Possessions Of A Lady:

American Gothic Literature Ruth Bienstock Anolik, 2018-12-14 American Gothic literature inherited many time worn tropes from its English Gothic precursor along with a core preoccupation anxiety about power and property Yet the transatlantic journey left its mark on the genre the English ghostly setting becomes the wilderness haunted by spectral Indians The aristocratic villain is replaced by the striving independent young man The dispossession of Native Americans and African Americans adds urgency to traditional Gothic anxieties about possession The unchanging role of woman in early Gothic narratives parallels the status of American women even after the Revolution Twentieth century Gothic works offer inclusion to previously silent voices including immigrant writers with their own cultural traditions The 21st century unleashes the zombie horde the latest incarnation of the voracious American **Spirit Possession in Buddhist Southeast Asia**

Bénédicte Brac de la Perrière , Peter A. Jackson, 2022-03-31 In dramatic contrast to the reported growing influence of doctrinal and fundamentalist forms of religion in some parts of Southeast Asia the predominantly Buddhist societies of the region are witnessing an upsurge of spirit possession cults and diverse forms of magical ritual This is found in many social strata including the urban poor rising middle classes and elite groups and across the different political systems of Myanmar Thailand Cambodia and Vietnam This volume reveals both the central historical place of spirit possession rituals in the Buddhist cultures of mainland Southeast Asia and their important contemporary roles to enhance prosperity and protection This book examines the increasing prominence of spirit mediumship and divination across the region by exploring the interplay of neoliberal capitalism visual media the network cultures of the Internet and the politics of cultural heritage and identity It advances beyond critiques of the secularization and disenchantment theses to explore the processes of modernity that are actively producing magical worldviews and stimulating the rise of spirit cults As such it not only challenges the assumptions of modernization theory but demonstrates that the cults in question are novel ritual forms that emerge out of inherently modern conditions Lady's Realm , 1905 **The Lady's Monthly Museum** , 1808 Jury Selection V.
