*Call to the Colours, A: Tracing Your Canadian Military Ancestors* Kenneth G. Cox, 2011-01-01 Beginning in Canada's earliest days our ancestors were required to perform some form of military service often as militia. This title provides the archival library and computer resources that can be employed to explore your family's military history using items such as documents, uniforms, medals, and other militaria to guide the search. **Canadian Books in Print. Author and Title Index**, 1975. Tracing Your Saskatchewan Ancestors Saskatchewan Genealogical Society, 2000. This book contains detailed explanations about each record group showing when and why they were created where you will find them today and how and why you would want to access them. In addition, there are chapters or sections devoted to federal records such as immigration, military, naturalization, and National Registration. **Canadian Books in Print**, 2003. Canadian Books in Print Marian Butler, 2000. *Bibliographie de la Vie Militaire Au Canada, 1867-1995* O. A. Cooke, Canada. Department of National Defence. Directorate of History and Heritage, 1997. Canadian military history and military matters have not been well represented in general in retrospective bibliographies of Canadian or in international military bibliographies. What has been attempted in this document is a bibliography of published primary sources and secondary works on Canadian military topics excluding poetry and fiction covering the period from Confederation to the present. Entries in the bibliography represent printed monographs, books, and pamphlets and serial titles. The prime criteria of inclusion were that the work be chiefly or uniquely both Canadian and military in its contents. Many in-house publications of the training pamphlet or regulations type have been included but only insofar as they tell us something of the armed forces themselves rather than details of tactical doctrine or of pieces of equipment. Works by or about Canadians serving with the armed forces of other countries have been included as well as materials relating to the military history of Newfoundland since 1867. Canadian Who's Who 2008 Elizabeth Lumley, 2008-01-05. Now in its ninety-eighth year of publication, this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians. Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada. The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society. Included are outstanding Canadians from all walks of life: politics, media, academia, business, sports, and the arts from every area of human activity. Each entry details birth date and place, education, family, career history, memberships, creative works, honours and awards, and full addresses. Indispensable to researchers, students, media, business, government, and schools. Canadian Who's Who is an invaluable source of general knowledge. The complete text of Canadian Who's Who is also available on CD-ROM in a comprehensively indexed and fully searchable format. Search astronaut or entrepreneur of the year, aboriginal achievement award, and Order of Canada and discover a wealth of information. Fast, easy, and more accessible than ever, the Canadian Who's Who on CD-ROM is an essential addition to your
