Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton:

Royal and Republican Sovereignty in Early Modern Europe Robert Oresko, G. C. Gibbs, H. M. Scott, 1997-01-30 A collection of illustrated essays on sovereignty and political power in seventeenth and eighteenth century Europe [Dynastic Identity in Early Modern Europe](#) Liesbeth Geevers, Mirella Marini, 2016-04-29 Aristocratic dynasties have long been regarded as fundamental to the development of early modern society and government Yet recent work by political historians has increasingly questioned the dominant role of ruling families in state formation underlining instead the continued importance and independence of individuals In order to take a fresh look at the subject this volume provides a broad discussion on the formation of dynastic identities in relationship to the lineage s own history other families within the social elite and the ruling dynasty Individual chapters consider the dynastic identity of a wide range of European aristocratic families including the Cro s Arenbergs and Nassaus from the Netherlands the Guises Lorraine of France the Sandoval Lerma in Spain the Farnese in Italy together with other lineages from Ireland Sweden and the Austrian Habsburg monarchy Tied in with this broad international focus the volume addressed a variety of related themes including the expression of ambitions and aspirations through family history the social and cultural means employed to enhance status the legal religious and political attitude toward sovereigns the role of women in the formation and reproduction of composite dynastic identities and the transition of aristocratic dynasties to royal dynasties In so doing the collection provides a platform for looking again at dynastic identity in early modern Europe and reveals how it was a compound of political religious social cultural historical and individual attitudes **The Struggle for Power in Early Modern Europe** Daniel H. Nexon, 2009-04-20 Looks at the pivotal events of the sixteenth and seventeenth centuries including the Schmalkaldic War the Dutch Revolt and the Thirty Years War This book argues that early modern composite political communities had more in common with empires than with modern states

Early Modern European Diplomacy Dorothee Goetze, Lena Oetzel, 2023-12-31 New Diplomatic History has turned into one of the most dynamic and innovative areas of research especially with regard to early modern history It has shown that diplomacy was not as homogenous as previously thought On the contrary it was shaped by a multitude of actors practices and places The handbook aims to characterise these different manifestations of diplomacy and to contextualise them within ongoing scientific debates It brings together scholars from different disciplines and historiographical traditions The handbook deliberately focuses on European diplomacy although non European areas are taken into account for future research in order to limit the framework and ensure precise definitions of diplomacy and its manifestations This must be the prerequisite for potential future global historical perspectives including both the non European and the European world

The Ashgate Research Companion to the Thirty Years' War Olaf Asbach, Peter Schröder, 2016-03-23 The Thirty Years War 1618 1648 remains a puzzling and complex subject for students and scholars alike This is hardly surprising since it is often contested among historians whether it is actually appropriate to speak of a single war or a series of conflicts

Similarly emphasis is also put on the different motives for going to war as conflicting religious and political interests were involved This research companion brings together leading scholars in the field to synthesize the range of existing research on the war which is still fragmented and divided along national historical lines and to further explore the complexities of the conflict using an innovative comparative approach The companion is designed to provide scholars and graduate students with a comprehensive and authoritative overview of research on one of the most destructive conflicts in European history

Aristocratic Power in the Spanish Monarchy Samuel Weber,2023 The first major study of the powerful Borromeo family of Milan in the seventeenth century uncovering their growing entanglement with the Spanish monarchy and the ways in which the Borromeo grappled with the ethical implications of this controversial relationship repeatedly reinventing themselves to preserve their social privilege

Singing of Arms and Men KELLEY. HARNESS,Kelley Harness,2024-10-11 Equestrian ballets balletti a cavallo emerged as valued dramatic entertainments in early modern Europe demonstrating the wealth and magnificence of the patrons who commissioned them as well as the horsemanship and military skills of the noblemen who rode in them Author Kelley Harness undertakes the first comprehensive study of seventeenth century Florentine horse ballets and shows how the balletto a cavallo played a crucial role in self fashioning by the Medici family during the period Horse ballets also provided participating noblemen a venue for demonstrating critical markers of masculine nobility and confirming their family s relationship to the Medici

The Orders of Knighthood and the Formation of the British Honours System, 1660-1760 Antti Matikkala,2008 Sheds considerable new light on the nature development and functions of the orders in a key phase of their history and goes a long way to explaining how such archaic institutions could flourish in a culture that is commonly thought anti traditional and especially hostile to the middle ages Professor JONATHAN BOULTON University of Notre Dame This is the first comprehensive study to set the British orders of knighthood properly into the context of the honours system by analysing their political social and cultural functions from the Restoration of the monarchy to the end of George II s reign It examines the revival of the Order of the Garter and the proposals to establish the Orders of the Royal Oak and the Esquires of the Martyred King at the Restoration the foundation 1687 and the revival 1703 4 of the Order of the Thistle as well as the foundation of the Order of the Bath 1725 It establishes just how central a part the orders played in the British high political life and its comprehensive and multidimensional approach carefully contrasts the idealistic discourse of virtue and honour to the real workings of the honours system it also makes the case for the Chivalric Enlightenment The orders over the water the Garter and the Thistle conferred by the Jacobite claimants are discussed for the first time in the context of the established British honours system Overall the comparison between the socially very restricted British and the increasingly meritocratic Continental orders highlights the isolation of the British honours system from the European tendencies

Politics and Foreign Policy in the Age of George I, 1714-1727 Jeremy Black,2016-04-22 Through its focus on the relationship between foreign and domestic politics

this book provides a new perspective on the often fractious and tangled events of George I's reign 1714-27. This was a period of transition for Britain as royal authority gave way to cabinet government and as the country began to exercise increased influence upon the world stage. It was a reign that witnessed the trauma of the 1715 Jacobite Rebellion, saw Britain fighting Spain as part of the Quadruple Alliance and in which Britain confronted the rise of Russia under Peter the Great. There has been relatively little new detailed work on this subject since Hatton's biography of George I appeared in 1978 and that book while impressive devoted relatively little attention to the domestic political dimension of foreign policy. In contrast Black links diplomacy to domestic politics to show that foreign policy was a key aspect of government as well as the leading battleground both for domestic politics and for ministerial rivalries. As a result he demonstrates how party identities in foreign policy were not marginal to either policy or party but instead central to both. The research is based upon a wealth of both British and foreign archive material including State Papers Domestic Scotland Ireland and Regencies as well as Foreign. Extensive use is also made of parliamentary and ministerial papers as well as the private papers of numerous diplomats. Foreign archives consulted include papers from Hanover Osnabrück Darmstadt Marburg Munich Paris The Hague Vienna and Turin. By drawing upon such a wide ranging array of sources this book offers a rich and nuanced view of politics and foreign policy under George I.

The Rise of the Military Entrepreneur Suzanne Sutherland, 2022-09-15. The Rise of the Military Entrepreneur explores how a new kind of international military figure emerged from and exploited the seventeenth century's momentous political military commercial and scientific changes. In the era of the Thirty Years War these figures traveled rapidly and frequently across Europe using private wealth credit and connections to raise and command the armies that rulers desperately needed. Their careers reveal the roles international networks private resources and expertise played in building and at times undermining the state. Suzanne Sutherland uncovers the influence of military entrepreneurs by examining their activities as not only commanders but also diplomats natural philosophers information brokers clients and subjects on the battlefield as well as through strategic marital and family allegiances. Sutherland focuses on Raimondo Montecuccoli 1609-80 a middling nobleman from the Duchy of Modena who became one of the most powerful men in the Austrian Habsburg monarchy and helped found a new discipline military science. The Rise of the Military Entrepreneur explains how Montecuccoli successfully met battlefield court and family responsibilities while contributing to the world of scholarship on an often violent fragmented political military landscape. As a result Sutherland shifts the perspective on war away from the ruler and his court to instead examine the figures supplying force along with their methods networks and reflections on those experiences.

Britain and the American Revolution H. T. Dickinson, 2014-07-30. This is the first modern study to focus on the British dimension of the American Revolution through its whole span from its origins to the declaration of independence in 1776 and its aftermath. It is written by nine leading British and American scholars who explore many key issues including the problems governing the American colonies Britain's diplomatic isolation in Europe

over the war the impact of the American crisis on Ireland and the consequences for Britain of the loss of America *The History of Cartography, Volume 4* Matthew H. Edney, Mary Sponberg Pedley, 2020-05-15 Since its launch in 1987 the History of Cartography series has garnered critical acclaim and sparked a new generation of interdisciplinary scholarship

Cartography in the European Enlightenment the highly anticipated fourth volume offers a comprehensive overview of the cartographic practices of Europeans Russians and the Ottomans both at home and in overseas territories from 1650 to 1800 The social and intellectual changes that swept Enlightenment Europe also transformed many of its mapmaking practices A new emphasis on geometric principles gave rise to improved tools for measuring and mapping the world even as large scale cartographic projects became possible under the aegis of powerful states Yet older mapping practices persisted

Enlightenment cartography encompassed a wide variety of processes for making circulating and using maps of different types The volume's more than four hundred encyclopedic articles explore the era's mapping covering topics both detailed such as geodetic surveying thematic mapping and map collecting and broad such as women and cartography cartography and the economy and the art and design of maps Copious bibliographical references and nearly one thousand full color illustrations complement the detailed entries **The Hero of Italy** Gregory Hanlon, 2019-08-15 The Hero of Italy examines a salient episode in Italy's Thirty Years War with Spain and France whereby the young duke Odoardo Farnese of Parma embraced the French alliance only to experience defeat and occupation after two tumultuous years 1635-1637 Gregory Hanlon stresses the narrative of events unfolding in northern Italy examining the participation of the little state in these epic European events The first chapter describes the constitution of Cardinal Richelieu's anti Habsburg alliance and Odoardo's eagerness to be part of it A chapter on the Parmenese professional army based on an extraordinary collection of company roster books sheds light on the identity of over 13 000 individuals soldier by soldier the origin and background of their officers the conditions of their lodgings and the good state of their equipment Chapter three follows the first campaign of 1635 alongside French and Savoyard contingents at the failed siege of Valenza and the logistical difficulties of organizing such large scale operations Another chapter examines the financial expedients the duchy adopted to fend off incursions on all its borders in 1636 and how militia contingents on both sides were drawn into the fighting A final chapter relates the Spanish invasion and occupation which forced duke Odoardo to make a separate peace The volume includes a detailed assessment of the impact of war on civilians based on parish registers for city and country The application of the laws of war was largely nullified by widespread starvation disease and routine sex selective infanticide These quantitative analyses supported by maps and tables are among the most detailed anywhere in Europe in the era of the Thirty Years War *Coffeehouse Culture in the Atlantic World, 1650-1789* E. Wesley Reynolds, 2022-03-10 This book argues that coffeehouses and the coffee trade were central to the making of the Atlantic world in the century leading up to the American Revolution Fostering international finance and commerce spreading transatlantic news building military might determining political fortunes and promoting status and

consumption coffeehouses created a web of social networks stretching from Britain to its colonies in North America As polite alternatives to taverns coffeehouses have been hailed as penny universities a place for political discussion by the educated and elite Reynolds shows that they were much more than this Coffeehouse Culture in the Atlantic World 1650 1789 reveals that they simultaneously created a network for marine insurance and naval protection led to calls for a free press built tension between trade lobbyists and the East India Company and raised questions about gender respectability and the polite middling class It demonstrates how coffeehouses served to create transatlantic connections between metropole Britain and her North American colonies and played an important role in the revolution and protest movements that followed

Monarchy and Exile P. Mansel,T. Riotte,2011-10-28 Using detailed studies of fifteen exiled royal figures the role of Exile in European Society and in the evolution of national cultures is examined From the Jacobite court to the exiled Kings of Hanover the book provides an alternative history of monarchical power from the 16th to 20th century **Europe's Second Constitution** Markus W. Gehring,2020-09-24 The process of European constitutionalisation is met with extensive scepticism in current national legal and political spheres and in broader circles of public opinion across Europe By shedding light on these concerns this book reveals a widespread misunderstanding of constitutional federalism which permeates the Member State courts popular media and many academic communities A failure to address confusion over this fundamental concept is leading us towards impoverished development of the EU s Second Constitution and even ensuring that the role of both domestic and international European courts in enriching the constitutionalisation process is overlooked and undervalued In a bid to avoid such consequences this book explores how federalism and further constitutionalisation rightly understood in a dialogue of the European courts may actually change this process and allow a clearer advance toward Europe s Second Constitution for but also with the people of Europe **Jewish Politics in Spinoza's Amsterdam** Anne O. Albert,2023-01-15 Finalist for Jordan Schnitzer Book Award for Philosophy and Jewish Thought 2023 This book untangles a web of ideas about politics religion exile and community that emerged at a key moment in Jewish history and left a lasting mark on Jewish ideas In the shadow of their former member Baruch Spinoza s notoriety and amid the aftermath of the Sabbatian messianic movement the Spanish and Portuguese Jews of seventeenth century Amsterdam underwent a conceptual shift that led them to treat their self governed diaspora community as a commonwealth Preoccupied by the question of why and how Jews should rule themselves in the absence of a biblical or messianic sovereign state or king they forged a creative synthesis of insights from early modern Christian politics and Jewish law and traditions to assess and argue over their formidable communal government In so doing they shaped a proud new theopolitical self understanding of their community as analogous to a Christian state Through readings of rarely studied sermons commentaries polemics administrative records and architecture Anne Albert shows that a concentrated period of public Jewish political discourse among the community s leaders and thinkers led to the formation of a strong image of itself as a totalizing state like entity an image that eventually

came to define its portrayal by twentieth century historians Her study presents a new perspective on a Jewish population that has long fascinated readers as well as new evidence of Jewish reactions to Spinoza and Sabbatianism and analyses the first Jewish reckoning with modern western political concepts Explorations in History and Globalization Cátia Antunes,Karwan Fatah-Black,2016-04-14 Considering the ways in which the global turn is changing the theory and practice of historical disciplines Explorations in History and Globalization engages with the concept and methodology of globalization challenging traditional divisions of space and time to offer a range of perspectives on how globalization has affected social economic political and cultural history Each chapter covers a specific theme discussing how globalization has shaped these themes and how they have contributed to globalization throughout history Including topics such as ecological exchanges trade exchanges of knowledge migration empire and urbanization this volume both explains historical trajectories through a global analytical framework and provides tools that students can employ when posing their own research questions about historical globalization Containing suggestions for further reading and guidance on the ways in which primary source material can be used as a basis for global historical studies this is the ideal volume for all students interested in the global exchanges between people throughout history **Shaping Heroic Virtue** Stefano Fogelberg Rota,Andreas Hellerstedt,2015-09-01 In his Nichomachean Ethics VII I I Aristotle suggests the possibility of a perfection of virtue so extreme that it could be characterized as heroic or divine In Shaping Heroic Virtue eight scholars from different fields of the humanities explore the reception of this notion within a broad range of artistic political and religious contexts and map its enduring importance in the self fashioning of monarchs and political elites The case studies included in the volume span from Late Antiquity to the 18th century and include material from different parts of Europe with a particular emphasis on Scandinavia Contributors include Erik Eliasson Stefano Fogelberg Rota Andreas Hellerstedt Kristine Kolrud Jennie Nell Nils Holger Petersen Tania Preste and Bi rn Tj ll n **The Emergence of Privateering** J.D. Ford,2023-04-03 Privateering was legal whereas piracy was illegal That much everyone knows But what exactly was privateering Answering this question turns out to depend not so much on the relationship between privateering and piracy as on the relationship between privateering and other forms of maritime raiding that had been considered legal long before the word privateering or the practice it denoted came into existence This book clarifies all these relationships and explains how privateering emerged as a new legal category in the late sixteenth and early seventeenth centuries The subject is approached from a British perspective in the light of developments elsewhere including the movement towards a new understanding of the law regulating relations between nations

Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Introduction

In the digital age, access to information has become easier than ever before. The ability to download Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton has opened up a world of possibilities. Downloading Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton has

democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Royal And Republican Sovereignty In Early Modern Europe Essays In Memory Of Ragnhild Hatton Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
