My So Called Normal Life:

Crazy Sexy Cancer Tips Kris Carr, 2007-08-01 Actress and photographer Kris Carr thought she had a hangover but a Jivamukti yoga class didn't provide its usual kick ass cure. A visit to her doctor confirmed her liver looked like Swiss cheese covered with cancerous tumors. She entered trench warfare wearing cowboy boots into the MRI machine no less vowing Cancer needed a makeover and I was just the gal to do it. She began writing and filming her journey documenting her interactions with friends, doctors, alternative quacks, blind dates and other women with cancer, sadly a growing group. These include hip young women such as illustrator, author Marisa Acocella Marchetto, Cancer Vixen, Glamour writer, editor Erin Zammett, My So Called Normal Life MTV personality Diem Brown, Real World Road Rules Challenge model Sharon Blynn, founder Bald Is Beautiful and music manager Jackie Farry among others. The Learning Channel broadcast the premiere of Carr's unforgettable documentary Crazy Sexy Cancer on August 29, 2007. CRAZY SEXY CANCER TIPS gathers the lessons learned and advice offered from Carr's own journey as well as the experiences of her cancer posse. Full color photos accompany personal stories and candid revelations in this scrapbook of advice, warnings and resources for the cancer patient. Chapters cover your changing social life, dating, sex and appearance, essential health tips on how to boost your immune system, recipes, medical and holistic resources and information on young survivor support groups. The resulting book is a warm yet informative tool for any woman newly diagnosed with the disease and for those who love them. **Between Living and Dying** Ruth Scott, 2019-09-05 Busy and deeply absorbed in all the complexity of life, Ruth Scott's packed diary suddenly had to be cleared when she was diagnosed with an aggressive form of cancer. She said, "Discovering that life might be shorter than expected or hoped for concentrates the mind wonderfully. Whatever life is left to me, I do not want to waste it." In the final months of her life, in the shadows between living and dying, she learned to live with the extremes of treatments that were as aggressive as the disease and with daily ups and downs that created constant uncertainty. Throughout it all, Ruth creatively explored through insight, literature, poetry and song what life is about and how it should be lived. This book is the result. Here she cuts through all the things in life that we waste our energies on. She explores the depth of life in ways that allow for doubt, absence and uncertainty while also making room for mystery and understanding beyond rational limitations. As she reflects on how we relate or not to each other, to the environment and to the more than me-ness of life, she offers real inspiration for us all. *Surrender* Marylee MacDonald, 2023-02-18 Her young life changed in an instant. Now she shares her story with the child she gave away. Adopted at birth, Marylee's parents told her she was a chosen child. She tried her hardest to make them proud, but her parents' divorce sent her into the comforting arms of a handsome Catholic boy. Convinced that he was her Romeo and she a modern day Juliet, she surrendered to passion. Unfortunately, it was 1961. Pregnant girls were sent away and their babies given up for adoption. Nature vs. nurture: Which plays a greater role in who we become? The family we were raised in or the parents we never knew. In telling her adult son the story of his birth, can the narrator find compassion?

for her own wounded inner child If you like truthful accounts laced with the passion of youth and the wisdom of age read Marylee MacDonald s funny and poignant memoir about how we grow up grow old and learn to accept ourselves
