Violation: Collected Essays Sallie Tisdale, 2016-04-18 Most Anticipated Too The Great 2016 Nonfiction Book Preview The Millions GROUNDBREAKING A career defining book The New Yorker Sallie Tisdale

is the author of seven books on such varied subjects as medical technology her pioneer ancestors and Buddhist women teachers Her many essays have appeared in Harper s Conjunctions The New Yorker Antioch Review Threepenny Review and many other journals This first collection of work spans thirty years and includes an introduction and brief epilogues to each essay Tisdale s questing curiosity pursues subjects from the biology of flies to the experience of working in an abortion clinic why it is so difficult to play sports with men and whether it s possible for writers to tell the truth She restlessly returns to themes of the body the family and how we try to explain ourselves to each other She is unwilling to settle for easy answers and finds the ambiguity and wonder underneath ordinary events The collection includes a recent essay never before published about the mystery of how we present ourselves to each other and whether it is possible to know even our own inner lives

The Collected Essays of Josephine J. Turpin Washington Josephine Turpin Washington, 2019-02-01 Newspaper journalist teacher and social reformer Josephine J Turpin Washington led a life of intense engagement with the issues facing African American society in the post Reconstruction era This volume recovers numerous essays many of them unavailable to the general public until now and reveals the major contributions to the emerging black press made by this Virginia born Howard University educated woman who clerked for Frederick Douglass and went on to become a writer with an important and unique voice Written between 1880 and 1918 the work collected here is significant in the ways it disrupts the nineteenth century African American literary canon which has traditionally prioritized slave narratives It paves the way for the treatment of race and gender in later nineteenth century African American novels and engages Biblical scriptures and European and American literatures to support racial uplift ideology It also articulates shrewdly the aesthetic needs and responsibilities necessary for the black press to establish a reputable literary sphere Part of a vibrant movement in recent scholarship to reclaim writings of nineteenth century African American women writers this expertly edited and annotated collection represents not only a valuable scholarly resource but a powerful example of the determination of a southern black woman to inspire others to improve their own lives and those of all African Americans
