New Sociologies of Sex Work Kate Hardy, Sarah Kingston, 2016-05-06 Sex work studies have seen an expansion in publications over the past decade drawing together disciplines from across the social sciences namely sociology criminology and social policy There has however been a tendency for research and writing to focus on the more obvious aspect of the sex industry the visible elements of female street prostitution and those features which attract media attention such as the criminalised aspects of the sex trade The sex industry is diverse in terms of its organisation presentation participants and how it is located in the broader context of globalisation and regulation there is a need for publications which demonstrate this breadth This book makes an outstanding contribution to the sociology of sex work through advancing theoretical policy methodological and empirical ideas as each chapter pushes the boundaries of a specific area by offering new and critical research as well as commentary

Women Who Buy Sex Sarah Kingston, Natalie Hammond, Scarlett Redman, 2020-05-10 Drawing on empirical data from women who pay for sexual services and those who provide services to women this ground breaking study is the first of its kind in the UK detailing the experiences of women who pay for sex in an explicit direct prearranged way Unlike previous research on clients which has predominantly focused on men who buy sex or women who engage in romance

tourism in places such as the Caribbean this innovative research offers new and original insights into the demand side of commercial sex Too often it is assumed that only men pay for sex from women or other men Women are assumed to be service providers and are unimaginable as clients This book therefore offers a radical departure from existing scholarship on commercial sex In addition the book examines the experiences of couples who pay for commercial sex a client group that has received scant investigation The book explores women s reasons for their engagement in commercial sex services their backgrounds and characteristics their strategies for remaining safe and managing potential risks as well as their sexual health strategies The nature of sexual service bookings with women clients is also examined exploring the types of services women seek the places where bookings occur and the fees they pay Finally the experiences of men women and trans sex workers who provide sexual services to women are examined By drawing on our unique data and comparing it to the literature on men clients we present our theory Converging Sexualities We argue that commercial sex is a site of behavioural convergence and that women clients are behaving in ways that could be described as masculine or feminine Our study therefore offers new ways to understand sexuality This book will be of interest to researchers in the field of sexuality sex work and women s behaviour
