Vecki, 1915 **Sexuality & Holiness.** Mike Williams, 2022-08-08 Uncompromising but compassionate Mike tackles the tricky issues of same sex relationships gender and the Church's interaction with individuals of the LGBTQ community today Writing for the Church to challenge the Church he does not shy away from the tough questions including What does the Bible actually say Are believers living with a Kingdom first mindset or going with the cultural flow How can the Church keep love and truth in tandem in supporting the LGBTQ community And much more This resource highlights what the Word of God plainly teaches about gender and sexuality I would love to see faithful Christians present a copy of Sexuality Holiness to every pastor and church leader throughout the country Pastor John of Strengthen the Faithful As someone working with young people engulfed with pressing ethical topics of sex sexuality and gender I have found this book to be an incredible resource I highly recommend it for its honest tone and accessible style to leaders and members of youth groups alike Jenny Ogwal Youth Leader I know Mike Williams to be a man of integrity and he has approached this important subject with humility and compassion Throughout the book the emphasis is that rather than being a killjoy God actually longs to bless people Reverend John Bridger **Sex, Love, and Friendship** Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond The Septuagint, Sexuality, and the New Testament William R. G. Loader, 2004 In this groundbreaking book William Loader shows how the Greek translation of the Hebrew Scriptures created new slants and emphases on sexuality that would leave their mark on the writings of Philo and the New Testament and ultimately on Christian thought itself According to Loader Some things are lost in translation others gained The making of the Septuagint could not help but result in verbal connections lost emphases and novel wordplays that opened the door to new

interpretations One particularly important instance of this effect of translation is the Septuagint's treatment of sexuality In the course of his book Loader explores sexuality as it is presented in the Decalogue the stories of Creation and the Garden of Eden and the brief reference to divorce in Deuteronomy 24 looking in turn at their Septuagint translations their use in Philo and their possible impact on the New Testament These fascinating studies have important implications for thinking about gender issues and male female relations

Sexuality in the New Testament William Loader, 2010-08-16 Loader looks at hotly contested New Testament passages on sexuality and offers a fair and balanced treatment of what scholars say about them He also offers an analysis of why interpreters say what they say and demonstrates how texts may be interpreted specifically to support a preformed opinion Written in straightforward non technical language this classroom text is also ideal for Bible study groups
