Rising Ground Philip Marsden,2016-03-25 The travel writer and Cornwall native explores his home on a journey by foot to Land s End in this fascinating and hauntingly evocative memoir Literary Review A Guardian Financial Times Observer and Scotsman Book of the Year In 2010 Philip Marsden moved with his family to a rundown farmhouse in Cornwall England From the moment he arrived Marsden was fascinated by the landscape and the traces of human history all around him Wanting to experience the place more fully he set out to walk across Cornwall to the evocatively named Land s End Rising Ground is a record of that journey but it is also so much more a beautifully written meditation on place nature and human life that encompasses history archaeology geography and the love of place that suffuses us when we finally find home Firmly in a storied tradition of English nature writing that stretches from Gilbert White to Helen MacDonald Rising Ground reveals the ways that places and peoples have interacted over time from standing stones to footpaths ancient habitations to modern highways What does it mean to truly live in a place and what does it take to understand and honor those who lived and died there long before we arrived A fascinating study of place and its meaning Observer UK **British Pixies** John Kruse,2021-04-30 The pixies are the faery folk of the South West of England by which I mean Cornwall Devon and the

western part of Somerset essentially Exmoor the Quantocks and the Blackdown Hills Beyond this area moving into northern and eastern Somerset and into Dorset it is far more common to speak of fairies Pixies came to wider attention through the work of a handful of authors Before that they had been well known within the south west and local people had speculated about their origins over centuries **Whitaker's Cumulative Book List** ,1983 [Having It All](#) Sarah Jane Butfield,2022-09-14 Having it all but at what cost for a career nurse and devoted mother When one of my early mentors suggested that my nursing qualification as a Registered General Nurse would be my ticket to Having It All I could not envisage what that would mean for me As a nurse and a woman who intended to have a family I did not think too far ahead and any thoughts on how it would manifest itself in relation to my nursing career were limited to family friendly options However this phrase became embedded in my subconscious and would end up influencing my goals dreams and aspirations both personally and professionally For me having it all was not based on greed or a materialistic wish list instead it described the tight rope walk that was my life a finely balanced juggling act between my career and my family The truth was that I had survived a period in my life that physically and emotionally pushed me to the edge and I was literally saved by the deep seated love for my children Now as I looked forward there was a ray of light beckoning and telling me it was time to start over Might this be my happy ever after at last **The Darker Side of Faery** John Kruse,2021-09-19 There is a distinct tendency today to assume that faery kind are friendly and helpful towards us humans The evidence of over one thousand years experience preserved in British folk tradition tells a very different story British faeries are like humans selfish greedy violent and cruel What makes things worse of course is the fact that they have magical powers too This book deliberately focuses upon only the darker side of faery how their magic can be used to trick and steal from us how they will attack and abduct us how we can offend them and how they can make us ill **The British National Bibliography** Arthur James Wells,2003 **The Cumulative Book Index** ,1970 A world list of books in the English language **Soul Feathers** Carol Ann Duffy,2011 *Cornwall (Slow Travel)* Kirsty Fergusson,2015-03-13 Many of Cornwall s wildest or most curious corners as well as the exciting new range of places to eat sleep or drink are often overlooked in the headlong race to get to the beach or the well known tourist spots Taking the Slow approach using local knowledge and the author s endless curiosity this guide offers both visitors and seasoned residents alike the chance to discover what lies behind the immediate and obvious attractions of Britain s favourite holiday destination **Quarry and Surveyors' and Contractors' Journal** ,1920 **The Last Ride** Nick Louth,2024-11-07 What happened to the missing victim On a midsummer s night a stolen car packed with teenagers crashes at high speed on the southern edge of Bodmin Moor in Cornwall DI Jan Talantire arrives at the scene to find the victims of the crash It appears to be a tragic accident until a worried mother turns up at the scene of the accident Her daughter Jade a friend of the joyriders hasn t been seen since the previous night The account dovetails with the statement of the householder who claimed to see a girl running near the crashed vehicle the moment he emerged Was Jade

in the car with her friends when it crashed and if she was why did she flee And where is she now A tense and gripping detective novel Perfect for fans of Elly Griffiths and Sally Rigby
