Dodge, 2019-07-10 The

Shadow Warriors are a proven force in galactic battle but a new threat looms Cal Letty Tony Opi and Sasha were thrust together when they were kidnapped by the Molethian civilization and forced to become a fighter crew to battle against The Horde the most vicious predatory enemy in all the Milky Way galaxy At first only Letty could get along with the rest of them and they basically hated each other However due largely to Letty's efforts they became not only the top fighting crew in the *Shadow Warriors* but also a close family that love and support each other Due to Opi's amazing strategic thinking Letty's organizational skills Sasha's unparalleled ability as a weapons officer Tony's crack talent as a navigator and Cal's icy nerve

as a battle leader they have found a way to defeat two major Horde invasions Opi already becoming the chief strategist for an entire wing of the Molethian space forces decides that an entirely new way of fighting Horde forces must be put in place Her audacious plan is to search a central volume of the Milky Way through which the Horde always travels discover the military bases they have no doubt established and destroy them all She is convinced that a huge base has been built by The Horde on the opposite side of the galaxy very near The Horde s own small galactic home the Dwarf Spheroidal Sagittarius Galaxy In the meantime a third Horde invasion of about 40 000 ships nears Molethan s home planet Using Opi s old strategies Molethian forces manage to destroy it but the new highly capable Horde fighters make this victory far more difficult In addition Tony is reported missing and presumed lost Grieving over Tony whom she loved Opi refuses to succumb to her grief immediately commissioning the search for the other Horde home bases in the Milky Way A search party finds the monstrous Horde base almost 70 000 lightyears across the galaxy Molethan appeals to the other Alliance systems and a major attack on the base is started with Cal the attack leader Things seem to be going well when suddenly in the midst of the battle a new enemy strikes heavily damaging not only Shadow Warriors fighters but also many of the Alliance carriers The fate of the battle hangs on a razor s edge Can the Alliance led by Cal Opi and the rest of their team manage to win over two opponents or are they destined to be destroyed by the combined forces of two enemies *Shadow Warriors: Ambush* Nathan B. Dodge, 2019-01-31 They were kidnapped and forced to fight in an alien space fleet Cal Letty Tony Opi and Sasha were thrust together when they were kidnapped by the alien Molethan civilization and forced to become a fighting unit against The Horde the most vicious predatory enemy in the galaxy At first only Letty could get along with her fellow trainees and largely due to her efforts they became not only the top fighting crew in the Shadow Warriors but also a close unit bound together with love and support Thanks to Opi s amazing strategic thinking Letty s organizational skills Sasha s unparalleled weapons ability Tony s crack talent as a navigator and Cal s icy nerve as a battle leader they found a way to defeat a huge Horde invasion force But since Molethians don t fight their own battles the High Command put no credence in the story of a small Shadow Warrior force destroying an enemy fleet fifty times their size A bungling investigating committee wrongly and vastly underestimated the enemy casualty total and since the commanding officer T Kell suffered many losses she has been returned to the home world of Molethan and put on trial for incompetence The Shadow Warriors are called to testify in their commander s defense Can they save her career They ll need to do it quickly because The Horde has sent out a huge new invasion force If our heroes can t save their commander the Molethan civilization will surely be destroyed Even with Commander T Kell back in command can Opi and her crew pull off another miracle Meanwhile the incompetent High Command threatens to take over the defensive plans and Molethan s top navy commanders may snatch defeat from the jaws of victory *Warrior* Holly S Roberts, The electromagnetic pulses were just the beginning In their wake came the hellhounds vicious relentless creatures that tried to finish what the bombs started and tore through most of humanity

Marinah lost everything when her father died. Once loyal to the Federation, she believed in their mission until their lies shattered her trust. Now branded a traitor and hunted as one of the monsters, Marinah is finally free to become who she was meant to be. King, the ruthless leader of the Shadow Warriors, knows exactly what Marinah is and what she's capable of. Together, they'll take the fight to both the hellhounds and the corrupt Federation, striking from the shadows to give humanity one last shot at survival. President Barnes rules the Federation with fear and control. He wants Marinah, King, and the entire Shadow Warrior resistance wiped from existence before they expose the truth he's desperate to keep buried. And he'll stop at nothing to silence them.

The Shadow Warriors Cameron Judd, 1997. A novel of Unionist Resistance in Tennessee and North Carolina. September 1860-January 1863.

Queen Holly S. Roberts, Marinah walks a razor's edge bound to lead the formidable Shadow Warriors while wrestling with the primal power of her inner beast. As her past clashes with a perilous present, she's forced to carve her own destiny, a path where anything but her instinct spells ruin. Then comes the Federation's calculated attack on their island home, and reveals a nightmare beyond imagination: the island is surrounded by monstrous hellhounds. With every life at risk, Marinah must fight back and shatter the Federation's grip to redefine the future. She has King at her side, but she holds a secret that could destroy them.

My Immortal Protector Jen Holling, 2008-02-26. From acclaimed author Jen Holling comes the captivating and sensual story of Deidra MacKay, a reluctant witch who would do anything to give up her powers until she meets a darkly handsome man who may give her reason to use them. A fiery witch able to communicate with animals, Deidra MacKay longs to relinquish her powers; they bring her nothing but misfortune and danger. So when she learns that years ago her ancestors signed a blood pact with a vampire, cursing the MacKay clan with witchcraft, she presumes that a member of the undead can also take her magic away. So she embarks on a quest to find the one who can hopefully ease her misery. An embittered and crippled Scotsman, Stephen Ross, lives as a recluse, hiding from the world in a dreary castle. But when the intriguing and adorable Deidra arrives at his door, hoping he is a vampire, he is intoxicated and aroused by her company. He joins her on her journey, hoping a vampire's magic might also heal his wounds, and soon finds himself enraptured in the heat of passion with Deidra, an affair that could put both their lives at stake.

My Immortal Promise Jen Holling, 2008-10-28. On the heels of her enchanting and action-packed Romantic Times novel *My Immortal Protector*, acclaimed author Jen Holling returns to a mystical world where the all-too-human desires of rugged Drake MacKay entwine with the icy cunning of one with the power to heal or curse. Drake MacKay is no stranger to the double-edged powers of blood witches. His own niece, Deidra, and his best friend were saved by a *baobhan sith*, Hannah O'Shea, the same spirit who would not heal Drake's dying wife. Nearly consumed by grief and fury, Drake is nevertheless bound by an unholy promise for those she gave life; he has pledged his own. Returning to Hannah's remote isle, Drake is stunned to be released from his obligation. And when he overhears a violent plot stirred up by villagers, he finds himself irresistibly called to warn her and escapes with her into the night. Alive for more than a century, Hannah has found the words of mortal men to
