courage in all its forms *Marriage Matters* Cynthia Ellingsen, 2014-06-03 Newly engaged graduate student Chloe must deal with her true feelings about her best friend after she becomes engaged to someone else while her own mother is tempted by an employee and her Grandma June meddles in everyone's business *The Popular Girls Book Series* Raven Riley, 2011-07-26 My book is about three girls who are very mean and rich. They came from different states and they also run the school. The three popular girls are so very rich and very spoiled to the bone. Each of the three girls has different personalities; they are always expressing their styles of clothes that all 3 of them wear to school everyday. Chloe tries to spend all of her money so she can buy clothes online. She does not get along with her sister Amy. Chloe hates going to school every day; she is mean to a lot of people at that school. Chloe never gets to spend any time with her beau because she is always working and also doing her homework after she gets off from work. The two of them argue a lot. She does not have the perfect family. She is the hottest chick at school. Summer is just the sweetest person that you will ever meet. She does not always yell at people. Her favorite color is yellow. Summer has a sister named Naomi. Let me tell you something else they never agree on anything with each other; you could possibly name one of them. The two of them would definitely honestly fight about it. Summer used to have a boyfriend named Max, but I am not going to tell you what happened to their past relationship. Kaylee was the more fly chick and a hot sexy chick. She was not always so sweet for looks can be so deceiving. She can stay mad at anyone for a very long time. It takes her a long time to get over something that made her very angry. I totally forgot where Kaylee lives anyway. Kaylee loves going to school; she is a straight A student. She loves to party with her friends and drink all night long. Kaylee really does not have a curfew; she can come home anytime. She would never date any guys that have really bad breath. Kaylee's high school sweetheart is Jake Stanley. The two of them have been dating ever since middle school and now in high school. She fell head over heels for that guy. He rides motorcycles. He is basically the love of her life. Jake and Kaylee do everything together like going out dancing or hanging out with his friends. They make the perfect couple. He makes her laugh and smile. They both make each other happy. What they have is real love, not puppy love. So you need to read to find out what happens to these three girls in my book. It is a very interesting book. You are going to really like it. It is very funny at the same time and very sad too. There are a lot of funny parts in the book that make me laugh *Bulletproof Princess* Vicki Hinze, 2006-02-01 The It Girls. They're rich, fabulous, and dangerously underestimated. It Girl Chloe St. John. Mission: Bust an organized crime syndicate that's kidnapping women and selling them into the sex trade. And nab Manhattan's most wanted and elusive criminal mastermind. Royal protocol flew out the window when real-life princess Chloe St. John went undercover to stop a sex slave ring. She'd do anything for the Gotham Rose; spies their leader was like a second mother to Chloe, boosting her self-esteem when all Chloe's real mom did was hassle her about regal etiquette while favoring her never-do-well brother. But evidence suggested Chloe was up against the Roses' archrival, the Duke. This time it was time to trade in her tiara for a semiautomatic and a Kevlar vest and pray that the wardrobe change wouldn't hurt her chances at the charity bachelorette.
