Living in The Story Charlotte Vaughan Coyle,2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that

paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and unchurched to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible *The Forgotten Manifesto of Jesus* Phil Moore, 2024-11-21 Something remarkable is happening across the Middle East A counter cultural gospel movement is growing disciples of Jesus deep within the heartland of Islam Starting in Iran a radical form of evangelism and discipleship predominantly led by brand new believers has begun to spread across Muslim majority nations Author Phil Moore shares the first hand stories of these courageous Middle Eastern Christians and compares them to the words of Jesus to his seventy two disciples in Luke 10 The striking similarities between their experiences show how this spectacular move of God relies on the same instruction and Spirit as the first followers of Jesus And it does not stop there Phil goes on to share how this gospel movement is now spreading across Europe and North America If you long to see new believers coming to faith in the secular post Christian West too then let the testimonies in *The Forgotten Manifesto of Jesus* show you that with God all things are possible *The Kingdom of God Is among You* Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 *The Illustrated Bible Story by Story* DK, 2024-02-27 The greatest story ever told is explored and explained in unprecedented detail inside this spectacular illustrated family Bible This indispensable best selling Bible incorporates the history of the book the Old Testament the New Testament and a special section on Biblical people and places The stories are retold by experts from all denominations resulting in an absorbing volume designed to educate and entertain readers young and old Key figures are also introduced from Adam and Abraham to Peter and Paul while important sites such as Jericho Jerusalem and Mount Sinai are depicted

alongside photographs and specially commissioned maps to truly set the scene All the most important episodes are brought to life with beautiful illustrations works of art historical artifacts and pull out quotations The Illustrated Bible takes an innovative and inspiring visual approach to this classic book resulting in the only reference you ll ever need for the whole family
