

ROSENBERGS DIE

Pair Executed for Atom Spying

END OF TRAIL—Summons to death in electric chair came swiftly for Atom Spies Ethel and Julius Rosenberg after they were indicted and pleasantry was refused.

Supreme Court and Eisenhower Reject Couple's Last Pleas

OSWENING, N.Y., June 19 — Atom Spies Julius and Ethel Rosenberg died in Sing Sing Prison's electric chair shortly before sundown today. The executions followed quickly after the Supreme Court set aside a stay of execution granted Wednesday by Justice William O. Douglas and President Eisenhower's refusal to grant them clemency.

SING SING PRISON, N.Y., June 19 (AP) — Atom Spies Julius and Ethel Rosenberg were ordered electrocuted late today for betraying their country's secrets to Russia and threatening the lives of millions by bringing the world closer to an atomic war.

The Justice Department set the time for the doomed couple's death in Sing Sing Prison's electric chair after a day of suspense in which the U.S. Supreme Court denied their final appeals and President Eisenhower again refused executive clemency.

Warden William Dumas announced that the husband and wife espionage team would be put to death in the pre-walled privacy death chamber "before sundown," which comes at 8:00 p.m. (EST) today at Sing Sing. Later he said the first execution would come at 8 p.m. EST, with the second a few minutes later.

Speed Them Together

The Jewish faithists' plans at sundown, and the plan to execute the couple before that time, instead of at the traditional 11 a.m., were announced after the prison warden said he would ask the Rosenbergs if they wanted to request a delay until tomorrow night.

The Rosenbergs spent their last afternoon together and then ate a dinner of regular prison fare—hard-boiled

The Press, the Rosenbergs, and the Cold War John Neville, 1995-09-26 This book is a study of cold war agenda setting in relation to the Julius and Ethel Rosenberg spy case Its primary interest is with press coverage of the case from 1950 to 1953 although the historical focus of the case extends before and beyond those years The purpose of the book is not to debate the Rosenbergs guilt or innocence but rather to provide a fresh view of the case in its most political terms news coverage filtered through the dynamics of cold war patriotism A large sample of U S and foreign newspapers and magazines was monitored to determine if the Rosenbergs were victims of sensational pretrial and during trial newspaper publicity Neville also determines if the press reported on the claims of a U S left wing newspaper the National Guardian that the Rosenbergs were framed by the U S government with the complicity of the news media His conclusions question whether the mainstream press and news media ignore issues of justice for radicals in time of war and political crisis

Secret Agents

Marjorie Garber, Rebecca Walkowitz, 2013-10-18 When the American Bar Association recreated the trial of Ethel and Julius Rosenberg on the fortieth anniversary of their execution the jury acquitted the mock Rosenbergs finding that in today's courts they would not have been convicted of espionage The 1950s trial of the Rosenbergs on charges of Atomic Spying and stealing the secrets of the Atomic bomb was a major event of Cold War America galvanizing public opinion on all sides of the question Secret Agents presents essays by lawyers cultural critics social historians and historians of science as well as a reconsideration of the Rosenbergs by their younger son Robert Meeropol Secret Agents gives new resonance to a history we have for too long been willing to forget **FBI File**, 2017 Julius and Ethel Rosenberg were a nondescript couple accused in 1950 by the U S government of operating a Soviet spy network and giving the Soviet Union plans for the atomic bomb The trial of the Rosenbergs which began in March 6 1951 became a political event of greater importance than any damage they may have done to the United States It was one of the most controversial trials of the twentieth century After months in prison the Rosenbergs maintained their innocence and began to write poignant letters which were widely published protesting their treatment A movement began to protest the injustice of the Rosenberg trial In the months between the sentencing and execution criticism of the trial grew more strident and major demonstrations were held Jean Paul Sartre the French philosopher called the case a legal lynching which smears with blood a whole nation In spite of attempts at appeal and a temporary stay of execution by U S Supreme Court Justice William O Douglas Julius and Ethel Rosenberg were executed on June 19 1953 Both refused to confess Their guilt and the harshness of their sentences continue to be vigorously debated Recent studies of the couple's activities show that the evidence against them was overwhelming It is difficult however to imagine the execution of a married couple with young children without understanding the paranoia the Cold War produced Since the early 1950s the Rosenbergs have been viewed by many as martyrs conveniently sacrificed by an iniquitous United States in the name of anticommunism *Julius and Ethel Rosenberg* United States. Federal Bureau of Investigation, 2007-12 Julius and Ethel Rosenberg The FBI Files contains the actual original and declassified criminal investigation summary related to Julius and Ethel Rosenberg who were convicted of espionage The atomic bomb spies were executed on June 19 1953 at Sing Sing Prison Ossining New York This publication is being published and made available now for the first time in a paperback book edition for those interested in the history related to the case of Julius and Ethel Rosenberg *The Rosenbergs - Victims of Their Time?* Robert Schwanitz, 2007-10 Seminar paper from the year 2003 in the subject American Studies Culture and Applied Geography grade 1.0 Ruhr University of Bochum Fakultät für Amerikanistik Anglistik course Jewish Immigrant Culture 9 entries in the bibliography language English abstract Despite of having fought together against the Axis powers the Soviet Union and the US faced a clash of two totally different systems Capitalism versus Communism In his famous speech on March 3rd 1946 Winston Churchill the Prime Minister of Britain declared the Iron Curtain had gone down between the East and the West marking the beginning of the Cold War From that point on the two hegemonic countries

in this conflict the US and the Soviet Union would watch each other's steps very closely. The US had one major military advantage though and that was the Atomic bomb. With the dropping of this weapon on Hiroshima and Nagasaki in Japan in August 1945, the world had to recognize the US as the first Atomic power in world history. In 1949 it was a shock to the US that the Soviet Union also had its first test of an Atomic bomb and therefore had to be recognized as an Atomic power. The politicians and the public had believed in the optimistic predictions of some scientist that the Soviet Union would at least need another twenty years to obtain Atomic weaponry. There had also been other voices but the picture of the incapable Soviets fit better into the opinion of the US public during the time. The explanation for this misapprehension was not the failure of the experts but that the Soviets had obtained the knowledge through help from outside through help from communist sympathizers inside the US. This is where the tragedy of the Rosenbergs begins. Julius and Ethel Rosenberg were executed on June 19th 1953 on the electric chair. They had been accused of a conspiracy to commit espionage. They left behind two orphaned sons and many questions to be asked. Was it an objective trial based on the principals? We are Your Sons Robert Meeropol, Michael Meeropol, 1986

The Testament of Ethel and Julius Rosenberg Ethel Rosenberg, Julius Rosenberg, 1954

Executing the Rosenbergs Lori Clune, 2016-04-08

In 1950 Julius and Ethel Rosenberg were arrested for allegedly passing information about the atomic bomb to the Soviet Union, an affair FBI Director J. Edgar Hoover labeled the crime of the century. Their case became an international sensation inspiring petitions, letters of support, newspaper editorials and protests in countries around the world. Nevertheless the Rosenbergs were executed after years of appeals making them the only civilians ever put to death for conspiracy related activities. Yet even after their executions protests continued. The Rosenberg case quickly transformed into legend while the media spotlight shifted to their two orphaned sons. In *Executing the Rosenbergs* Lori Clune demonstrates that the Rosenberg case played a pivotal role in the world's perception of the United States. Based on newly discovered documents from the State Department Clune narrates the widespread dissent against the Rosenberg decision in 80 cities and 48 countries. Even as the Truman and Eisenhower administrations attempted to turn the case into pro democracy propaganda, U.S. allies and potential allies questioned whether the United States had the moral authority to win the Cold War. Meanwhile the death of Stalin in 1953 also raised the stakes of the executions without a clear hero and villain the struggle between democracy and communism shifted into morally ambiguous terrain. Transcending questions of guilt or innocence Clune weaves the case and its aftermath into the fabric of the Cold War revealing its far reaching global effects. An original approach to one of the most fascinating episodes in Cold War history. *Executing the Rosenbergs* broadens a quintessentially American story into a global one.

Final Verdict Walter Schneir, 2010-11-03 A new narrative of the famed case that finally solves its remaining mysteries by the author of the bestselling *Invitation to an Inquest* Walter and Miriam Schneir's 1965 bestseller *Invitation to an Inquest* was among the first critical accounts of the controversial case of Julius and Ethel Rosenberg famously executed in 1953 for passing atom bomb secrets to Soviet Russia In *Invitation* the Schneirs presented exhaustive and damning evidence that key witnesses in the trial had changed their stories after coaching from prosecutors and that the FBI had forged evidence The conclusion was unavoidable The Rosenbergs were innocent But were they Thirty years after the publication of *Inquest* Walter Schneir was back on the case after bits and pieces of new evidence started coming to light much of it connecting Julius Rosenberg to Soviet espionage Over more than a decade Schneir continued his search for the truth meeting with former intelligence officials in Moscow and Prague and cross checking details recorded in thousands of government documents The result is an entirely new narrative of the Rosenberg case The reality Schneir demonstrates is that Rosenbergs ended up hopelessly trapped prosecuted for atomic espionage they didn't commit but unable to admit earlier espionage activities during World War II As it happened Julius Rosenberg was only marginally involved in the atomic spy ring he was depicted as leading while Ethel critically was not at all involved The two lied when they contended they knew nothing about espionage Ethel knew about it and Julius had practiced it but the government's contention that they had stolen the secret of the atom bomb was critically and fatally flawed

The Brother Sam Roberts, 2014-09-16 *The Brother* now discloses new information revealed since the original publication in 2003 including an admission by his sons that Julius Rosenberg was indeed a Soviet spy and a confession to the author by the Rosenbergs co-defendant Sixty years after their execution in June 1953 for conspiring to steal atomic secrets Julius and Ethel Rosenberg remain the subjects of great emotional debate and acrimony The man whose testimony almost single handedly convicted them was Ethel Rosenberg's own brother David Greenglass who recently died Though the Rosenbergs were executed Greenglass served a mere ten years in prison after which with a new name he disappeared But journalist Sam Roberts found Greenglass and then managed to convince him to talk about everything that had happened Amazon.com
