Lill's Travels in Santa Claus Land & Other Stories Ellis Towne,Sophie May,Ella Farman,2023-12-12 Effie had been playing with her dolls one cold December morning and Lill had been reading until both were tired But it stormed too hard to go out and as Mrs Pelerine had said they need not do anything for two hours their little jaws might have been dislocated by yawning before they would as much as pick up a pin Presently Lill said Effie shall I tell you a story O yes do said Effie and she climbed up by Lill in the large rocking chair in front of the grate She kept very still for she knew Lills stories were not to be interrupted by a sound or even a motion The first thing Lill did was to fix her eyes on the fire and rock backward and forward quite hard for a little while and then she said Now I am going to tell you about my thought travels and they are apt to be a little queerer but O ever so much nicer than the other kind As Lills stories usually had a formal introduction she began Once upon a time when I was taking a walk through the great field beyond the orchard I went way on round where the path turns behind the hill And after I had walked a little way I came to a high wallbuilt right up into the sky At first I thought I had discovered the ends of the earth or perhaps I had somehow come to the great wall of China But after walking a long way I came to a large gate and over it was printed in beautiful gold letters Santa Claus Land and the letters were large enough for

a baby to read How large that might be Lill did not stop to explain Gator Lawanda Johnson,2015-02-19 This is a story about a young girl named Roxy This free spirited girl got caught up with a Chicago pimp named Gator who led her down a path of pure destruction Gator pimped all and feared none Gator was determined to make Roxy his goldmine Gator caused havoc and may ham everywhere he went Roxy became someone she never thought she would Roxy found herself in fear of her life so much that she had to fight for it Gator single handedly destroyed Roxys whole world Roxy began to walk Gators walk and talk Gators talk Even when Gator wasnt around he haunted Roxy every step of the way Although Gator was in full control Roxy was no easy target Gator will have to put all of his pimping skills on the line to tame Roxy Because shes one tough cookie **Sandra's Saga and Matthew's World** Harry Anderson,2019-02-12 Sandra Seehaver a young coed at Central Michigan University falls head over heels for Matthew Morgan Stewart a fighter pilot in the US Air Force in the mid 1960s But this relationship isn t typical Sandra is white and Matthew is black They fall in love and tie the knot as husband and wife Sandra becomes pregnant with their first child Then the Vietnam War comes into focus Matthew is sent to Southeast Asia while Sandra is bearing their son When it s believed he is killed she holds on and gives birth to Matthew Morgan Jr She also confronts hates and division with her baby When Matthew returns home they have more children By 1978 Matthew Junior is eleven and discovers a world of his own especially with Marcia Kozlowski a sixteen year old who s a product of a black mother and Polish father Her world is fragile by hate of both sides of her family *Haunted Property* Sarah Gilbreath Ford,2020-08-25 Winner of a 2021 South Central Modern Language Association Book Prize At the heart of America s slave system was the legal definition of people as property While property ownership is a cornerstone of the American dream the status of enslaved people supplies a contrasting American nightmare Sarah Gilbreath Ford considers how writers in works from nineteenth century slave narratives to twenty first century poetry employ gothic tools such as ghosts and haunted houses to portray the horrors of this nightmare Haunted Property Slavery and the Gothic thus reimagines the southern gothic which has too often been simply equated with the macabre or grotesque and then dismissed as regional Although literary critics have argued that the American gothic is driven by the nation s history of racial injustice what is missing in this critical conversation is the key role of property Ford argues that out of all of slavery s perils the definition of people as property is the central impetus for haunting because it allows the perpetration of all other terrors Property becomes the engine for the white accumulation of wealth and power fueled by the destruction of black personhood Specters often linger however to claim title and Ford argues that haunting can be a bid for property ownership Through examining works by Harriet Jacobs Hannah Crafts Mark Twain Herman Melville Sherley Anne Williams William Faulkner Eudora Welty Toni Morrison Octavia Butler and Natasha Trethewey Ford reveals how writers can use the gothic to combat legal possession with spectral possession Roxy Traveling Light Roxanne Christine Neely,2012-01-10 *Roxy Blues* Pierce Kelley,2012-01-12 Jeremy and Sally Thibodeaux are clammers from Cedar Key Florida After Jeremy suffers a herniated
