Sex The Catholic Experience:

Sex Andrew M. Greeley, 1994 *The Joy of Being Catholic* Mitch Finley, 2023-02-24 An award winning writer celebrates the oldest institution in the western world and the faith he shares with 60 million other Americans plus an estimated 1.2 billion Roman Catholics in the world Mitch Finley opens the treasure chest of Catholic experience picks out its jewels and shines them to a new glow Consider the possibility of joy he writes What if your life is not pedestrian prose but a wonderful poem What if your life is not a question but a revelation Would this not be cause for joy What if your life is not a sentence with a period at the end but a song that goes on and on Would this not be cause for deep and abiding joy *Sex and Virtue* John S. Grabowski, 2012-08-07 Grabowski offers a compelling rationale for the virtue of chastity that takes into account the sensibilities and challenges of the contemporary world Raymond Dennehy Professor Emeritus University of San Francisco A welcome addition to an often contentious literature *Sex and Virtue* provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective Catholic Books Review In the hope of contributing to the ongoing renewal of moral theology sparked by the Second Vatican Council John S Grabowski discusses the systemic application of biblical and virtue based categories on the topic of sexuality A number of issues are examined including the historical setting regarding attitudes and practices concerning sexuality key biblical historical and contemporary resources for articulating a virtue based approach to sexual ethics current issues with which such an approach must wrestle and some description of how to foster growth in moral virtue particularly chastity Ultimately *Sex and Virtue* offers a compelling vision of human sexuality in the light of Christian faith that can provide a viable alternative to dominant cultural ideologies that trivialize sex and concrete practices that can enable growth in moral freedom *Sex and Virtue* is a splendid result of Grabowski's response to the call of Vatican II to find scriptural support for Catholic moral teaching The ecumenical potential of this book is tremendous Christians can only marvel at the resources in scripture for establishing sexual morality a morality that puts sexuality in service of love life and salvation Janet E Smith former professor of moral theology Sacred Heart Major Seminary of Detroit *Sex and Heaven* John Portmann, 2003-03-05 And so the way we worship apparently matters less to God than the way we make love The diagnosis may not be limited to Roman Catholicism for today Jewish Protestant and Muslim communities also struggle to decide what the next world holds for their sexual dissidents Curiously debates over where gay people belong now feed into debates over how much equality women deserve in the West's three major faith traditions BOOK JACKET *Confronting Power and Sex in the Catholic Church* Geoffrey Robinson, 2008 Drawing on his own experience in responding to abuse Bishop Geoffrey Robinson methodically offers a critique of the church's use and misuse of power from the pope proclaiming infallibly down to the preacher claiming a divine authority for every word spoken from the pulpit Going back to the Bible and above all to the teaching of Jesus he presents an approach to sexual morality that is profound compassionate and people centered He stresses the priority of the hierarchy of holiness over the hierarchy of power

He offers nothing less than a vision for a church of the third millennium a church that wants to see in its members the responsibility appropriate to adults rather than the obedience appropriate to children and wants to help all people to grow to become all they are capable of being You will love or hate this book but not be able to remain neutral Through the story of sexual abuse and the church's response I came to the unshakeable belief that within the Catholic Church there absolutely must be profound and enduring change In particular there must be change on the two subjects of power and sex From the Introduction Bishop Geoffrey Robinson who has degrees in philosophy theology and church law was Auxiliary Bishop in the Archdiocese of Sydney from 1984 until his retirement in 2004 In 1994 he was elected by the Australian Bishops to the National Committee for professional Standards coordinating the response of the Catholic Church in Australia to revelations of sexual abuse and from 1997 until 2003 he was cochairman of this committee

The Catholic Church and Modern Sexual Knowledge, 1850-1950 Lucia Pozzi, 2021-09-24 This book is the first to present a comprehensive historical picture of the modern Catholic concern with the body and sexuality The Catholic church is commonly believed to have always opposed birth control and abortion throughout the centuries Yet the Catholic encounter with modern sexuality has a more complex and interesting history What was the meaning of sexual purity Why did eugenics matter to Catholicism How did the Society of Jesus interpret the idea of overpopulation Why did Pius XI decide to issue the notorious encyclical *Casti connubii* on Christian marriage the first modern papal pronouncement on birth control abortion and eugenics In answering these questions Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge showing the Catholic church at times resisting but also often welcoming scientific modernity
