved solely in their Slavonic translations It examines these Slavonic pseudepigraphical materials in the context of their mediating role in the development of early Jewish mystical traditions from Second Temple apocalypticism to Merkabah mysticism attested in rabbinic and Hekhalot materials The book represents the first attempt to study Slavonic pseudepigrapha collectively as a unique group of texts that share common theophanic and mediatorial imagery crucial for the development of early Jewish mysticism The study demonstrates that mediatorial traditions of the exalted patriarchs and prophets played an important role in facilitating the transition from apocalypticism to early Jewish mysticism

The Way of Hope Melissa Fisher, 2017-07-04 Most churches today struggle to answer the same sex relationship debate that is quickly transforming our culture our kids and our churches As a result Christians struggle to demonstrate love and grace to those with same sex attraction That means that more and more people who are looking for truth and a place where they belong are deciding that the church is either indifferent to their struggle or outright hostile to people like them There's a better way the way of hope With deep understanding born from her own painful experiences

Melissa Fisher shows that somewhere between the extremes of condemning and condoning is compassion In this book she aims to equip the church to make a positive difference in the lives of those hurting from relational or sexual brokenness Perfect for pastors parents siblings and friends of the ten million people in America who identify as LGBTQ who long to love them well *Psychology* ,1929
