When Luke Callahan learns that he is the legitimate heir to a dukedom, he will stop at nothing to claim what is his. But first he must begin a game of disguise to secure his rightful inheritance. Janice isn't part of his plan. But by engaging her in this dance of deception, might he lose her forever?

The Dream Girls Janice Hunter, 2008-06. The universe works in mysterious ways. Five women of very different ages from very different walks of life. Five women with nothing in common, nothing except the universal bond of womanhood and their mutual interest in dream analysis. An unlikely group for the universe to bring together. They'd first met at a conference on dream interpretation and discovered they lived within a few minutes' drive of each other. They decided to form a group and meet on a regular basis to continue their study and discussion of dreams. Little did they know how that one weekend would change their lives. Four years and countless pots of tea later, The Dream Girls, as they'd christened themselves, were the closest of friends. Proof the universe knew what it was doing. Author's website.
