The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood

Royal Priesthood John Howard Yoder, 1998-12-11 Readers will discover that it is not possible to disengage John Howard Yoder s practice of ecumenical dialogue from his vision of the church Yoder s approach to ecumenical dialogue correlates with his conception of the faithfulness of the church His vision of the church poses challenges for Christians of all communions because he calls both for disciplined dialogue and for faithful servanthood that renders the confession of Jesus Christ s lordship meaningful This collection of 17 essays on themes ecclesiological and ecumenical is intended to demonstrate the substantial unity of Yoder s work over the past four decades Many of these essays are often cited by researchers but have been till now unobtainable Three of these texts have never been published before Editor Michael Cartwright has contributed a substantial introduction on the Yoderian project and a select bibliography prepared by Mark Nation catalogs Yoder s writings published and unpublished on ecclesiology and ecumenism

The King-Priest in Samuel Nicholas Majors, 2023-05-23 Scholars studying the ANE have noticed that Canaanite kings ruled as a representative of their god and served in a priestly role Yahweh allows Israel to have a king like all the nations Deut 17 14 but he shapes the monarchy according to his covenant A key question remains does God s allowance for a king like all the nations include a king priest model This study presents a synchronic view of the king as a priest within the MT of Samuel analyzing the motif and considering how the narrator heightens the hope for the coming anointed one whom the narrator describes as both king 1 Sam 2 10 and priest 2 35 36 This study will argue that from the monarchy s inception Yahweh considered Israel s kingship a sacral task My study examined the king as a priest through a synchronic literary
