Baird, 2024 The Kingdom of Champassak was founded in 1713 in what is now southern Laos and its royal lineage the House of Champassak continues to the present In this historical study of Champassak Ian G Baird explores the ways it has asserted its sovereignty across time and through monumental historical shifts including the delineation of national boundaries for Laos Thailand and Cambodia in the nineteenth and twentieth centuries In re-creating this story Baird draws not only on a dazzling variety of primary sources in English French Lao and Thai but also on many years spent in conversation with members of the Na Champassak family who are now spread across a wide geographical area from Laos and Thailand to France and the United States Each chapter treats one historical period identifying the Champassak approach to sovereignty during that time Through this deep history Baird shows how sovereign power even within one case takes a wide range of forms always contingent contested and uneven across space and time

place as ruler of Atharia All she has to do now is survive her murderous uncle s attempts to steal the throne for himself But when a mysterious gentleman washes up on the shores of her beach she s shocked to realize she needs his help almost as much as he needs hers When Drew Meyers left his estate his plan was to escape the arranged marriage his scheming father brokered for him The storm that nearly killed him was not part of the plan Neither was meeting her Holly is everything he ever wanted and he will do anything to keep her safe and get her home even if doing so means he ll be forced to let her go forever A union between a princess and a lowly future duke is forbidden But as intrigue abounds and their enemies circle will Drew and Holly defy the obligations and expectations that stand between them to take a chance on love Or is their happily ever after merely a dream A Royal Proposition She s all that stands between him and his dream But maybe it s time for a new dream Princess Alessa is finally free Now that her sister is Queen and their rightful place in Atharia is secure she can embark on a Season in London and begin work to help the less fortunate Or she could if only her gruff blunt and entirely too handsome guard would stay out of her way Rowan Oakley is on the verge of having the wealth and security he s always craved All he must do to earn it is kill the fiery obstinate and very enticing Alessa It s an easy assignment Or it would be if only he could keep his thoughts and mouth off his target It s not long before Rowan is caught between what he s always wanted and the prospect of a love he never expected But in the end is happily ever after even a possibility for a royal and the poor former street urchin sent to kill her Forever My Princess She s not who he thinks she is But she just might be everything he needs Tired doesn t even begin to describe how Princess Elena of Atharia is feeling A brief respite from the pressures of her position will do her good Unfortunately rest isn t something royalty is typically afforded But she ll do what is necessary to escape her responsibilities for a time even if it means becoming someone else entirely Lord Theodore Ward has no love for the wealthy But if he doesn t marry well soon he ll lose everything And his hunt for a perfect bride cannot begin while his mother is unwell and unattended So hiring a lady s companion is the only option Then the lovely Elena Smith arrives at his door and his plans become infinitely more complicated When all the truths and secrets come to light can these opposites find their way to happily ever after Or will Theo lose his princess forever
