ANTS IN MY BRAIN is a true story of a daughter s recovery from a serious acquired brain injury after being knocked down by a car whilst out running in London one morning in 2014 It s written from a mothers perspective Rosie s journey starts at the side of the Durnsford Road South London where she was knocked down then to St Georges Hospital in Tooting It continues onto The Wolfson neuro rehabilitation unit at Queen Marys Hospital Putney and progresses to Charmouth in Dorset before Rosie eventually returns to London Thought provoking and light hearted it aims to have the reader laughing crying and questioning It has a real connection with life today and how a family copes with that curveball thrown at them out of the blue It will take the reader through the different stages of brain injury recovery and is entwined with the reality of day to day life It incorporates heartfelt passages from mother to daughter at different stages and is interspersed at poignant points with lyrics about recovery from a current folk punk singer songwriter permission agreed with Frank Turner and Xtra Mile recordings This inspirational book aims to show how a serious injury to a family member can have knock on effects to others close to them and how love and support can make the difference to a person s recovery from a life changing accident It also proves how our brains have amazing powers to heal themselves and how remaining positive

and hopeful can pull us through those dark times in our lives It could be helpful to brain injury survivors their families and friends and many others going through trauma and challenging times of any sort It may also be helpful to professionals and students both medical and therapeutic as it gives a positive insight into NHS critical care to community care told through the eyes of someone outside of these professions It is largely based in St Georges hospital Tooting a well known London hospital due to the TV series 24 hours in A and E which could make it an appealing read for followers of this programme It also references West Dorset which is a popular destination for holiday makers with its glorious countryside and seascapes *The Family Herald* ,1868 *Chronicle of the Horse* ,1985 *The Art of Brevity* Grant Faulkner,2023-02-15 With increased compression every word every sentence matters more A writer must learn how to form narratives around caesuras and crevices instead of strings of connections to move a story through the symbolic weight of images to master the power of suggestion With elegant prose deep readings of other writers and scaffolded writing exercises *The Art of Brevity* takes the reader on a lyrical exploration of compact storytelling guiding readers to heighten their awareness of not only what appears on the page but also what doesn't *Cue* ,1976 **Prospero** ,2003 *The School Librarian* ,2003 New York ,1990 *Comfort* ,1892
