award winning authors Each is an expert in his or her field and provided in some fashion an answer to the question At what moment in Texas history would you have liked to have been a fly on the wall and why The choice of an event and the answers were both personal and individual ranging from familiar topics to less well known subjects One wanted to be at the Alamo Another chose to explore when Sam Houston refused to take a loyalty oath to the Confederacy One chapter follows the first twenty four hours of Lyndon Baines Johnson s presidency after Kennedy s assassination Others write about the Dust Bowl coming to Texas or when Texas Southern University was created Their respective essays are not written as isolated occurrences or moments but as causal developments presented within the larger social and political context of the period
