Roughing It Mark Twain, 1994-01-13 Based on Mark Twain's own years of variegated vagabonding in the West this comic narrative offers a virtual grab bag of tall tales folklore beast fables travelogue local color autobiography history geography even statistics This new critical edition of *Roughing It* supersedes the 1972 edition published in the Works of Mark Twain over twenty years ago It is an entirely new undertaking by a different group of editors Together they have made extensive use of newly discovered historical and textual materials particularly biographical documents which illuminate how Mark Twain gave literary shape to his actual experiences in the West This edition includes the more than 300 illustrations Mark Twain commissioned for his book It also provides six new maps two for Nevada in the 1860s and four to help trace the Clemens brothers cross country stagecoach route The editors provide a comprehensive introduction that will supplant all previous accounts of how Mark Twain wrote and revised his second long book Fully supplemented by the textual apparatus the edition presents a complete record of Twain's revisions and is sure to become the standard text of Mark Twain's great Western adventure Editorial work was funded by the National Endowment for the Humanities and by a generous gift from the L J Skaggs and Mary C Skaggs Foundation [The United States Catalog](#) , 1900 [Catalogue of the Libraries](#) Sydney
