The LeBaron Secret Stephen Birmingham, 2015-12-01 An aging California vintner is determined to protect her empire from a hostile family takeover and the dark secrets that could destroy everything she loves At age seventy four Assaria Sari LeBaron is still a force to be reckoned with For decades she has run the Baronet Vineyards one of California's largest and most successful wine producers maintaining sole control even after a suspicious accident left her permanently crippled And now in her golden years the formidable Sari refuses to relinquish power to her own children a decision that has only served to increase tensions among her already emotionally damaged family members But Sari's ambitious son Eric is no longer willing to play a subservient role and has begun working behind the scenes to take over the business forming alliances within and outside the family in his effort to dethrone the unyielding matriarch The most difficult fight of Sari LeBaron's long and eventful life has begun a heartbreaking struggle that will pit loved one against loved one and expose long hidden secrets that could destroy both Sari's business and her family The LeBaron Secret is another riveting excursion into a world of privilege that Stephen Birmingham knows intimately It is a breathtaking tale of secrets and lies shady double dealings family skeletons and the inner turmoil of the fabulously wealthy as only the bestselling author of *Our Crowd* and *The Auerbach Will* could tell it

America's Secret Aristocracy Stephen Birmingham, 2024-05-14 An entertaining and perceptive history of America's most exclusive families from the Brahmins of New England to the Grandees of California The Washington Post America has always been a constitutionally classless society yet an American aristocracy emerged anyway a private club whose members run in the same circles and observe the same unwritten rules Here renowned social historian Stephen Birmingham reveals the inner workings of this aristocracy He identifies which families in which cities have always mattered and how they've defined America *America's Secret Aristocracy* offers an inside look at the estates marriages and financial empires of America's most powerful families from the Randolphs of Virginia and the Roosevelts of New York to the Carillos and Ortegas of California With countless anecdotes about our nation's elite including interviews with their modern day descendants Birmingham presents colorful portraits that capture the true definition essence and customs of America's

aristocracy **California Rich** Stephen Birmingham, 2024-05-14 A downright intriguing history chronicling of the creation of the Californian Dream Los Angeles Times Since the Gold Rush California has represented a land of opportunity for a special breed of American Heading west in pursuit of sunshine riches and elusive dreams the early mavericks of California set out to make their fortunes and often succeeded beyond their wildest imaginations Prospectors became oil tycoons squatters became cattle barons and farmers wives became grandees of a new rough hewn society In California Rich Stephen Birmingham explores this fascinating social history showing how the ruling class of California was born and how it evolved a lifestyle that continues to fascinate the world Its colorful array of characters include the despotic media mogul William Randolph Hearst governor and railroad baron Leland Stanford and real estate magnate James Irvine who attended business meetings with an entire pack of hunting dogs In exploring how these self made millionaires acquired their money and what they did with it Birmingham sheds light on the customs and quirks of California wealth and how the state came to symbolize the easy opulent life that still entices seekers of fame and fortune today **The Grandes Dames** Stephen

Birmingham, 2024-05-14 The acclaimed social historian provides an in depth look at eight society women who shaped upper class culture from the Gilded Age to WWII Astor Rockefeller McCormick Belmont Family names that still adorn buildings streets and charity foundations While their men blazed across America with their oil industry and railways the matriarchs founded art museums opera houses and symphonies that functioned almost as private clubs Linked by money marriage privilege and power these women formed a grand American matriarchy and they ruled American society with a style and impact that make today s socialites seem pale reflections of their forbears Stephen Birmingham takes us into the drawing rooms of these powerful women providing keen insights into an American society that no longer exists Caroline Astor who when asked for her fare boarding a streetcar responded No thank you I have my own favorite charities Edith Effie Stern deciding that no existing school would do for her child so she had a new one built And the legendary Isabella Stewart Gardner replying to a contemporary who was overly taken with their Mayflower ancestors Of course immigration laws are much more strict nowadays These women had looks manner and style but more than that they had presence a sense that when one of them entered a room something momentous was about to occur Birmingham opens a window to the highest levels of American society with these profiles of American royalty *The Jews in America Trilogy* Stephen

Birmingham, 2016-06-28 Three New York Times bestsellers chronicle the rise of America s most influential Jewish families as they transition from poor immigrants to household names In his acclaimed trilogy author Stephen Birmingham paints an engrossing portrait of Jewish American life from the colonial era through the twentieth century with fascinating narrative and meticulous research The collection s best known book Our Crowd follows nineteenth century German immigrants with recognizable names like Loeb Sachs Lehman Guggenheim and Goldman Turning small family businesses into institutions of finance banking and philanthropy they elevated themselves from Lower East Side tenements to Park Avenue mansions

Barred from New York's gentile elite because of their religion and humble backgrounds they created their own exclusive group as affluent and selective as the one that had refused them entry The Grandees travels farther back in history to 1654 when twenty three Sephardic Jews arrived in New York Members of this small and insulated group considered the first Jewish community in America soon established themselves as wealthy businessmen and financiers With descendants including poet Emma Lazarus Barnard College founder Annie Nathan Meyer and Supreme Court Justice Benjamin N Cardozo these families were and still are hugely influential in the nation's culture politics and economics In The Rest of Us Birmingham documents the third major wave of Jewish immigration Eastern Europeans who swept through Ellis Island between 1880 and 1924 These refugees from czarist Russia and Polish shtetls were considered barbaric uneducated and too steeped in the traditions of the old country to be accepted by the well established German American Jews But the new arrivals were tough passionate and determined Their incredible rags to riches stories include those of the lives of Hollywood tycoon Samuel Goldwyn Broadway composer Irving Berlin makeup mogul Helena Rubenstein and mobster Meyer Lansky This unforgettable collection comprises a comprehensive account of the Jewish American upper class their opulent world and their lasting mark on American society **Those Harper Women** Stephen Birmingham, 2024-05-14 Four generations of women grapple with the gilded cage of their family dynasty in this 1 New York Times bestselling author's big bustling novel The New York Times Meredith Harper made millions in rum before Prohibition ruined the market When he died he left behind an estate of such vast wealth that his descendants were set for life but what sort of life would it be In Those Harper Women Stephen Birmingham presents a fictional group portrait of women who pass down both fortunes and misfortunes who want for nothing save happiness Across generations the Harper women seek joy self fulfillment or mere escape from the trappings of their privilege But through trips to Europe and the Caribbean through marriage and divorce the women find themselves returning time and again to the looming shadow of Meredith and his money Life at the Dakota Stephen Birmingham, 2015-12-01 A history of the Manhattan building and its famous tenants from Lauren Bacall to John Lennon by the New York Times bestselling author of Our Crowd When Singer sewing machine tycoon Edward Clark built a luxury apartment building on Manhattan's Upper West Side in the late 1800s it was derisively dubbed the Dakota for being as far from the center of the downtown action as its namesake territory on the nation's western frontier Despite its remote location the quirky German Renaissance style castle with its intricate facade peculiar interior design and gargoyle guardians peering down on Central Park was an immediate hit particularly among the city's well heeled intellectuals and artists Over the next century it would become home to an eclectic cast of celebrity residents including Boris Karloff Lauren Bacall Leonard Bernstein singer Roberta Flack the Dakota's first African American resident and John Lennon and Yoko Ono who were charmed by its labyrinthine interior and secret passageways its mysterious past and its ghosts Stephen Birmingham author of the New York society classic Our Crowd has written an engrossing history of the first hundred years of one of the most

storied residential addresses in Manhattan and the legendary lives lived within its walls *"Our Crowd"* Stephen Birmingham, 2015-12-01 The 1 New York Times bestseller that traces the rise of the Guggenheims the Goldmans and other families from immigrant poverty to social prominence They immigrated to America from Germany in the nineteenth century with names like Loeb Sachs Seligman Lehman Guggenheim and Goldman From tenements on the Lower East Side to Park Avenue mansions this handful of Jewish families turned small businesses into imposing enterprises and amassed spectacular fortunes But despite possessing breathtaking wealth that rivaled the Astors and Rockefellers they were barred by the gentile establishment from the lofty realm of the 400 a register of New York's most elite because of their religion and humble backgrounds In response they created their own elite 100 a privileged society as opulent and exclusive as the one that had refused them entry *Our Crowd* is the fascinating story of this rarefied society Based on letters documents diary entries and intimate personal remembrances of family lore by members of these most illustrious clans it is an engrossing portrait of upper class Jewish life over two centuries a riveting story of the bankers brokers financiers philanthropists and business tycoons who started with nothing and turned their family names into American institutions **Legal and Ethical**

Regulation of Biomedical Research in Developing Countries Remigius N. Nwabueze, 2016-04-22 There has been a rapid increase in the pace and scope of international collaborative research in developing countries in recent years This study argues that whilst ethical regulation of biomedical research in Africa and other developing countries has attracted global attention legal liability issues such as the application of common law rules and the development of legally enforceable regulations have been neglected It examines some of the major research scandals in Africa and suggests a new ethical framework against which clinical trials could be conducted The development of research guidelines in Uganda Tanzania Malawi and Nigeria are also examined as well as the role of ethics committees Providing a detailed analysis of the law of negligence and its application to research ethics committees and their members common law and constitutional forms of action and potential negligence claims the book concludes by suggesting new protocols and frameworks improved regulation and litigation This book will be a valuable guide for students researchers and policy makers with an interest in medical law and ethics bioethics customary law in Africa and regulation in developing countries **Hotchkiss** Ernest

Kolowrat, 1998-05-01 How has the Hotchkiss School managed to accommodate a hundred years of unprecedented change a century during which horse and buggy trails have become less familiar than the fiery trails of space bound vehicles and Victorian propriety has yielded to unabashed self expression The short answer carefully certainly not without considerable tension and the constant need to mediate between the forces of tradition and innovation Oh yes also by following the golden rule do not disturb the cherished memories of alumni and more recently of alumnae as well Heart Troubles Stephen Birmingham, 2024-05-14 In this short story collection the acclaimed author of *Our Crowd* offers fourteen darkly funny and poignant tales of the human heart Stephen Birmingham is renowned for his penetrating examinations of America's upper

classes Here he proves himself an equally deft hand at fiction bringing the same knowing wit and piercing insight to the short stories in this collection In *She Ate Grass* a boy navigates coming of age while buying whiskey for his mother s cocktail party In *Race Day* a shy woman endures her husband s ambition to join the board of an exclusive yacht club In these and other stories Birmingham peels back the layers of middle class life in the late twentieth century *Ourselves Unborn* Sara Dubow,2017 INTRODUCTION FETAL STORIES 1 Discovering Fetal Life 1870s 1920s 2 Interpreting Fetal Bodies 1930s 1970s 3 Defining Fetal Personhood 1973 1976 4 Defending Fetal Rights 1970s 1990s 5 Debating Fetal Pain 1984 2007 EPILOGUE FETAL MEANINGS NOTES BIBLIOGRAPHY *The Right Places* Stephen Birmingham,2024-05-14 The acclaimed chronicler of America s upper classes reveals their preferred enclaves and secret hideaways across the country Where are the Right Places those exclusive locations where the privileged live and play You may be in for a surprise For as Stephen Birmingham shows in the same witty penetrating style that characterizes his other studies of the elite the right places could be just about anywhere from exclusive chalets in Sun Valley Idaho to the traditionally swank estates of Fairfield County Connecticut to the nascent avant garde art scene in Kansas City Missouri Birmingham goes to great lengths to unveil these privileged locales the secret hideaway of Maria Callas after Aristotle Onassis deserted her for Jacqueline Kennedy Elizabeth Taylor s habits at home including her favorite recipe for chili and more With colorful anecdotes and intimate details Birmingham gives us a glimpse into the private worlds of the very rich
