Rousseau And Concept Of The General Will

Kathleen Armour

Rousseau And Concept Of The General Will:

The General Will James Farr, David Lay Williams, 2015-02-16 Although it originated in theological debates the general will ultimately became one of the most celebrated and denigrated concepts emerging from early modern political thought Jean Jacques Rousseau made it the central element of his political theory and it took on a life of its own during the French Revolution before being subjected to generations of embrace or opprobrium James Farr and David Lay Williams have collected for the first time a set of essays that track the evolving history of the general will from its origins to recent times

The General Will The Evolution of a Concept discusses the general will's theological political formal and substantive dimensions with a careful eye toward the concept's virtues and limitations as understood by its expositors and critics among them Arnauld Pascal Malebranche Leibniz Locke Spinoza Montesquieu Kant Constant Tocqueville Adam Smith and John Rawls

Rousseau's Theory of Freedom Matthew Simpson, 2006-03-08 Jean Jacques Rousseau has a claim to be ranked above even Karl Marx as the political philosopher who has most influenced everyday life His much read philosophy of education alone would qualify him for a high place but his political theory is even more important decisions affecting millions of people were made based on the reading of certain lines of the Social Contract Yet while politicians and scholars have studied this book for 250 years almost no agreement exists on how to interpret its central concept freedom Rousseau's theory of freedom has led him to be called everything from the greatest prophet of individual liberty to the designer of the first totalitarian state This book offers a new unifying interpretation of the theory of freedom in the Social Contract Simpson gives a careful analysis of Rousseau's theory of the social pact and then examines the kinds of freedom that it brings about showing how Rousseau's individualist and collectivist aspects fit into a larger and logically coherent theory of human liberty Simpson's book not only helps us to understand one of the pre eminent political minds of the 18th century but also brings us into closer conversation with those he influenced who have done so much to shape our world And in light of the interest in contemporary contractualist philosophers like Rawls Scanlon and Gauthier readers will find it worthwhile to return to the thinker who offers one of the most radical profound and insightful theories of the social contract ever devised

An Introduction to Political Philosophy Leo Strauss, 1989 A reissue of the 1975 edition of Strauss views regarding the nature of political philosophy A reissue of the 1975 edition with four added essays this collection offers a clear introduction to Strauss views regarding the nature of political philosophy its chief contemporary antagonists its classical forms and its modern version It gives the reader Strauss thoughts on what political philosophy has been and should be again Selected for their general interest and their accessibility the essays in the book provide a solid foundation for understanding Leo Strauss and his political philosophy

Aspects of Political Theory W.J. Stankiewicz, 2020-03-06 First published in 1976 This study continues an endeavour whose aim was to use traditional concepts as a basis for the discussion of contemporary political predicaments The endeavour began with the publication of the symposium In Defense of Sovereignty 1969 Its long range

goal is to consider under a common denominator relativism in politics various aspects of theory such as the basic concepts discussed in the present essay together with more modern theories of democracy and the wider spectrum of political ideologies

Rousseau's Theory of Human Association G. Hill, 2006-05-13 The book explores the characteristic features and political consequences of social interaction when the parties intentions are transparent and when they are opaque The author develops a theory of association and uses it to elucidate assess and extend Rousseau s views of human nature civil society the market economy and the republican state

Rousseau's Social Contract David Lay Williams, 2014-01-13 Rousseau s Social Contract An Introduction offers a thorough and systematic tour of this notoriously paradoxical and challenging text

, *The Ideology of Democratism* Emily B. Finley, 2022-08-02 A unique reinterpretation of democracy that shows how history s most vocal champions of democracy from Jean Jacques Rousseau and Thomas Jefferson to John Rawls have contributed to a pervasive anti democratic ideology effectively redefining democracy to mean rule by the elites The rise of global populism reveals a tension in Western thinking about democracy Warnings about the populist threat to democracy and authoritarian populism are now commonplace However as Emily B Finley argues in *The Ideology of Democratism* dismissing populism as anti democratic is highly problematic In effect such arguments essentially reject the actual popular will in favor of a purely theoretical and abstract will of the people She contends that the West has conceptualized democracy not just its populist doppelgänger as an ideal that has all of the features of a thoroughgoing political ideology which she labels democratism As she shows this understanding of democracy which constitutes an entire view of life and politics has been and remains a powerful influence in America and leading Western European nations and their colonial satellites Through a careful analysis of several of history s most vocal champions of democracy including Jean Jacques Rousseau Thomas Jefferson Woodrow Wilson John Rawls and American neoconservatives and liberal internationalists Finley identifies an interpretation of democracy that effectively transforms the meaning of rule by the people into nearly its opposite Making use of democratic language and claiming to speak for the people many politicians philosophers academics and others advocate a more complete and genuine form of democracy that in practice has little regard for the actual popular will A heterodox argument that challenges the prevailing consensus of what democracy is and what it is supposed be *The Ideology of Democratism* offers a timely and comprehensive assessment of the features and thrust of this powerful new view of democracy that has enchanted the West

The Philosophical Concepts of Management Through the Ages Andreas Sofroniou, 2009-12-21 17 *The Philosophical Concepts of Management Through The Ages* ISBN 0952725363 Year 2005 The process of managing a team involves the interaction of people where individuals contribute to the running or completion of a task As in any State or country under any government people live together under various laws rules regulations and religions The people elect or they follow a leader be it a democratic or tyrannical leadership People under such regimes follow a type of management In a business environment such methods of management prevail A Manager will delegate and lead one or

more individuals within the organization by running the business or a system Management styles can therefore be considered as political systems where people participate in the smooth running of a country or a company whether this is a global organization or a fruit stall in the back streets of any city Political Theory Scott John Hammond, 2008-11-30 Liberty Justice Nature Law First formulated millennia ago by the founding philosophers of the Western tradition these basic concepts of human thought remain central to our conception of ourselves our place in the world and our relationships with others that is our politics Readers encountering such broad political concepts their practical expressions in political movements and systems of government the ideas of influential ancient and modern political thinkers or simply familiar or unfamiliar catchphrases for which they would like a succinct yet informative explanation will welcome this accessible encyclopedic guide The major political concepts themes issues movements groups and schools that have developed over time and shaped our modern world appear here in all their diversity along with biographical entries and articles on the principal works of political theorists from Plato to John Rawls Further serious students and browsers alike will delight in the numerous entries on familiar quotations and political catchphrases from the banality of evil and Big Brother to the war of all against all

Rousseau's Legacy Dennis Porter, 1995-05-25 Rousseau's Legacy focuses on the new and influential paradigm of the writer that emerged in the decades immediately preceding the French Revolution Ushered in by Rousseau's combining revolutionary sociopolitical critique with a new art of autobiography the writer would henceforth differ greatly from the traditional man of letters Rousseau inaugurated the idea of a heroic and committed writerly life in which the opposition between public and private selves is collapsed This was done in the cause of creating a future political community founded on transparency Porter with both a wide ranging knowledge of contemporary theory and an informed interest in cultural historical context gives close readings of relevant works by a number of major French writers including Stendhal Baudelaire Sartre Barthes Duras Althusser and Foucault Thus he explores the persistent importance of the Rousseauist paradigm for French literary culture The book goes beyond a critique or theory that interprets literary or philosophical works for their own sake to reveal representations and self representations of the idea of the writer in paintings engravings and photographs as well as in literary texts In concluding Porter argues that with the collapse of faith in social and individual regeneration through revolution the archetype of such a writer is also waning *Political Theory* RC Agarwal, 2004-12 Comprehensively written this book presents the political theories concepts analysis thoughts and main currents The book begins with introduction to political theory its history evolution approaches while also discussing forms organs of Government It progresses to discuss contemporary political analysis in light of American concepts and main currents of Political Thought in detail This book would be extremely useful for the students pursuing BA Political Science **Marx and Modern Political Theory** Philip J. Kain, 1993 Philip J Kain deftly demonstrates the historical antecedents to and continuing relevance of Karl Marx's thought Kain reveals the unappreciated pluralism of Marx how it has endured and how it will continue to adapt to the

challenges of modern day thought such as feminist theory *Republicanism and the Future of Democracy* Yiftah Elazar, Geneviève Rousselière, 2019-04-25 Democracies are in crisis Can republican theory contribute to reforming our political norms and institutions The neo republican turn has seen scholars using the classical republican tradition in reconstructing and developing a vision of public life as an alternative to liberalism This volume offers new perspectives from leading scholars on how republicanism can help transform democratic theory and respond to some of its most pressing challenges Drawing on this recent revival of republican political thought its chapters reflect on such issues as the republican definition of freedom as nondomination and its relation to democracy and populism the ideal of the common good domination in the workplace and in the family republicanism in a globalized world and radical republican politics It will appeal to researchers and students in political theory political philosophy and the history of ideas and anyone interested in gaining greater insight into the prospects and challenges of republican democracy in today's world *The Enlightenment and religion* S. J. Barnett, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book offers a critical survey of religious change and its causes in eighteenth century Europe and constitutes a challenge to the accepted views in traditional Enlightenment studies Focusing on Enlightenment Italy France and England it illustrates how the canonical view of eighteenth century religious change has in reality been constructed upon scant evidence and assumption in particular the idea that the thought of the enlightened led to modernity For despite a lack of evidence one of the fundamental assumptions of Enlightenment studies has been the assertion that there was a vibrant Deist movement which formed the intellectual solvent of the eighteenth century The central claim of this book is that the immense ideological appeal of the traditional birth of modernity myth has meant that the actual lack of Deists has been glossed over and a quite misleading historical view has become entrenched **Understanding Jurisprudence** Raymond Wacks, 2012-02-02 Perfect for the student new to jurisprudence this book provides an illuminating introduction to the central questions of legal theory An experienced teacher of jurisprudence Professor Wacks approach is both accessible and entertaining providing the ideal base for further study **Foucauldian Interpretation of Modern Law** Jacopo Martire, 2017-07-07 An outline for a Foucauldian interpretation of Modern law A genealogy of Modern Law I the political truth of the individual A genealogy of Modern law II the political truth of society The normalising complex and the challenges of virtualisation Conclusions *The Routledge Companion to Nineteenth Century Philosophy* Dean Moyar, 2010-04-05 The nineteenth century is a period of stunning philosophical originality characterised by radical engagement with the emerging human sciences Often overshadowed by twentieth century philosophy which sought to reject some of its central tenets the philosophers of the nineteenth century have re emerged as profoundly important figures The Routledge Companion to Nineteenth Century Philosophy is an outstanding survey and assessment of the century as a whole Divided into seven parts and including thirty chapters written by leading international scholars the Companion examines and assesses the central

topics themes and philosophers of the nineteenth century presenting the first comprehensive picture of the period in a single volume German Idealism philosophy as political action including young Hegelians Marx and Tocqueville philosophy and subjectivity including Schopenhauer Kierkegaard and Nietzsche scientific naturalism including Darwinism philosophy of race experimental psychology and Neo Kantianism utilitarianism and British Idealism American Idealism and Pragmatism new directions in Mind and Logic including Brentano Frege and Husserl The Routledge Companion to Nineteenth Century Philosophy is essential reading for students of philosophy and for anyone interested in this period in related disciplines such as politics history literature and religion *Making Citizens* Zev M. Trachtenberg, 2013-01-11 By analysing Rousseau's conception of the general will Zev Trachtenberg characterises the attitude of civic virtue Rousseau believes individuals must have to cooperate successfully in society Rousseau holds that culture affects political life by either fostering or discouraging civic virtue However while the cultural institutions Rousseau endorses would motivate citizens to obey the law they would not prepare citizens to help frame it Rousseau's view of culture thus works against his account of legitimacy and Trachtenberg concludes that Rousseau's political theory as a whole is inconsistent *People's Power* Peter Roman, 2019-07-11 The study on which this book is based began in 1986 with the fifth legislative session of the Cuban municipal assemblies The research on which the book is based was supported in part by grants from the City University of New York PSC CUNY Research Foundation

Rousseau And Concept Of The General Will Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rousseau And Concept Of The General Will has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rousseau And Concept Of The General Will has opened up a world of possibilities. Downloading Rousseau And Concept Of The General Will provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rousseau And Concept Of The General Will has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rousseau And Concept Of The General Will. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rousseau And Concept Of The General Will. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rousseau And Concept Of The General Will, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rousseau And Concept Of The General Will has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rousseau And Concept Of The General Will Books
