Rubian Icon Painting:

The Marian Icons of the Painter Frē Şeyon Marilyn Eiseman Heldman, Frē Şeyon, 1994 **Catalogue of the Harvard University Fine Arts Library, the Fogg Art Museum** Harvard University. Fine Arts Library, 1971 **A Brush with God** Peter Pearson, 2005-10-01 Step by step instructions for painting icons from original drawings through finished product For more than a thousand years Eastern Christians have used their hands and hearts to create icons proclaiming God's reality in a visible and breathtakingly beautiful way This ancient art is enjoying a renewed interest in the West as people of faith create icons and use them to meditate on mysteries for which there are no words A Brush with God is a guide to painting icons and using them in prayer Written with warmth and energy it describes the history of icons and examines why they've been a spiritual tool for so many centuries Written from a uniquely Western perspective the book guides artists from novices to professionals through the process of icon painting using traditional techniques but employing contemporary materials Included are eight full color plates of the artist's icons **Christianity and Monasticism in Wadi Al-Natrun** Magad S. A. Mikhail, Maged S. A. Mikhail, Mark Moussa, 2009 International specialists in Coptology examine various aspects of Coptic civilisation in Wadi al Natrun over the past 1700 years Their studies centre on aspects of the history and development of monasticism in Wadi al Natrun as well as the art architecture and archaeology of the four existing and numerous former monasteries of the region Another Brush with God Peter Pearson, 2009-10-01 Step by step instructions for painting icons from original drawings through finished product This is the sequel to the authors previous work A Brush with God for advanced beginners intermediate and advanced iconographers It presents greater detail and instructions for creating entirely new icons One major feature of this book is the full page sketches that artists can photocopy and use as the basis of their own icons providing a unique and much requested resource Includes eight full color plates of the author's original icons Chapters and topics include Introduction and contemporary reflections on iconography spirituality and technique Highlighting folds on full length figures including black and white renderings of draped legs arms and torsos Architectural and landscape renderings in Byzantine iconography including background shadow and highlighting techniques plus inverse perspective Festal icons involving multiple figures landscapes architecture furniture vegetation and animals Construction of heads figures and analysis of whole compositions sacred geometry and proportion **Library Catalog of the Metropolitan Museum of Art** Metropolitan Museum of Art (New York, N.Y.). Library, 1970 **Russian Icons** Vladimir Ivanov, Vladimir Nikolaevich Ivanov, 1988 2010, Relocating Identities in Latin American Cultures Elizabeth Montes Garcés, 2007 Literature and other forms of cultural expression provide unprecedented insight into perpetually changing notions of Latin American identity in this fascinating collection that explores a wide breadth of genres and topics Relocating Identities in Latin American Cultures explores the perpetually changing notion of Latin American identity particularly as illustrated in literature and other forms of cultural expression Editor Elizabeth Montes Garc

s has gathered contributions from specialists who examine the effects of such major phenomena as migration globalization and gender on the construct of Latin American identities and as such are reshaping the traditional understanding of Latin America s cultural history The contributors to this volume are experts in Latin American literature and culture Covering a diverse range of genres from poetry to film their essays explore themes such as feminism deconstruction and postcolonial theory as they are reflected in the Latin American cultural milieu

A history of Icon painting ,2007 *The Mystical Language of Icons* Solrunn Nes,2009-04-10 Solrunn Nes one of Europe s most admired iconographers illuminates the world of Christian icons explaining the motifs gestures and colors common to these profound symbols of faith Nes explores in depth a number of famous icons including those of the Greater Feasts the Mother of God and a number of the better known saints enriching her discussion with references to Scripture early Christian writings and liturgy She also leads readers through the process and techniques of icon painting showing each step with photographs and includes more than fifty of her own original works of art

Ramón María Del Valle-Inclán Carol Maier,Roberta L. Salper,1994 This book is a collection of eleven essays devoted to the work of Ramon del Valle Inclan 1866 1936 Long the recipient of critical analyses from various perspectives Valle Inclan s writing has nevertheless been virtually neglected in the gender based criticism that has given rise to important studies of his contemporaries in other European literatures This means that his diverse female characters have not been fully examined that many scholars continue to consider him an unqualified misogynist and that a marked effort to surmount gender constraints present throughout his work has not been acknowledged much less explicated This lack of study is intimately related to a much broader lacuna in Hispanic literature and scholarship for the working of gender norms and their interaction with economic religious and political institutions inscribed in the literature of turn of the century Spain have only recently begun to receive detailed study The essays in this volume identify explore and interrogate issues of gender with respect to Valle Inclan s writing The results offer an altered portrait of Valle Inclan in which attitudes attributed to him are questioned and reevaluated In particular studies of several strong female characters indicate that he envisioned a far more complex role for women than has formerly been recognized Three previously published essays were chosen to provide a grounding in work on gender and Valle Inclan The remaining essays were written for this volume As an orientation for the reader and in order to assure that the collection will be of use and interest to non Hispanists as well as specialized readers an introduction to the collection defines the intentions of the editors discusses the essays with respect to current criticism and places Valle Inclan and his writing in turn of the century Spanish history and aesthetics As a whole the collection reads as far more than the sum of its individual essays prompting a fuller appreciation of both Valle Inclan and the social and cultural system to which he belongs
