However, for all the fanfare of the third biggest sporting event in the world after the Olympics and FIFA World Cup, it is astonishing that until now there has been no single reference book in the marketplace that contains all the rugby internationals in chronological order played by the world's major rugby nations since the game's inception. Keith Young has spent six years compiling such a compendium to fill this gap in the market and has undertaken a colossal amount of research in the process. The Complete Rugby Union Compendium contains over 5,200 entries organized in such a way that details of all matches can be easily accessed by the reader. It is laid out in a visually engaging and informative format and will be invaluable to every dedicated rugby enthusiast.
