Schooling Diaspora Karen M. Teoh,2018 *Schooling Diaspora* looks into the motivations and strategies of missionaries colonial authorities and Chinese reformists and revolutionaries for educating girls as well as the impact that this education had on identity formation among overseas Chinese women and larger society **Religion of the Field Negro** Vincent W. Lloyd,2017-11-07 Black theology has lost its direction To reclaim its original power and to advance racial justice struggles today black theology must fully embrace blackness and theology But multiculturalism and religious pluralism have boxed in black theology forcing it to speak in terms dictated by a power structure founded on white supremacy In *Religion of the Field Negro* Vincent W Lloyd advances and develops black theology immodestly privileging the perspective of African Americans and employing a distinctively theological analysis As Lloyd argues secularism is entangled with the disciplining impulses of modernity with neoliberal economics and with Western imperialism but it also contaminates and castrates black theology Inspired by critics of secularism in other fields *Religion of the Field Negro* probes the subtle ways in which religion is excluded and managed in black culture Using Barack Obama Huey Newton and Steve Biko as case studies it shows how the criticism of secularism is the prerequisite of all criticism and it shows how criticism and grassroots organizing must go hand in hand But scholars of secularism too often ignore race and scholars of race too often ignore secularism Scholars of black theology too often ignore the theoretical insights of secular black studies scholars and race theorists too often ignore the critical insights of religious thinkers *Religion of the Field Negro* brings together vibrant scholarly conversations that have remained at a distance from each other until now Weaving theological sources critical theory and cultural analysis this book offers new answers to pressing questions about race and justice love and hope theorizing and organizing and the role of whites in black struggle The insights of James Cone are developed together with those of James Baldwin Sylvia Wynter and Achille Mbembe all in the service of developing a political theological vision that motivates us to challenge the racist paradigms of white supremacy *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman,2019-01-09 In *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today's contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking on the one hand deep engagement with Jewish history and the experiences of

the Jewish people while holding steadfastly on the other hand to the understanding that identity is fluid and multivalent Looking at a carefully chosen set of texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late 19th century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America's nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment

Black Rose is an exciting science fiction fantasy tale where every choice can be good or bad but comes with a cost

Yank ,1945 *Fred & Rose* Howard Sounes,2017-03-14 The definitive account of one of Britain s most notorious killer couples who loved tortured and slayed together as husband and wife Updated with a new afterword from the author on the twenty fifth anniversary of the arrests From the outside 25 Cromwell Street in Gloucester England looked as commonplace as the married couple who lived there But in 1994 Fred and Rose West s home would become infamous as a house of horrors when the remains of nine young women many of them decapitated dismembered and showing evidence of sexual torture were found interred under its cellar bathroom floor and garden And this wasn t the only burial ground Fred s first wife and nanny were unearthed miles away in a field while his eight year old stepdaughter was found entombed under the Wests former residence Yet for more than twenty years the twosome maintained a fa ade of normalcy while abusing and murdering female boarders hitchhikers and members of their own family Howard Sounes who first broke the story about the Wests as a journalist and covered the murder trial has written a comprehensive account of the case Beginning with Fred and Rose s bizarre childhoods Sounes charts their lives and crimes in forensic detail constructing a fascinating and frightening tale of a marriage soaked in blood Indeed the total number of the Wests victims may never be known A case reminiscent of the Moors Murders committed in the 1960s in Manchester by Myra Hindley and Ian Brady as if Hindley and Brady had married and kept on killing for decades Fred Rose is a story of obsessive love as well as obsessive murder The Times London
