Rotation The Twelve Months Of Intern Life:

Rotations Robert Marion, 1998 Timely and brilliantly written this sequel to the acclaimed *The Intern Blues* is an exciting look at the real life challenges confronting young doctors as they struggle for survival and sanity within today's health care system Marion weaves a dramatic story that follows one year in the lives of three pediatric interns under his tutelage at New York's Albert Einstein College of Medicine

Educating For Professionalism Delese Wear, Janet Bickel, 2009-05 The thirteen essays in *Educating for Professionalism* examine the often conflicting ethical social emotional and intellectual messages that medical institutions send to students about what it means to be a doctor Because this disconnection between what medical educators profess and what students experience is partly to blame for the current crisis in medical professionalism the authors offer timely reflective analyses of the work and opportunities facing medical education if doctors are to win public trust In their drive to improve medical professionalism within the world of academic medicine editors Delese Wear and Janet Bickel have assembled thought provoking essays that elucidate the many facets of teaching valuing and maintaining medical professionalism in the middle of the myriad challenges facing medicine at the dawn of the twenty first century The collection traces how the values of altruism and service can influence not only mission statements and admission policies but also the content of medical school ethics courses student led task forces and mentoring programs along with larger environmental issues in medical schools and the communities they serve Contributors Stanley Joel Reiser Jack Coulehan Peter C Williams Frederic W Hafferty Richard Martinez Judith Andre Jake Foglio Howard Brody Sheila Woods Sue Fosson Lois Margaret Nora Mary Anne C Johnston Tana A Grady Weliky Cynthia N Kettyle Edward M Hundert Norma E Wagoner Frederick A Miller William D Mellon Howard Waitzkin Donald Wasylenki Niall Byrne Barbara McRobb Edward J Eckenfels Lucy Wolf Tuton Claudia H Siegel Timothy B Campbell

Measuring Medical Professionalism David Thomas Stern, 2006 Patients who are confident of physicians intellectual and technical abilities are sometimes not convinced of their professional behavior Systemic and anecdotal cases of physician misconduct conflict of interest and self interest abound Many have even come to mistrust physicians as patient advocates How can patients trust the intellectual and technical aspects of medical care but not the professional In order to enhance and promote professionalism in medicine one should expect it encourage it and evaluate it By measuring their own professional behavior physicians can provide the kind of transparency with which they can regain the trust of patients and society Not only patients but also institutions which accredit organizations have demanded accountability of physicians in their professional behavior While there has been much lament and a few strong proposals for improving professionalism no single reliable and valid measure of the success of these proposals exists This book is a theory to practice text focused on ways to evaluate professional behavior written by leaders in

the field of medical education and assessment *New York Magazine* ,1997-07-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Rx for Life and Laughter** Maurice
