My Story And My Life As An Actre:

My Story and My Life as an Actress Binodini Dāsī, 1998 Autobiographical account of a 19th century Bengali stage actress

Sexual Sites, Seminal Attitudes Sanjay Srivastava, 2004-03-20 Discussions on sexuality in the South Asian context have tended to focus largely on men's preoccupations through notions such as semen anxiety. Another restrictive framework is the excessive importance ascribed to religion in everyday life. The result has been a rather narrow debate on sexuality. By providing accounts of a myriad sites and meanings of sexuality, this remarkable volume broadens the debate on sexuality in South Asia. It combines perspectives from history, anthropology, and cultural and literary studies to provide an interdisciplinary exploration of the cultures of and the multiple meanings and contestations that gather around masculinities and sexualities. The collection is unique in the breadth of its theoretical concerns, its focus on hitherto marginalized sexual identities, and its novel juxtapositions of analyses of colonial discourses with those of postcolonised modernity. *India's Shakespeare* Poonam Trivedi and Dennis Bartholomeusz, Poonam Trivedi, 2005

Wanted Cultured Ladies Only! Neepa Majumdar, 2010-10-01 Wanted Cultured Ladies Only maps out the early culture of cinema stardom in India from its emergence in the silent era to the decade after Indian independence in the mid twentieth century. Neepa Majumdar combines readings of specific films and stars with an analysis of the historical and cultural configurations that gave rise to distinctly Indian notions of celebrity. She argues that discussions of early cinematic stardom in India must be placed in the context of the general legitimizing discourse of colonial improvement that marked other civic and cultural spheres as well, and that vernacular modernist anxieties over the New Woman had limited resonance here. Rather, it was through emphatically nationalist discourses that Indian cinema found its model for modern female identities. Considering questions of spectatorship, gossip, popularity, and the dominance of a star-based production system, Majumdar details the rise of film stars such as Sulochana, Fearless Nadia, Lata Mangeshkar, and Nargis.

You Ask, I Tell Hansa Wadkar, 2014-04-01 The rise to stardom and tragic fall of one of the heroines of Indian film, Hansa Wadkar, born Ratan Bhalchandra, was one of Maharashtra's best-known stage and screen personalities. By the time she was married to a much older family friend and impresario, when she was just 15, she had already starred in nine or ten movies and was becoming a name in the film world. Supporting her family on her earnings, her brother sick with malaria, and both parents having taken to drink, life was not easy for the young woman. But Hansa was not only beautiful and immensely talented; she was tough, wilful, capricious, and headstrong. Her autobiography, *Sangtye Aika*, published in 1970 and translated into English here for the first time, created a sensation for its frankness and boldness. It was later made into a film, *Bhumika*, by the legendary director Shyam Benegal, and starred Smita Patil in the title role. Published by Zubaan.
