**Prairie Society, 1873-1919** University of Regina. Canadian Plains Research Center, 1998 This collection of essays presents a variety of scholarly explorations of the nature and role of the Mounties in the Prairie Provinces from the formation of the North West Mounted Police in 1873 to its transformation into the Royal Canadian Mounted Police in 1919. The essays are grouped into five broad themes: relations with First Nations, law enforcement, social issues including relations with minority groups and labour movements, characteristics of the police force and crisis and change, police and immigrant relations, response to labour unrest and the origins of domestic intelligence and counter subversion. An epilogue presents the case for the dramatic change of the force after 1919 and the new force's use of the positive image created by the old force. *The Royal North-west Mounted Police : a Corps History* Captain Ernest J. Chambers, 1973 *Stanley Barracks* Aldona Sendzikas, 2011-01-18 Stanley Barracks begins with the construction in 1840-41 of the new facility that replaced the then decaying Fort York Barracks. The book recounts the background of the last facility operated by the British military in Toronto and how Canada's own Permanent Force was developed. During the course of the stories told in this history we learn about Canadian participation in war including the two world wars and the barracks use as an internment camp for enemy aliens, civil military relations as Toronto's expansion encroached on the lands and buildings of the barracks, the establishment and growth of Toronto's Canadian National Exhibition, the struggles and discrimination faced by immigrants in Canada in wartime, the employment of the barracks as emergency housing during Toronto's post war housing shortage and the origins of Canada's famed Royal Canadian Mounted Police. In short, Stanley Barracks is the story of Toronto. **The Mounties** Elle Andra-Warner, 2011-02-01 Since 1873 the Mounties have brought the law to the furthest reaches of the Canadian frontier. Sam Steele, the Lion of the North, was involved in almost every significant event in the Canadian West. James Macleod and James Walsh negotiated peace with the First Nations peoples. Less famous, unsung heroes risked their lives enforcing justice in the Canadian wilds. From stopping the whisky trade to policing the chaotic gold rush and patrolling the lonely North, these true tales of the early days of the Force are sure to amaze and entertain.
