

MOTHER LOVE AND THE POWER OF FEAR

A painting of a woman with dark hair, wearing a dark dress, holding a baby. The woman's face is partially obscured by the baby's head. The baby is wearing a light-colored, possibly white, garment. The background is dark and textured. The title 'A POTENT SPELL' is overlaid in large, white, bold, sans-serif capital letters. The word 'A' is smaller and positioned above 'POTENT'.

Potent Spell Mother Love And The Power Of Fear:

Potent Spell: Mother Love and the Power of Fear Janna Malamud Smith, 2004-06-01 An intriguing exploration of the psychology of mothering A Potent Spell demonstrates how a mother's deep abiding drive to protect and care for a child has created a profound and often exploited vulnerability in women With historical evidence interviews and personal experience the psychotherapist Janna Malamud Smith brings a rich sensibility and rare intelligence to this subject No mother will be a stranger to the guilt fear and worry surrounding the effort to keep her child safe Smith centers her book on these rip tide emotions and their manipulation by American society and media Groundbreaking and thoroughly illuminating A Potent Spell should cast a beacon upon a history of prejudice and bad science San Francisco Chronicle **A Potent Spell** Janna Malamud Smith, 2004-06-08 Every parent has felt that certain dread your toddler gets lost in the mall your teenager isn't home by curfew your third grader walks to school alone The psychotherapist Janna Malamud Smith rigorously argues that fear of child loss has the keenest effect on mothers and has proven to be a powerfully underrated motivation for them throughout history Bearing the brunt of responsibility for keeping children safe and healthy mothers constantly accommodate to the need to be vigilant Their fears make them vulnerable in many ways affecting their daily lives in the workplace at home and within the social hierarchy Smith takes the long view of this phenomenon uncovering a buried message to mothers in advice books from the days of the Puritans to the present in medicine and psychology in art and literature It is a history brimming with mothers' stories from ancient times to today Like Arlie Hochschild's *The Second Shift* and Ann Crittenden's *The Price of Motherhood* A Potent Spell confirms women's real experience of motherhood in America **You're Wearing That?** Deborah Tannen, 2006-01-24 Deborah Tannen's 1 New York Times bestseller *You Just Don't Understand* revolutionized communication between women and men Now in her most provocative and engaging book to date she takes on what is potentially the most fraught and passionate connection of women's lives the mother daughter relationship It was Tannen who first showed us that men and women speak different languages Mothers and daughters speak the same language but still often misunderstand each other as they struggle to find the right balance between closeness and independence Both mothers and daughters want to be seen for who they are but tend to see the other as falling short of who she should be Each overestimates the other's power and underestimates her own Why do daughters complain that their mothers always criticize while mothers feel hurt that their daughters shut them out Why do mothers and daughters critique each other on the Big Three hair clothes and weight while longing for approval and understanding And why do they scrutinize each other for reflections of themselves Deborah Tannen answers these and many other questions as she explains why a remark that would be harmless coming from anyone else can cause an explosion when it comes from your mother or your daughter She examines every aspect of this complex dynamic from the dark side that can shadow a woman throughout her life to the new technologies like e mail and instant messaging that are transforming mother daughter communication Most important she

helps mothers and daughters understand each other the key to improving their relationship With groundbreaking insights pitch perfect dialogues and deeply moving memories of her own mother Tannen untangles the knots daughters and mothers can get tied up in Readers will appreciate Tannen s humor as they see themselves on every page and come away with real hope for breaking down barriers and opening new lines of communication Eye opening and heartfelt You re Wearing That illuminates and enriches one of the most important relationships in our lives Tannen analyzes and decodes scores of conversations between moms and daughters These exchanges are so real they can make you squirm as you relive the last fraught conversation you had with your own mother or daughter But Tannen doesn t just point out the pitfalls of the mother daughter relationship she also provides guidance for changing the conversations or the way that we feel about the conversations before they degenerate into what Tannen calls a mutually aggravating spiral a self perpetuating cycle of escalating responses that become provocations The San Francisco Chronicle **Perfect Madness** Judith

Warner,2006-02-07 A lively and provocative look at the modern culture of motherhood and at the social economic and political forces that shaped current ideas about parenting What is wrong with this picture That s the question Judith Warner asks in this national bestseller after taking a good hard look at the world of modern parenting at anxious women at work and at home and in bed with unhappy husbands When Warner had her first child she was living in Paris where parents routinely left their children home with state subsidized nannies to join friends in the evening for dinner or to go on dates with their husbands When she returned to the States she was stunned by the cultural differences she found toward how people think about effective parenting in particular assumptions about motherhood None of the mothers she met seemed happy instead they worried about the possibility of not having the perfect child panicking as each developmental benchmark approached Combining close readings of mainstream magazines TV shows and pop culture with a thorough command of dominant ideas in recent psychological social and economic theory Perfect Madness addresses our cultural assumptions and examines the forces that have shaped them Working in the tradition of classics like Betty Friedan s The Feminine Mystique and Christopher Lasch s The Culture of Narcissism and with an awareness of a readership that turned recent hits like The Bitch in the House and Allison Pearson s I Don t Know How She Does It into bestsellers Warner offers a context in which to understand parenting culture and the way we live as well as ways of imagining alternatives actual concrete changes that might better our lives **Shadow Mothers** Cameron Lynne Macdonald,2011-02-09 Shadow Mothers shines new light on an

aspect of contemporary motherhood often hidden from view the need for paid childcare by women returning to the workforce and the complex bonds mothers forge with the shadow mothers they hire Cameron Lynne Macdonald illuminates both sides of an unequal and complicated relationship Based on in depth interviews with professional women and childcare providers immigrant and American born nannies as well as European au pairs Shadow Mothers locates the roots of individual skirmishes between mothers and their childcare providers in broader cultural and social tensions Macdonald argues that

these conflicts arise from unrealistic ideals about mothering and inflexible career paths and work schedules as well as from the devaluation of paid care work

The Noonday Demon Andrew Solomon, 2011-11-16 The Noonday Demon is Andrew Solomon's National Book Award winning bestselling and transformative masterpiece on depression the book for a generation elegantly written meticulously researched empathetic and enlightening Time now with a major new chapter covering recently introduced and novel treatments suicide and anti depressants pregnancy and depression and much more The Noonday Demon examines depression in personal cultural and scientific terms Drawing on his own struggles with the illness and interviews with fellow sufferers doctors and scientists policy makers and politicians drug designers and philosophers Andrew Solomon reveals the subtle complexities and sheer agony of the disease as well as the reasons for hope He confronts the challenge of defining the illness and describes the vast range of available medications and treatments and the impact the malady has on various demographic populations around the world and throughout history He also explores the thorny patch of moral and ethical questions posed by biological explanations for mental illness With uncommon humanity candor wit and erudition award winning author Solomon takes readers on a journey of incomparable range and resonance into the most pervasive of family secrets His contribution to our understanding not only of mental illness but also of the human condition is truly stunning

A Potent Spell Janna Malamud Smith, 2003 A psychotherapist explores the significant impact of the fear of child loss on mothers throughout history revealing how such feelings affect mothers lives at home in the workplace and in the social hierarchy

Maternal Theory Andrea O'Reilly, 2021-07-08 Theory on mothers mothering and motherhood has emerged as a distinct body of knowledge within Motherhood Studies and Feminist Theory more generally This collection The Second Edition of Maternal Theory Essential Readings introduces readers to this rich and diverse tradition of maternal theory Composed of 60 chapters the 2nd edition includes two sections the first with the classic texts by Adrienne Rich Nancy Chodorow Sara Ruddick Alice Walker Barbara Katz Rothman bell hooks Sharon Hays Patricia Hill Collins Audre Lorde Daphne de Marneffe Judith Warner Patrice diQinizio Susan Maushart and many more The second section includes thirty new chapters on vital and new topics including Trans Parenting Non Binary Parenting Queer Mothering Matricentric Feminism Normative Motherhood Maternal Subjectivity Maternal Narratology Maternal Ambivalence Maternal Regret Monstrous Mothers The Migrant Maternal Reproductive Justice Feminist Mothering Feminist Fathering Indigenous Mothering The Digital Maternal The Opt Out Revolution Black Motherhoods Motherlines The Motherhood Memoir Pandemic Mothering and many more Maternal Theory is essential reading for anyone interested in motherhood as experience ideology and identity

Mother Outlaws Andrea O'Reilly, 2004-05-13 Feminist scholars of motherhood distinguish between mothering and motherhood and argue that the latter is a patriarchal institution that is oppressive to women Few scholars however have considered how mothering as a female defined and centred experience may be a site of empowerment for women This collection is the first to do so Mother Outlaws examines how mothers imagine and implement theories and practices of

mothering that are empowering to women Central to this inquiry is the recognition that mothers and children benefit when the mother lives her life and practices mothering from a position of agency authority authenticity and autonomy *The Mommy Brain* Katherine Ellison,2006-04-11 Generations of mothers have been told and believed that having a baby means checking their own brains at the delivery room door The Mommy Brain usually refers to a head full of feeding times soccer schedules and nursery rhymes at the expense of creative or challenging ideas But recent scientific research paints a dramatically different and far rosier picture Journalist Katherine Ellison draws on cutting edge neuroscience research to demonstrate that contrary to long established wisdom that having children dumbs you down raising children may make moms smarter From enhanced senses in pregnancy and early motherhood to the alertness and memory skills necessary to manage like a pro to a greater aptitude for risk taking and a talent for empathy and negotiation these advantages not only help mothers in raising their children but in their work and social lives as well Filled with lively and often hilarious stories of multitasking moms at home and on the job The Mommy Brain encourages all of us to cast aside conventional thinking and discover the positive ways in which having children changes mothers brains for the better *Mothers, Mothering and Motherhood Across Cultural Differences - A Reader* Andrea O'Reilly,2014-05-01 Mothers Mothering and Motherhood across Cultural Differences the first ever Reader on the subject matter examines the meaning and practice of mothering motherhood from a multitude of maternal perspectives The Reader includes 22 chapters on the following maternal identities Aboriginal Adoptive At Home Birth Black Disabled East Asian Feminist Immigrant Refugee Latina Chicana Poor Low Income Migrant Non Residential Older Queer Rural Single South Asian Stepmothers Working Young Mothers and Mothers of Adult Children Each chapter provides background and context examines the challenges and possibilities of mothering motherhood for each group of mothers and considers directions for future research The first anthology to provide a comprehensive examination of mothers mothering motherhood across diverse cultural locations and subject positions the book is essential reading for maternal scholars and activists and serves as an ideal course text for a wide range of courses in Motherhood Studies **This Is Not How I Thought It Would Be** Kristin Maschka,2009-10-06 An important look at motherhood and family dynamics in the 21st century by the national spokesperson of Mothers More Kristin Maschka past president of Mothers More a national organization with more than 140 chapters across the country shines a spotlight on the complex issues mothers face at work in their homes their lives and with their partners and shows how the hidden assumptions that society the media public policy and women themselves hold about motherhood can sabotage a mother s happiness Maschka weaves together her own story anecdotes from mothers all over the country and a deep knowledge of history and society to offer mothers a comforting often funny read that helps them see themselves and the world around them in a whole new way At the same time she provides specific actions women can take today to remodel motherhood to live the lives they always thought they would **Ordinary Insanity** Sarah Menkedick,2020-04-07 A groundbreaking expos and diagnosis of the silent

epidemic of fear afflicting new mothers and a candid feminist deep dive into the culture science history and psychology of contemporary motherhood Anxiety among mothers is a growing but largely unrecognized crisis In the transition to motherhood and the years that follow countless women suffer from overwhelming feelings of fear grief and obsession that do not fit neatly within the outmoded category of postpartum depression These women soon discover that there is precious little support or time for their care even as expectations about what mothers should do and be continue to rise Many struggle to distinguish normal worry from crippling madness in a culture in which their anxiety is often ignored normalized or most dangerously seen as taboo Drawing on extensive research numerous interviews and the raw particulars of her own experience with anxiety writer and mother Sarah Menkedick gives us a comprehensive examination of the biology psychology history and societal conditions surrounding the crushing and life limiting fear that has become the norm for so many Woven into the stories of women s lives is an examination of the factors such as the changing structure of the maternal brain the ethically problematic ways risk is construed during pregnancy and the marginalization of motherhood as an identity that explore how motherhood came to be an experience so dominated by anxiety and how mothers might reclaim it Writing with profound empathy visceral honesty and deep understanding Menkedick makes clear how critically we need to expand our awareness of compassion for and care for women s lives

You Never Call! You Never Write! Joyce Antler,2007-04-02 In *You Never Call You Never Write* Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother Whether drawn as self sacrificing or manipulative in countless films novels radio and television programs stand up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children Antler traces the odyssey of this compelling personality through decades of American culture She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama a sentimental figure popularized by entertainers such as George Jessel Al Jolson and Sophie Tucker and especially by Gertrude Berg whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe s words detailing many variations on this negative theme from Philip Roth s Portnoy s Complaint and Woody Allen s Oedipus Wrecks to television shows such as *The Nanny* *Seinfeld* and *Will and Grace* But she also uncovers a new counter narrative leading feminist scholars and stand up comediennes to see the Jewish Mother in positive terms Continually revised and reinvented the Jewish Mother becomes in Antler s expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large A joy to read *You Never Call You Never Write* will delight anyone who has ever known or been nurtured by a Jewish Mother and it will be a special source of insight for modern parents As Antler suggests in many ways we are all Jewish Mothers today
