Sexual Love And Western Morality:

Sexual Love and Western Morality Donald Phillip Verene, 1995-01 This volume contains a classical intellectually sound set of philosophical selections on sexuality and sexual love It is historically ordered using selections from the major figures in Western thought from Plato to the present in order to show the derivation of our current Western attitudes toward this topic In the thought of these philosophers lie the origins of our contemporary views of sex This book presents a broad picture of some of what has been thought about sex and sexual morality over the ages Consideration of the issues and ideas raised in this book is necessary to an understanding of contemporary arguments that assume much of this history and often assume it quite selectively The power of this collection of writings is in its simplicity and its imagination the fundamental thoughts against which any view of sexual love must be formed are contained in this book *Sexual Love and Western Morality*

Donald Phillip Verene, 1995 Considered as a form of love sex is clearly involved in the total set of ethical relationships that exists between persons and is therefore ethically significant **Sexual Love and Western Morality** D P Verene, Donald

Phillip Verene, 1976 *Bioethics* Nancy Ann Silbergeld Jecker, Albert R. Jonsen, Robert A. Pearlman, 1997 This book is one of the only texts to cover the history methodology and practice of bioethics Compiling articles from well established bioethical thinkers Jecker et al have created an edited volume unique in its scope of topics addressed Bioethics will find use for both graduate students and professional students in law medicine nursing or other health related fields who will face bioethical issues in future careers *Sex, Love, and Friendship*, 2022-07-18 This collection joins together sixty essays on the

philosophy of love and sex Each was presented at a meeting of The Society for the Philosophy of Sex and Love held between 1977 and 1992 and later revised for this edition Topics addressed include ethical and political issues AIDS abortion homosexual rights and pornography conceptual matters the nature essence or definition of love friendship sexual desire and perversion the study of classical and historical figures Plato Aristotle Spinoza Kant and Kierkegaard and issues in feminist theory sexual objectification the social construction of female sexuality reproductive and marital arrangements Authors include Jerome Shaffer Sandra Harding Michael Ruse Richard Mohr Russell Vannoy Claudia Card M C Dillon Gene Fendt Steven Emmanuel T F Morris Timo Airaksinen and Sylvia Walsh The editor who is the author of *Pornography* 1986 *The Structure of Love* 1990 and *Sexual Investigations* 1996 has also contributed six pieces and an Introduction **Good Sex**

Raymond A. Belliotti, 1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy

Sexualities: Difference and the diversity of sexualities Kenneth Plummer, 2002 Volume 3 *Difference and Diversity of Sexualities* This section examines the politics power and critique of sexual categories including bisexuality sex addiction prostitution and sadomasochism **Love's Virtues** Mike W. Martin, 1996 This book brings together a sensitive

understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin's discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read

Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy *Philosophy and Desire* Hugh J.

Silverman, 2014-04-23 *Philosophy and Desire* the seventh book in the well known Continental Philosophy series examines questions of desire desire for another person desire for happiness desire for knowledge desire for a better world desire for the impossible desire in text desire in language and desire for desire itself The theme of desire is explored through readings of contemporary figures such as Merleau-Ponty Bataille Sartre de Beauvoir Levinas Irigaray Barthes Derrida and Derrida A hot timely topic in philosophy today Expands the contemporary debates
