John Cassavetes asked journalist Michael Ventura to write a unique film study and an on set diary of the making of his film *Love Streams*. Cassavetes laid out his expectations. He wanted a daring book, a tough book. In Ventura's words, "All I had to do for daring and tough was transcribe this man's audacity day by day." Full of insight into not only the filmmaker but his actors and his Hollywood peers, the resulting book describes the creation of *Love Streams* shot by shot, crisis by crisis. During production, the director learned that he was seriously ill, that this film might as it tragically turned out be his last. Starring alongside actress and wife Gena Rowlands, Cassavetes shot in sequence, reconceiving and revising his film almost nightly in order that *Love Streams* could stand as his final statement. Both an intimate portrait of the man and an insight into his unique filmmaking philosophy, this important text for all movie lovers and film historians documents a heroic moment in the life of a great artist.

Devil's Sexy Candy Zeena Becks, 2023-09-14 Life as the guitarist of a world famous rock band has its perks. Plenty of money. Plenty of attention. And plenty of women. Usually it also means plenty of work, just as Mickey Collins loves it. The less time spent all by himself, the better. Until destiny takes him to Lucy Stewart. She's smart, she's beautiful, and she's the first woman to ever make him fight for her attention. Getting her out of his head is impossible. Falling for her is inevitable. But being with her seems impossible. Not as long as she's still hung up on someone else. Ever since she was twelve years old, Lucy Stewart dreamed about being a nurse, taking care of those in need, bringing a smile onto the faces of everyone around there. Hadn't been a greater joy for her. Until a tragic loss left her with nothing but guilt, grief, and red wine to fill the lonely hours at home. But her whole life is set to change when one of her patients presents her with tickets for the London show of her favourite British rock band, Devil's Entourage. It could have been the best day of Lucy's life. If it wasn't for the brief encounter with the band's guitarist, resulting in a blooming friendship, torn feelings, and too much sexual tension for a woman who is determined to never love again. Will Mickey succeed in leaving his playboy past behind to find true love? And what happens when Lucy has to realise that the man she had sworn to love until her very last breath may not have been as good for her as she had once believed. *Devil's Sexy Candy* is book 5 in the *Devil's Series*, a series following the mates of British rock band Devil's Entourage. The first four books of the series do not have to be read in order to understand and enjoy Mickey and Lucy's story.

Relative Messages Emma Harvey, 2007-09-01 Tarot cards were just little cards with pretty pictures on them, weren't they? All Chloe wanted out of life was to find a tall, dark, handsome man to whisk her off her feet. When she met Mal, that was exactly what happened. Caught up in the first flushes of romance,

Chloe didn't realise that this was no ordinary relationship. This was a relationship where unseen relatives were very busy at work. A story of intrigue, fear, sadness, and loss. All Chloe had ever wanted was to be happy. Happiness wasn't quite what she got. If all things psychic interest you, then this book is for you.
