My Sister Life And Other Poems:

My Sister, Life and Other Poems Борис Леонидович Пастернак, 1976 [My Sister Life and The Zhivago Poems](#) Boris Pasternak, 2012-04-30 Includes the poems written by Iurii Zhivago a character in the novel Doktor Zhivago **A Reading of Life, with Other Poems** George Meredith, 2019-12-11 In A Reading of Life with Other Poems George Meredith invites readers into a contemplative exploration of existence artfully blending lyrical beauty with philosophical inquiry The collection showcases Meredith s mastery of the dramatic monologue and sonnet forms often employing a rich innovative syntax that reflects the complexities of the human experience His poems traverse themes of love nature and mortality revealing an intimate dialogue between the self and the encompassing universe all while situated within the broader Victorian literary context that favored introspection and moral questioning George Meredith 1828 1909 a pivotal figure of the Victorian era was deeply influenced by his diverse background in literature and philosophy His experiences from his early life as a writer and poet to his later engagement in social and political issues shaped his worldview and artistic vision Notably Meredith s own challenges with health and personal relationships imbue his poetry with poignant authenticity and a desire to make sense of life s intricacies through the lens of art This collection is highly recommended for those who appreciate lyrical poetry that reflects deeply on human existence and offers a sophisticated blend of emotion and intellect Meredith s keen observations and innovative style make A Reading of Life a profound addition to the canon of Victorian poetry inviting a reflective reading that resonates with contemporary inquiries into life and beauty **A Hidden Life and Other Poems** George MacDonald, 2019-12-04 In A Hidden Life and Other Poems George MacDonald delves into the intricate tapestry of human emotion and spirituality merging lyrical beauty with profound philosophical inquiry The collection is characterized by its Victorian sensibility rich imagery and a lyrical cadence that resonates with the traditions of romanticism MacDonald s works often reflect themes of nature faith and the eternal search for meaning positioning this collection within the larger context of 19th century poetry that grapples with both personal and universal truths George MacDonald 1824 1905 was a Scottish author poet and theologian whose contributions to fantasy literature and poetry were deeply influenced by his Christian beliefs and a keen observation of the human condition His pioneering role in the genre has often been overshadowed by contemporaries yet his exploration of fantasy and reality sheds light on the moral dilemmas and spiritual quests that define humanity His own struggles with faith and identity undoubtedly informed the poignant themes presented in this collection Readers seeking a lyrical and introspective experience will find A Hidden Life and Other Poems to be a rewarding read MacDonald s ability to illuminate the subtleties of existence and the sacredness of the everyday invites reflection and offers a poignant exploration of the hidden depths of life that resonate even today **Sister My Life** Boris Leonidovich Pasternak, 1967 Poems in English and Russian **My Sister--life** Boris Leonidovich Pasternak, 2001 In Russian poetry Boris Pasternak s My Sister Life is the equivalent of The Waste Land Spring and Harmonium Written in 1917 the cycle

of poems in *My Sister Life* concentrates on personal journeys and loves but is permeated by the tension and promise of the impending October revolution Pasternak is an uncompromisingly complex poetic stylist and his meticulous attention to structure etymology and phonetic qualities of words makes his poetry a formidable challenge for the translator *100 Love Sonnets* Pablo Neruda, 2007 Celebrating the works of a great Chilean poet this collection offers a vibrant translation of Neruda's sensual and erotic poetry Famous for his politically engaged lyrics the Nobel Laureate also wrote bold and sexual sonnets and this compilation captures the spirit and verbal dexterity of the lesser known genre These sonnets from one of the most influential and beloved 20th century poets accompany questions for discussion and lists of recommended readings and related websites

A Reading of Life, Other Poems and The Sentimentalists George Meredith, 2020-09-28 Bibber besotted with scowl of a cur having heart of a deer thou Never to join to thy warriors armed for the press of the conflict Never for ambush forth with the princeliest sons of Achaia Dared thy soul for to thee that thing would have looked as a death stroke Sooth more easy it seems down the lengthened array of Achaians Snatch at the prize of the one whose voice has been lifted against thee Ravening king of the folk for that thou hast thy rule over abjects Else son of Atreus now were this outrage on me thy last one Nay but I tell thee and I do swear a big oath on it likewise Yea by the sceptre here and it surely bears branches and leaf buds Never again since first it was lopped from its trunk on the mountains No more sprouting for round it all clean has the sharp metal clipped off Leaves and the bark ay verify now do the sons of Achaia Guardian hands of the counsels of Zeus pronouncing the judgement Hold it aloft so now unto thee shall the oath have its portent Loud will the cry for Achilles burst from the sons of Achaia Throughout the army and thou chafe powerless though in an anguish How to give succour when vast crops down under man slaying Hector Tumble expiring and thou deep in thee shalt tear at thy heart strings Rage wrung thou that in nought thou didst honour the flower of Achaians

In Plain Sight Alexandra Socarides, 2020-02-06 *In Plain Sight* explores how the poetry of nineteenth century American women that was once so visible within American culture could have with the exception of that by Emily Dickinson so thoroughly disappeared from literary history By investigating erasure not merely as something that was done to these women but as the result of the conventions that once made the circulation of their poetry possible in the first place this volume offers the first book length analysis of the conventions of nineteenth century American women's poetry While each of the chapters focuses on a specific convention taken together they tell the complicated story of nineteenth century American women's poetry tracing the spaces within literary culture where it lived and thrived the spaces from which it was always in the process of

vanishing By reclaiming these conventions as a constitutive part of nineteenth century American women s poetry this book asks readers to take seriously the work these women produced and the role their work might play in remapping American literary history

The Oxford Guide to Literature in English Translation Peter France,2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Boris Pasternak's My Sister - Life Katherine Tiernan O'Connor,1988 Human Aude,2006 Using delicate prose and intense imagery this translation explores the relationship and struggle of the human body and its inner being Completely paralyzed by Lou Gehrig s disease Magali is imprisoned in her own body able to communicate only by blinking her eyes Feeling mentally free but physically trapped she reflects on her past and regards her present physical existence as a prison A relationship formed between Magali and her doctor gives one of them the hope to live and the other the grace to die

The Autobiography of Goethe: Truth and Poetry From My Own Life Johann Wolfgang von Goethe,1882-01-01 It would appear that for inquirers into Foreign Literature for all men anxious to see and understand the European world as it lies around them a great problem is presented in this Goethe a singular highly significant phenomenon and now also means more or less complete for ascertaining its significance A man of wonderful nay unexampled reputation and intellectual influence among forty millions of reflective serious and cultivated men invites us to study him and to determine for ourselves whether and how far such influence has been salutary such reputation merited That this call will one day be answered that Goethe will be seen and judged of in his real character among us appears certain enough His name long familiar everywhere has

now awakened the attention of critics in all European countries to his works he is studied wherever true study exists eagerly studied even in France nay some considerable knowledge of his nature and spiritual importance seems already to prevail there Footnote Witness Le Tasse Drame par Duval and the Criticisms on it See also the Essays in the Globe Nos 55 64 1826 For ourselves meanwhile in giving all due weight to so curious an exhibition of opinion it is doubtless our part at the same time to beware that we do not give it too much This universal sentiment of admiration is wonderful is interesting enough but it must not lead us astray We English stand as yet without the sphere of it neither will we plunge blindly in but enter considerately or if we see good keep aloof from it altogether Fame we may understand is no sure test of merit but only a probability of such it is an accident not a property of a man like light it can give little or nothing but at most may show what is given often it is but a false glare dazzling the eyes of the vulgar lending by casual extrinsic splendour the brightness and manifold glance of the diamond to pebbles of no value A man is in all cases simply the man of the same intrinsic worth and weakness whether his worth and weakness lie hidden in the depths of his own consciousness or be betrumpered and beshouted from end to end of the habitable globe These are plain truths which no one should lose sight of though whether in love or in anger for praise or for condemnation most of us are too apt to forget them But least of all can it become the critic to follow a multitude to do evil even when that evil is excess of admiration on the contrary it will behoove him to lift up his voice how feeble soever how unheeded soever against the common delusion from which if he can save or help to save any mortal his endeavours will have been repaid With these things in some measure before us we must remind our readers of another influence at work in this affair and one acting as we think in the contrary direction That pitiful enough desire for originality which lurks and acts in all minds will rather we imagine lead the critic of Foreign Literature to adopt the negative than the affirmative with regard to Goethe If a writer indeed feel that he is writing for England alone invisibly and inaudibly to the rest of the Earth the temptations may be pretty equally balanced if he write for some small conclave which he mistakenly thinks the representative of England they may sway this way or that as it chances But writing in such isolated spirit is no longer possible

Life, Language, and Poetry

Richard W. Leland, 2024-02-09 About the Book Donald Hall remains one of the most published writers of his time Named Poet Laureate by President George W Bush Hall continued to publish both poetry and prose up to the time of his death in 2018 While his last writing focused mainly on prose Hall will likely be remembered for his undeniable contribution to many different styles and genres of writing He was well known to many if not most of the published poets of his age It remains somewhat of a mystery however that so renowned and published a writer would perpetuate a correspondence of nearly eleven years with someone he never met and could know nothing about It never occurred to me that Donald Hall would respond to my initial letter to him My initial letter to him was chiefly to tell him how much I had admired his poetry how often I had used his poetry in my teaching what some of the issues his most recent poetry raised for me all while wishing him well in his future endeavors I did not expect any response to what

I understood to be a stand alone letter and could not have imagined then that a correspondence so innocently and routinely begun would continue for eleven years All of the letters I wrote to Hall in those eleven years are included in this collection Most of my professional life has been in academia I received a PhD Degree from the University of Minnesota in 1975 the same year I began my tenured teaching at East Stroudsburg University in eastern Pennsylvania Throughout my adult life I have always been a writer though not one who ever prioritized publishing I've written poetry short stories essays and full length plays However my search was always for ever greater authenticity in my own writing and ever greater satisfaction in the authenticity other writers were able to achieve Very few who know me know anything of my life as a writer I am not sure looking back why I persisted and continue to persist in writing but I do know that writing has been a meaningful act in guiding the integrity of my own life When I am alone and at my desk I confront myself I seek an honesty of thought and emotion difficult to find elsewhere But what I have discovered is that in attempting to come ever closer to my own individuality of thought and emotion I paradoxically come closer to thoughts and emotions shared by many That being the case there may be a wider interest in how those thoughts and emotions evolved over the eleven years of a correspondence focused primarily on writing and its inter connection with the challenges of ordinary living You will need to be the judge of that

Far from Nothing Zoltán Böszörményi, 2006 Ripe with love money and power the story of 35 year old Rudolf set in a fast paced urban environment begs the question Do we only think we exist Rudolf and his wife work day and night hoping for a better life he is a philosophy graduate student and the manager of a car dealership He also keeps up a heart wrenching relationship with the chic Wanda Then there is Nina who studies logic but is secretly a prostitute and Alfred owner of a car leasing company seemingly upright but actually an embezzler Each character conceals something Be it in Hungary or North America the craving for existential clarity remains strong

Autobiography: Truth and Fiction Relating to My Life

Иоганн Вольфганг Гёте, 2021-12-02 Autobiography: Truth and Fiction Relating to My Life Johann Wolfgang von Goethe, 2019-11-25 In Autobiography Truth and Fiction Relating to My Life by Johann Wolfgang von Goethe readers are taken on a journey through the life of one of the most influential figures in German literature Goethe's literary style in the autobiography seamlessly blends truth and fiction blurring the lines between reality and imagination This work is not a typical autobiography as Goethe combines real events with fictional elements to craft a narrative that delves deep into his psyche and motivations The book's literary context is essential in understanding Goethe's development as a writer and thinker making it a must read for those interested in German Romanticism and autobiographical literature Through his unique storytelling style Goethe leaves a lasting impact on readers challenging them to question the nature of truth and identity Johann Wolfgang von Goethe a prolific writer and thinker of the 18th century draws from his own experiences and observations to present a nuanced portrayal of his life in this autobiography His deep understanding of human nature and philosophical inquiries can be seen in his intricate narrative shedding light on the complexities of the human condition

Goethe's pursuit of truth and self discovery drives the narrative offering readers a glimpse into the mind of a literary genius I highly recommend Autobiography Truth and Fiction Relating to My Life to readers who appreciate introspective and thought provoking literature Goethe's masterful storytelling and philosophical musings make this autobiography a captivating read for anyone interested in exploring the intersection of truth fiction and identity in literature My Sister--life and A Sublime Malady Boris Leonidovich Pasternak, Mark Rudman, 1983 Boris Pasternak the Nobel laureate and author of the classic Doctor Zhivago composed one of the world's great love poems in My sister life Written in the summer of 1917 the cycle of poems focuses on personal journeys and loves but is permeated by the tension and promise of the impending October Revolution
