

# THE ROVING EDITOR,

— OR —

TALKS WITH SLAVES IN  
THE SOUTHERN STATES,  
BY JAMES REDPATH

EDITED BY  
JOHN R. MCKIVIGAN

# Roving Editor

**G Orfield**

## **Roving Editor:**

**Forgotten Firebrand** John R. McKivigan, 2018-07-05 The reformer James Redpath 1833-1891 was a focal figure in many of the key developments in nineteenth century American political and cultural life. He befriended John Brown, Samuel Clemens, and Henry George, and toward the end of his life was a ghostwriter for Jefferson Davis. He advocated for abolition, civil rights, Irish nationalism, women's suffrage, and labor unions. In *Forgotten Firebrand*, the first full-length biography of this fascinating American, John R. McKivigan portrays the many facets of Redpath's life, including his stint as a reporter for the *New York Tribune*, his involvement with the Haitian emigration movement, and his time as a Civil War correspondent. Examining Redpath's varied career enables McKivigan to cast light on the history of journalism, public speaking, and mass entertainment in the United States. Redpath's newspaper writing is credited with popularizing the stenographic interview in the American press, and he can be studied as a prototype for later generations of newspaper writers who blended reportage with participation in reform movements. His influential biography of John Brown justified the use of violent actions in the service of abolitionism. Redpath was an important figure in the emerging professional entertainment industry in this country. Along with his friend P. T. Barnum, Redpath popularized the figure of the impresario in American culture. Redpath's unique combination of interests and talents for politics, for journalism, for public relations, brought an entrepreneurial spirit to reform that blurred traditional lines between business and social activism and helped forge modern concepts of celebrity.

**Roving Editor** John McKivigan, 2010-11-01      **The Roving Editor** James Redpath, 1859      **Cotton**, 1927      *The Roving Editor, Or, Talks with Slaves in the Southern States* James Redpath, 1996 While a reporter at Horace Greeley's *New York Tribune* in the 1850s, James Redpath developed a strong curiosity about slavery and decided that he would travel south to see slavery with my own eyes. Redpath interviewed slaves, recorded their opinions, and recounted them in the form of letters, which he then published in antislavery newspapers under the pseudonym John Ball Jr. Redpath later collected these letters into book form, publishing them in 1859 as *The Roving Editor*. This new edition reproduces the text of *The Roving Editor* together with important supplemental documents and extensive editorial apparatus.

*After Effects CS4 for Windows and Macintosh* Antony Bolante, 2008-12-12 Here to get filmmakers, Web designers, broadcasters, and digital artists of all kinds up to speed on *After Effects CS4* and in time to meet their next deadline is everyone's favorite task-based guide. Through step-by-step instructions, enhanced by tips, sidebars, and plenty of visual aids, veteran video editor Antony Bolante shows readers how to effectively and efficiently import and manage footage, view and edit layers, apply effects, animate type, and more. They'll learn about key features with real-world examples of how and when features should be used, including what's new in *After Effects CS4*: the addition of Imagineer System's Mocha for Adobe *After Effects*, which allows users to do motion tracking for difficult shots; the ability to export rich media compositions from *After Effects* to Adobe Flash; searchable timelines and projects; plus easier composition navigation; the ability to import Photoshop 3D layers; independent keyframing of X, Y, and Z axis positions.

the new Cartoon effect for creating an animated look to live footage and many more enhancements **Canadian textile journal** ,1925 *Soul by Soul* Walter JOHNSON,2009-06-30 *Soul by Soul* tells the story of slavery in antebellum America by moving away from the cotton plantations and into the slave market itself the heart of the domestic slave trade Taking us inside the New Orleans slave market the largest in the nation where 100 000 men women and children were packaged priced and sold Walter Johnson transforms the statistics of this chilling trade into the human drama of traders buyers and slaves negotiating sales that would alter the life of each What emerges is not only the brutal economics of trading but the vast and surprising interdependencies among the actors involved The Textile American ,1921 **Congressional Record** United States. Congress,1951 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Lyceum Magazine** Ralph Albert Parlette,1922 *Kiplinger's Personal Finance* ,1984-11 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics *Whatever Happened to the Washington Reporters, 1978-2012* Stephen Hess,2013-07-24 *Whatever Happened to the Washington Reporters* 1978 2012 is the first book to comprehensively examine career patterns in American journalism In 1978 Brookings Senior Fellow Stephen Hess surveyed 450 journalists who were covering national government for U S commercial news organizations His study became the award winning *The Washington Reporters* Brookings 1981 the first volume in his Newswork series Now a generation later Hess and his team from Brookings and the George Washington University have tracked down 90 percent of the original group interviewing 283 some as far afield as France England Italy and Australia What happened to the reporters within their organizations Did they change jobs Move from reporter to editor or producer Jump from one type of medium to another from print to TV Did they remain in Washington or go somewhere else Which ones left journalism Why Where did they go A few of them have become quite famous including television correspondents Ted Koppel Sam Donaldson Brit Hume Carole Simpson Judy Woodruff and Marvin Kalb some have become editors or publishers of the New York Times Wall Street Journal Chicago Tribune Miami Herald or Baltimore Sun some have had substantial careers outside of journalism Most however did not become household names The book is designed as a series of self contained essays each concentrating on one characteristic such as age gender or place of employment including newspapers television networks wire services and niche publications The reporters speak for themselves When all of these lively portraits are analyzed one by one the results are surprisingly different from what journalists and sociologists in 1978 had predicted Praise for other books in the Newswork series *International News and Foreign Correspondents* It is not much in vogue to speak of things like the public trust but thankfully Stephen Hess is old fashioned He reminds us in this valuable and

provocative book that journalism is a public trust providing the basic information on which citizens in a democracy vote or tune out Ken Auletta The New Yorker Regardless of one's view of American news media one cannot help but be influenced by the information Stephen Hess puts forth in International News and Foreign Correspondents After reading this book it is not likely one will scan the newspaper or watch television news in the same way again International Affairs Review Readers of all backgrounds will find this a provocative text The Harvard International Journal of Press Politics Live from Capitol Hill Hess is a treasure a Washington insider with a sharp sense of the important the interesting and the mythological This book is essential reading for Hill practitioners journalists and scholars of Congress and the media Steven S Smith Washington University The Washington Reporters A meticulously researched piece of anthropology that represents the first major look at the men and women who cover the government since Leo C Rosten's classic 1937 book Newsweek **Fibre & Fabric**, 1925

*Words at War* David B. Sachsman, S. Kittrell Rushing, Roy Morris, 2008 Analyzes the various ways in which the nation's newspaper editors reporters and war correspondents covered the biggest story of their lives the Civil War and in doing so both reflected and shaped the responses of their readers This book contains sections including Fighting Words Confederates and Copperheads and The Union Forever **Mark Twain's Letters, Volume 4** Mark Twain, 2023-12-22 You ought to see Livy me now a days you never saw such a serenely satisfied couple of doves in all your life I spent Jan 1 2 3 5 there left at 8 last night With my vile temper variable moods it seems an incomprehensible miracle that we two have been right together in the same house half the time for a year a half yet have never had a cross word or a lover's tiff or a pouting spell or a misunderstanding or the faintest shadow of a jealous suspicion Now isn't that absolutely wonderful Could I have had such an experience with any other girl on earth I am perfectly certain I could not We are to be married on Feb 2d So begins Volume 4 of the letters with Samuel Clemens anticipating his wedding to Olivia L Langdon The 338 letters in this volume document the first two years of a loving marriage that would last more than thirty years They recount in Clemens's own inimitable voice a tumultuous time a growing international fame the birth of a sickly first child and the near fatal illness of his wife At the beginning of 1870 fresh from the success of *The Innocents Abroad* Clemens is on the long agony of a lecture tour and planning to settle in Buffalo as editor of the *Express* By the end of 1871 he has moved to Hartford and is again on tour anticipating the publication of *Roughing It* and the birth of his second child The intervening letters show Clemens bursting with literary ideas business schemes and inventions and they show him erupting with frustration anger and grief but more often with dazzling humor and surprising self revelation In addition to *Roughing It* Clemens wrote some enduringly popular short pieces during this period but he saved some of his best writing for private letters many of which are published here for the first time You ought to see Livy me now a days you never saw such a serenely satisfied couple of doves in all your life I spent Jan 1 2 3 5 there left at 8 last night With my vile temper variable moods it seems an incomprehensible miracle that we

**Cold War Orientalism** Christina Klein, 2003-03-10 In the years following World War II American writers and artists

produced a steady stream of popular stories about Americans living working and traveling in Asia and the Pacific Meanwhile the U S competing with the Soviet Union for global power extended its reach into Asia to an unprecedented degree This book reveals that these trends the proliferation of Orientalist culture and the expansion of U S power were linked in complex and surprising ways While most cultural historians of the Cold War have focused on the culture of containment Christina Klein reads the postwar period as one of international economic and political integration a distinct chapter in the process of U S led globalization Through her analysis of a wide range of texts and cultural phenomena including Rodgers and Hammerstein s South Pacific and The King and I James Michener s travel essays and novel Hawaii and Eisenhower s People to People Program Klein shows how U S policy makers together with middlebrow artists writers and intellectuals created a culture of global integration that represented the growth of U S power in Asia as the forging of emotionally satisfying bonds between Americans and Asians Her book enlarges Edward Said s notion of Orientalism in order to bring to light a cultural narrative about both domestic and international integration that still resonates today John Brown Still Lives! R. Blakeslee Gilpin, 2011-11-14 From his obsession with the founding principles of the United States to his cold blooded killings in the battle over slavery s expansion John Brown forced his countrymen to reckon with America s violent history its checkered progress toward racial equality and its resistance to substantive change Tracing Brown s legacy through writers and artists like Thomas Hovenden W E B Du Bois Robert Penn Warren Jacob Lawrence Kara Walker and others Blake Gilpin transforms Brown from an object of endless manipulation into a dynamic medium for contemporary beliefs about the process and purpose of the American republic Gilpin argues that the endless distortions of John Brown misrepresentations of a man and a cause simultaneously noble and terrible have only obscured our understanding of the past and loosened our grasp of the historical episodes that define America s struggles for racial equality By showing Brown s central role in the relationship between the American past and the American present Gilpin clarifies Brown s complex legacy and highlights his importance in the nation s ongoing struggle with the role of violence the meaning of equality and the intertwining paths these share with the process of change **Slavery's Exiles** Sylviane A Diouf, 2014-01-17 Sylviane A Diouf s Slavery s Exiles reveals the forgotten stories of America maroons wilderness settlers evading discovery after escaping slavery Over more than two centuries men women and children escaped from slavery to make the Southern wilderness their home They hid in the mountains of Virginia and the low swamps of South Carolina they stayed in the neighborhood or paddled their way to secluded places they buried themselves underground or built comfortable settlements Known as maroons they lived on their own or set up communities in swamps or other areas where they were not likely to be discovered Although well known feared celebrated or demonized at the time the maroons whose stories are the subject of this book have been forgotten overlooked by academic research that has focused on the Caribbean and Latin America Who the American maroons were what led them to choose this way of life over alternatives what forms of marronage they created what their individual and collective lives

were like how they organized themselves to survive and how their particular story fits into the larger narrative of slave resistance are questions that this book seeks to answer To survive the American maroons reinvented themselves defied slave society enforced their own definition of freedom and dared create their own alternative to what the country had delineated as being black men and women s proper place Audacious self confident autonomous sometimes self sufficient always self governing their very existence was a repudiation of the basic tenets of slavery Impressive research and vivid prose An important addition to our understanding of slave society and black resistance Pulitzer Prize winning author Eric Foner *Of Lasting Interest* James Playsted Wood,1975

Thank you very much for reading **Roving Editor**. Maybe you have knowledge that, people have look hundreds times for their favorite books like this Roving Editor, but end up in infectious downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some harmful bugs inside their desktop computer.

Roving Editor is available in our digital library an online access to it is set as public so you can get it instantly.

Our book servers saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Roving Editor is universally compatible with any devices to read
