Home Words Mavis Reimer, 2009-08-01 The essays in *Home Words* explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children's literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children's and national literatures *Home Words* reconfigures the field of Canadian children's literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children's literature

Krishna's Kiss Varalotti Rengasamy, 2021-02-21 The great Lord the Flautist Krishna has come down to kiss us We cover our cheeks with our hands We do not want His kiss We want something else an iPhone a larger house promotion pay hike oh it's a long list Lord Krishna gave Bhagavad Gita to us only to prepare us for His kiss The kind Lord almost whispered Bhagavad Gita in your ears Why Only to remove your hands from your cheeks So that He can

kiss you with His beautiful lips I beg of you dears please remove your hands Once you taste His kiss everything else in the world will be insipid And that kiss can even transform an ugly frog into a handsome prince But once you taste that kiss you will never want to become a prince You will rather be a frog living in filth waiting for that kiss for all eternity The name Bhagavad Gita has been translated as The Divine Song Or The Song Celestial Or as The Song of Love Personally I will prefer to translate it as Krishna s Kiss Can you think of something better This is not a religious book but a book that will usher in a new religion a religion of love Lalitha Shivaguru Reviewer **Ganagita** Questa Lagall,2024-09-02 Beyond belief in parts and totally compelling this unique take on love has delivered an unstoppable read Legall has captured something special almost mystical A remarkable life story of love and loss across continents and cultures When an Australian woman meets an Indian doctor their lives become inextricably bound together with an exceptional devotion that overcomes diverse challenges across the years surpassing even death In a life far from ordinary the couple move between Australia and India in their quest for happiness embracing the opportunities that both cultures present and contending with the difficulties of personal health differing traditions and even legal corruption India is revealed in all its contradictory facets colourful beautiful peaceful and timeless yet corrupt and dangerous Riches and poverty are side by side and to Western eyes its people can seem both extraordinarily benevolent and frighteningly pitiless In a memoir that moves easily between fast paced suspense sombre reflection and a deep insight into the true nature of love this book is testament to the resilience and generosity of the human spirit at its finest The Storymakers ,2000 Explore the lives of 83 of the most talented children s authors writing today Told in the authors own words these lively biographies describe the creative process and offer advice to today s young writers Learn how they crate wonderful books where they get their ideas what their desks look like and what their favourite books were when they were growing up **Quiet Gardens** Susan Bowden-Pickstock,2009-06-11 Quiet Gardens is an exploration of horticulture as a medium for meaning and for spirituality In an increasingly secular age when absolute values are taboo political correctness reigns supreme and our lives orbit Planet Consumer we need experiences to balance the emphasis on material acquisitions Internationally tensions are running high in the global village and environmental issues are at the top of the agenda The shadow of terrorism emphasises ideological differences but it also draws together those living underneath it inter faith and ecological conversations have become necessities rather than luxuries In this climate with the yearning for experience and our new understanding of collective responsibility the spiritual dimension can flourish but the desire to pursue the spiritual manifests itself not in traditional or institutionalised religion but in new ways This book describes a journey that seeks to re investigate mankind s relationship with nature and through this an understanding of what is spiritual The Bible begins with the story of creation and of God walking with the man and the woman in the garden in the cool of the day For many enjoying and or making a garden is both a connection with the wider environment and a link to that which is beyond ourselves and the book includes a section on the Christian charity the Quet Garden Trust featuring

some of its unusual and remarkable gardens From conversations with three leading garden thinkers and creators Charles Jencks Beth Chatto and Sir Roy Strong the journey takes us on a path of exploration and discovery via Buddhist Ba hai and Islamic gardens to the making of an inter faith garden which won a medal at the Chelsea Flower Show It shows us that the relationship between meaning spirituality and horticulture transcends cultural and religious differences and offers hope for the future

Indian Women's Writing in English Joel Kuortti,2002 This is a remarkable collection of information on Indian women s writing written originally in English Beginning from the 19th century it introduces 444 writers of poetry and fiction Now it has been a part of common critical parlance to say that the Indian English women s writing is in ascendance One aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing Writers included in the bibliography come from all over India and from the Indian diaspora all over the world Another aim of this bibliography is to make us aware of the constructed nature of writerhood A given writer s texts do not exist and circulate in a vacuum but in a context We can see that Indian English women s writing is taking place But what we do not see is the critical establishment that is literary scholars and critics taking much note of it

GITA'S WAYS TO LEAD YOUR LIFE..... Bairister Sharma,2022-11-07 The word Gita means song and the word Bhagavat means God And Bhagavat Gita means the song of God The sermon of Gita was delivered by Lord Krishna Himself to His beloved friend and devotee Arjuna when the later was clouded with the remorse of the outcome of the battle at the battlefield of Kurukshetra before the fierce battle between the two closed kith and kin the Padavas and the Kauravas The Lord showered the discourse of His immortal wisdom and knowledge to enlighten the confused mind of Arjuna The Bhagavat Gita is the ocean of wisdom and knowledge that teaches the art of life of a man in every perspective right from the very first moment of his birth to the very last moment of his life The Bhagavad Gita is not only a holy scripture but also a scripture of life It is the complete and ultimate sums of the philosophies of life of a man

Canadian Books in Print ,2001 *GITA'S PATH TO SOLVE YOUR LIFE'S PROBLEMS* Bairister Sharma,2023-03-25 In the battlefield of Kurukshetra when Arjuna witnessed his grandfathers uncles gurus father in laws brothers cousins nephews and friends he became hysterical He became morally and emotionally low and down while thinking about the outcomes of the battle He was mentally and physically weak and paralyzed He was unable to take any decision He had forgotten his righteous deeds Everything appeared an impossible task for him Even he was willing to renounce everything He became fearful worried and confused He didn t want to fight He was in a great dilemma Then Lord Krishna came forward to rescue Arjuna Lord Krishna made Arjuna to realize his moral duties and responsibilities through His divine discourse in the form of GITA Arjuna was enlightened and liberated from the worldly bondage Eventually he fought the battle of Mahabharata in order to re establish righteousness Dharma Similarly your life is like the great battlefield of Kurukshetra when you face tough situations challenges and circumstances don t become hysterical Don t become morally and emotionally low and down while thinking about the outcomes of your deeds However keep yourself mentally and

physically strong and powerful Don t hesitate to execute your moral duties and responsibilities You are the Arjuna of your own life and you have to fight the battle of your own Mahabharata in order to achieve your eternal joy happiness success prosperity and peace *Blue Roses; Or, Helen Malinofska's Marriage* Charlotte Louisa Hawkins Dempster,1877
