**Women, Writing, and Travel in the Eighteenth Century** Katrina O'Loughlin, 2018-06-14 The eighteenth century witnessed the publication of an unprecedented number of voyages and travels genuine and fictional Within a genre distinguished by its diversity curiosity and experimental impulses Katrina O Loughlin investigates not just how women in the eighteenth century experienced travel but also how travel writing facilitated their participation in literary and political culture She canvases a range of accounts by intrepid women including Lady Mary Wortley Montagu's Turkish Embassy Letters Lady Craven's Journey through the Crimea to Constantinople Eliza Justice's A Voyage to Russia and Anna Maria Falconbridge's Narrative of Two Voyages to the River Sierra Leone Moving from Ottoman courts to theatres of war O Loughlin shows how gender frames access to people and spaces outside Enlightenment and Romantic Britain and how travel provides women with a powerful cultural form for re imagining their place in the world *Women's Writing* Rashmi Gaur, 2003 *Gynocritics and the Traversals of Women's Writing* Hemant Verma, Ajit Kumar, Rafseena M., 2024-01-11 Discussions on any narrative focusing on the experiences of about and by women have always had differences as well as similarities What makes such varying approaches interesting is the fact that the re readings and re presentations of the hegemonic narratives necessitated the significance of feminist approaches which forms the major focus in the present volume A feminist reading of the current narratives could explain how historically women's rights and roles have been undermined and how the absence of women was never a concern in the male centered narratives Women's writings provide a consciousness that helps individuals consider critically about how differently men and women are dealt With different dimensions brought in through the various scholarly articles on the differential treatment of women in the highly misogynist society the book offers the space for the intellectuals the academic researchers and scholars in the field of literature and humanities to contribute to the development of an egalitarian world *Women Letter-Writers in Tudor England* James Daybell, 2018-09-26 This book represents the most comprehensive study of women's letters and letter writing during the early modern period so far undertaken and acts as an important corrective to traditional ways of reading and discussing letters as private elite male and non political Based on over 3 000 manuscript letters it shows that letter writing was a larger and more socially diversified area of female activity than has been hitherto assumed In that letters constitute the largest body of extant sixteenth century women's writing the book initiates a reassessment of women's education and literacy in the period As indicators of literacy letters yield physical evidence of rudimentary writing activity and abilities document higher forms of female literacy and highlight women's mastery of formal rhetorical and epistolary conventions The book also stresses that letters are unparalleled as intimate and immediate records of family relationships and as media for personal and self reflective forms of female expression Read as documents that inscribe social and gender relations letters shed light on the complex range of women's personal relationships as female power and authority fluctuated negotiated on an individual

basis Furthermore correspondence highlights the important political roles played by early modern women Female letter writers were integral in cultivating and maintaining patronage and kinship networks they were active as suitors for crown favour and operated as political intermediaries and patrons in their own right using letters to elicit influence Letters thus help to locate differing forms of female power within the family locality and occasionally on the wider political stage and offer invaluable primary evidence from which to reconstruct the lives of early modern women

*Mother Is a Verb* Sarah Knott, 2019-04-02 Welcome to a work of history unlike any other Mothering is as old as human existence But how has this most essential experience changed over time and cultures What is the history of maternity the history of pregnancy birth the encounter with an infant Can one capture the historical trail of mothers How In *Mother Is a Verb* the historian Sarah Knott creates a genre all her own in order to craft a new kind of historical interpretation Blending memoir and history and building from anecdote her book brings the past and the present viscerally alive It is at once intimate and expansive lyrical and precise As a history *Mother Is a Verb* draws on the terrain of Britain and North America from the seventeenth century to the close of the twentieth Knott searches among a range of past societies from those of Cree and Ojibwe women to tenant farmers in Appalachia from enslaved people on South Carolina rice plantations to tenement dwellers in New York City and London's East End She pores over diaries letters court records medical manuals items of clothing And she explores and documents her own experiences As a memoir *Mother Is a Verb* becomes a method of asking new questions and probing lost pasts in order to historicize the smallest even the most mundane of human experiences Is there a history to interruption to the sound of an infant's cry to sleeplessness Knott finds answers not through the telling of grand narratives but through the painstaking accumulation of a trellis of anecdotes And all the while we can feel the child on her hip

Women Writers in the Twentieth Century Literature Monika Gupta, 2000 The Present Anthology Consisting Of Some Twenty Articles Of Moderate Length By Eminent Scholars At The National Level Is An Attempt In Analysing The Point Of View Of Women As Evinced In The Writings Of The Women Writers Belonging To The Different Genres And The Countries Like India America South Africa Canada The Other Countries Of The Commonwealth And Africa And Also The Writing Branded As Post Modernist Literature And The Literature Of The New Modernity Where The Emphasis Is Laid Particularly Upon The Issues Of Identity Alienation Suppression And Protest Pertaining To The Lot Of Women In The Present Day World The Volume Stresses An Usurping Issue Of Her Dominance Over Men Not Through Her Sexuality But The Far Effective Qualities Of Her Motherhood This Volume Is Brought Out With The Trust That It Would Throw Fresh Light On The Approach Of The Researchers And Make The Literary Critical Art A Pastime In Excavating As Well As Analysing Thoughts Of The Modern Writers On Both Woman And Her Feminity

**Caribbean-English Passages** Tobias Döring, 2003-08-29 Tobias Döring uses Postcolonialism as a backdrop to examine and question the traditional genres of travel writing nature poetry adventure tales autobiography and the epic assessing their relevance to and modification by the Caribbean experience *Caribbean English Passages* opens an innovative

and cross cultural perspective in which familiar oppositions of colonial white versus postcolonial black writing are deconstructed English identity is thereby questioned by this colonial contact and Caribbean English writing radically redraws the map of world literature This book is essential reading for students of Postcolonial Literature at both undergraduate and postgraduate level **Modern English Writers** Sir Harold Herbert Williams,1925 *Reading Iraqi Women's Novels in*

*English Translation* Ruth Abou Rached,2020-10-28 By exploring how translation has shaped the literary contexts of six Iraqi woman writers this book offers new insights into their translation pathways as part of their stories politics of meaning making The writers in focus are Samira Al Mana Daizy Al Amir Inaam Kachachi Betool Khedairi Alia Mamdouh and Hadiya Hussein whose novels include themes of exile war occupation class rurality and storytelling as cultural survival Using perspectives of feminist translation to examine how Iraqi women s story making has been mediated in English translation across differing times and locations this book is the first to explore how Iraqi women s literature calls for new theoretical engagements and why this literature often interrogates and diversifies many literary theories geopolitical scope This book will be of great interest for researchers in Arabic literature women s literature translation studies and women and gender studies

**Subjectivity and Women's Poetry in Early Modern England** Lynnette McGrath,2017-11-01 This title was first published in 2002 Combining the approaches of historic scholarship and post structural feminist psychoanalytic theory to late 16th and early 17th century poetry by women this book aims to make a unique contribution to the field of the study of early modern women s writings One of the first to concentrate exclusively on early modern women s poetry the full length critical study to applies post Lacanian French psychoanalytic theory to the genre The strength of this study is that it merges analysis of socio political constructions affecting early modern women poets writing in England with the psychoanalytic insights specific to women as subjects of post Lacanian theorists Luce Irigaray Helen Cixous Julia Kristeva and Rosi Braidotti

*Victorian Women Writers and the Classics* Isobel Hurst,2006-09-14 Isobel Hurst examines the role of women writers in the Victorian reception of ancient Greece and Rome showing that they had a greater imaginative engagement with classical literature than has previously been acknowledged The restrictions which applied to women s access to classical learning liberated them from the repressive and sometimes alienating effects of a traditional classical education Women writers reworkings of classical texts serve a variety of purposes to validate women s claims to authorship to demand access to education to highlight feminist issues through the heroines of ancient tragedy to repudiate the warrior ethos of ancient epic

**Working Verse in Victorian Scotland** Kirstie Blair,2019-06-20 This volume reassesses working class poetry and poetics in Victorian Britain using Scotland as a focus and with particular attention to the role of the popular press in fostering and disseminating working class verse cultures It studies a very wide variety of writers who are unknown to scholarship and assesses the political social and cultural work which their poetry performed During the Victorian period Scotland underwent unprecedented changes in terms of industrialization the rise of the city migration and emigration This

study shows how poets who defined themselves as part of a specifically Scottish tradition responded to these changes It substantially revises our understanding of Scottish literature in this period while contributing to wider investigations of the role of popular verse in national and international cultures The British National Bibliography Arthur James Wells,2007

*Women's Work in Early Modern English Literature and Culture* Michelle M. Dowd,2009-04-13 Dowd investigates literature's engagement with the gendered conflicts of early modern England by examining the narratives that seventeenth century dramatists created to describe the lives of working women *Precarious Passages* Tuire Valkeakari,2022-06-28 *Precarious Passages* unites literature written by members of the far flung Black Anglophone diaspora Rather than categorizing novels as simply African American Black Canadian Black British or postcolonial African Caribbean this book takes an integrative approach it argues that fiction creates and sustains a sense of a wider African diasporic community in the Western world Tuire Valkeakari analyzes the writing of Toni Morrison Caryl Phillips Lawrence Hill and other contemporary novelists of African descent She shows how their novels connect with each other and with defining moments in the transatlantic experience most notably the Middle Passage and enslavement The lives of their characters are marked by migration and displacement Their protagonists yearn to experience fulfilling human connection in a place they can call home Portraying strategies of survival adaptation and resistance across the limitless varieties of life experiences in the diaspora these novelists continually reimagine what it means to share a Black diasporic identity **Rough Passage** Edna Patricia Hearsey,1984 **Women as Mothers in Pre-Industrial England** Valerie Fildes,2013-01-03 Originally published in 1990 this book met the rising interest in the subject of women in pre industrial England bringing together a group of scholars with diverse and wide ranging interests experts in social and medical history demography women's studies and the history of the family whose work would not normally appear in one volume Key aspects of motherhood in pre industrial society are discussed including women's concepts of maternity the experience of pregnancy childbirth and wet nursing the fostering and disciplining of children and child abandonment and neglect This unique book provides a comprehensive introductory overview of its subject with emphasis on women's experiences and motives *Dangerous Motherhood* H. Marland,2004-06-29 *Dangerous Motherhood* is the first study of the close and complex relationship between mental disorder and childbirth Exploring the relationship between women their families and their doctors reveals how explanations for the onset of puerperal insanity were drawn from a broad set of moral social and environmental frameworks rather than being bound to ideas that women as a whole were likely to be vulnerable to mental illness The horror of this devastating disorder which upturned the household turned gentle mothers into disruptive and dangerous mad women was magnified by it occurring at a time when it was anticipated that women would be most happy in the fulfillment of their role as mothers

**'Bethinke Thy Selfe' in Early Modern England** Ulrike Tancke,2010-01-01 Early modern women writers are typically studied as voices from the margin who engage in a counter discourse to patriarchy and whose identities prefigure

postmodern notions of fragmented selfhood Studying a variety of literary forms autobiographical writings diaries mothers advice books poetry and drama this innovative book approaches early modern women s strategies of identity formation from an alternative angle their self writings should be understood as attempts to establish a coherent stable and convincing subjectivity in spite of the constraints they encountered While the authors acknowledge contradiction and ambiguity they consistently strive to compromise and achieve balance Drawing on social and cultural history feminist theory psychoanalysis and the study of discourses the close reading of the women s texts and other literary and non literary sources reveals that the female writers seek to reconcile the affective corporeal social economic and ideological dimensions of their identities and thereby question both the modern idea of the unified self and its postmodern fragmented variant The women s identities as writers mothers spouses household members and economic agents testify to their acceptance of contradictions their adherence to patriarchal norms and simultaneous self assertion Their pragmatic stances suggest that their simultaneous confidence and anxiety should be taken seriously as tentative precarious yet ultimately workable and convincing expressions of identity
