the province from 1883 and Orange reaction to it increasingly divided Ulster along sectarian lines to the detriment of the Liberal cause By 1886 Home Rule had become the defining question it would remain until Partition The Land Question of course remained important but it had become clear that the time when it could radically influence the shape of Ulster was past Within a dramatically short period of coming to prominence though the Ulster Liberal was not quite an extinct political species Ulster Liberalism was well and truly a spent force **The P.F.P.
